## **Charter of the Unclassified Staff Advisory Council**

### **Section I-Name and Membership**

All Wright State University unclassified personnel, except hourly unclassified, shall be defined as unclassified staff. The Unclassified Staff Advisory Council shall be composed of members elected from the unclassified staff.

### **Section II-Purpose**

The purpose of the Unclassified Staff Advisory Council shall be to represent its members to the university by:

1. promoting their general welfare;
2. advocating for unclassified staff through active participation in university governance structure;
3. reviewing, initiating and making recommendation on relevant university policies and procedures;
4. encouraging and facilitating communication among members; and

Furthermore, one of the prime responsibilities of this council shall be to serve the educational community. This shall include creating and maintaining an environment conducive to the teaching, learning, research and service functions of higher education. The recommendations of the council shall be submitted to the university president.

### **Section III-Membership**

All unclassified staff (as defined above) shall be eligible to vote and hold offices.

The membership of the council shall be composed of eleven elected members.

The constituencies from which council members shall be chosen are defined as:

### *Duties of the Officers*

The chair shall preside at all meetings, and the chair (or designee) shall represent the unclassified staff to all appropriate bodies and individuals.

The chair-elect shall assume all responsibilities of the chair in case of the chair's absence or resignation.

The secretary shall maintain a record of all meetings, assist with correspondence, record attendance, and maintain election eligibility and voting records. The secretary shall distribute the minutes of the Unclassified Staff Advisory Council meetings to the unclassified staff and keep the unclassified staff informed of activities of the council.

The officers shall be responsible for maintaining the budget of the Unclassified Staff Advisory Council in consultation with the council and in accordance with university policy.

### **Committees**

The officers shall be responsible for appointing, or recommending to the president, representatives to serve on university committees or task forces. All unclassified staff are eligible for appointment.

### **Section V-Meetings**

The secretary shall provide at least two weeks notice of all special meetings. A quorum for transacting business at special meetings shall be one-fifth of all unclassified staff members.

### **Section VI-Elections**

The individuals receiving the highest number of votes on the nomination ballot will be those placed on the election ballot. The election ballot shall have at least two names placed on the ballot for every position. In case of a tie on the nomination ballot, more than two names per position may appear on the election ballot. In case of a tie on the election ballot, a run-off election will occur for that position.

Constituency groups with three members will have one member elected to council each year. For the constituency group with two members, only one member at a time will be elected. If in a single constituency group, the term of more than one member expires in the same year, then the following will occur at the next election: The individual receiving the highest number of votes shall serve three years and the individual receiving the second-highest number shall serve two years.

Upon resignation of a member, the council shall appoint a representative from that constituency to fill the vacant position until the next annual election. The individual elected at the election shall serve the unexpired term of the resignee.
