

PHY 800 – Seminars

Catalog Data	Scheduled discussions of current problems in physics. Centered around student presentations.
Credit Hour	1 credit - repeatable
Textbook	None
References	None
Coordinator	Lok C. Lew Yan Voon, Chair of Physics
Goals	To expose students to research topics in physics and teach how to give a talk and write a paper.
Prerequisites	Graduate students and permission of the department.
Topics	Variable
Computer Usage	Variable
Lab Projects	None
Evaluation	Attend at least 3 seminars. Write a short paper and give a brief presentation.
