Article 1
Preamble

1.1 This is an agreement by and between Wright State University (hereinafter referred to as the “University”) and the American Association of University Professors, Wright State University Chapter (hereinafter referred to as AAUP-WSU).

1.2 The purpose of this Agreement is to set forth the understanding between the parties as to the terms and conditions of employment of Members of the Bargaining Unit specified herein.

1.3 The provisions of this Agreement shall take precedence over any practices, policies, or procedures, which are inconsistent with its terms. Such inconsistent policies shall be null and void.

1.4 In this Agreement, whenever a reference to “department” is made, it shall be understood that this refers to the college in the College of Nursing and Health and the Lake Campus. For the College of Nursing and Health and for the Lake Campus, here and elsewhere in this Agreement, the terms “Department Chair” and “Chair” refer to the Dean.
Article 2
Recognition

2.1 The University recognizes the AAUP-WSU as the sole and exclusive representative for the Members of the Bargaining Unit described below for the purpose of collective bargaining. Exclusive recognition means that the University will not deal with any other organization, or any individual, in a manner or for a purpose inconsistent with this exclusive recognition.

2.2 Individual contracts of employment with Members of the Bargaining Unit shall be consistent with this Agreement, and if inconsistent, this Agreement shall supersede.

2.3 The Bargaining Unit consists of all Senior Lecturers, Lecturers, Instructors, Clinical Assistant Professors, Clinical Instructors, and Visiting faculty employed full-time by Wright State University, hereafter referred to as Non-Tenure Eligible (NTE) Faculty. Excluded from the Unit are all tenured and tenure-track faculty, hereafter referred to as Tenure-Eligible and Tenured (TET) faculty, department chairs and heads, all ranks of deans, all ranks of provosts, all ranks of vice-presidents, the President, all other supervisors defined by ORC 4117.01(F), all faculty within the Schools of Medicine and Professional Psychology and all other employees not included above. (Unit certified by the Ohio State Employment Relations Board on November 1, 2012.)

2.4 The terms “Bargaining Unit Faculty” and “Members of the Bargaining Unit” and “Members” wherever used in this Agreement are defined to include only those faculty members who are included in the Bargaining Unit pursuant to Section 2.3. The Bargaining Unit Faculty recognized in this Agreement and the faculty recognized in the Agreement for Tenure-Eligible and Tenured faculty are herein distinguished from one another, as necessary, by referring to them as either “NTE Bargaining Unit Faculty” or “TET Bargaining Unit Faculty.”

2.5 If, during the term of this Agreement, questions arise regarding the bargaining unit status of one or more employees, the parties will meet promptly to discuss the status of individuals and shall attempt to reach agreement as to their inclusion or exclusion from the Bargaining Unit. If the parties are unable to reach agreement as to the status of any individual within ten (10) days from the commencement of the discussions, either party may petition the SERB for a determination of the status of the position.

2.6 The parties agree to cooperate with each other in the enforcement of this Agreement.
Article 3
Non-Discrimination

3.1 The University agrees that it shall not discriminate against an employee because of membership in or activity on behalf of the AAUP-WSU.

3.2 Neither the University nor the AAUP-WSU shall discriminate on the basis of race, color, religion, disability, veteran’s status, military status, national origin, ancestry, sex, gender identity/expression, sexual orientation, or age.

3.3 The University and AAUP-WSU will not tolerate any form of harassment based on sex, race, or any other category listed in Section 3.2.

3.4 Any Bargaining Unit Member charged with discrimination or harassment is entitled to due process before the University imposes any form of discipline as permitted under Article 14. However, the Member may be suspended with pay pursuant to Section 14.3. When notifying a Bargaining Unit Faculty Member that a complaint has been filed against him or her, the Office of Affirmative Action Programs will provide the Member with a written statement from the AAUP-WSU regarding the Member’s rights. If the complaint is not resolved through mediation, the Office of Affirmative Action Programs will notify the AAUP-WSU President of the charges and the name of the Bargaining Unit Faculty Member being charged, five (5) days prior to a hearing.

3.5 Any Member of the Bargaining Unit who believes he or she has been discriminated against or harassed can seek relief through the Wright State University Office of Affirmative Action Programs, through a grievance under the terms of this contract, or through legal action pursuant to any applicable state or federal law. When a Bargaining Unit Faculty Member seeks relief through the Office of Affirmative Action Programs, that office will provide the Member with a written statement from the AAUP-WSU regarding the Member’s rights.

3.6 Relationship by family or marriage is considered neither an advantage nor a deterrent to appointment by the University, provided the individual meets and fulfills the appropriate appointment standards. No Bargaining Unit Faculty Member will be assigned to a department or unit under the direct supervision of a relative who has or can have a direct effect on the Member’s progress or performance.

3.7 Consensual sexual relations between students and Bargaining Unit Faculty with whom they also have an evaluative relationship constitute a conflict of interest. Members shall avoid such relationships or, if such a relationship does exist, make arrangements through their Department Chair to eliminate any conflict of interest or appearance of such conflict, to the extent possible.

3.8 Bargaining Unit Faculty shall not grade or otherwise evaluate students with whom they have a familial relationship. If a family member’s application or enrollment calls for any evaluation on the part of a Member, that Member shall make arrangements through his or her Department Chair to eliminate any conflict of interest or appearance of such conflict, to the extent possible.
Article 4
Affirmative Action

4.1 The University declares its determination to actively recruit, retain and promote women, minorities, protected veterans, and people with disabilities.

4.2 The University will consult with the Faculty Senate or a committee designated by the Faculty Senate before revising Affirmative Action policies that affect Bargaining Unit Faculty. If the Senate does not supply such consultation, then the University will consult with the AAUP-WSU.

4.3 A copy of the University’s Equal Educational and Employment Opportunity Policies and Affirmative Action Plan will be maintained on the University’s Web site.

4.4 A copy of the Fall Staff Survey, submitted to the Equal Opportunity Commission, shall be made available to the AAUP-WSU upon its request.
Article 5
Academic Freedom and Professional Responsibilities

5.1 Academic Freedom:

5.1.1 Academic freedom is essential for the proper development of the University. It functions to protect the institution from unwarranted interference by external groups and to ensure the retention of the services of those whose contributions toward its goals make them an essential part of the faculty. In so doing, it secures the autonomy and integrity of the University and makes its development as an intellectual community an object of primary concern.

5.1.2 Academic freedom is the unqualified right of every Member of the Bargaining Unit. It carries a reciprocal obligation to respect and maintain the academic freedom of every other member of the University community.

5.1.3 Academic freedom is the freedom to teach, both in and outside the classroom; to conduct research and to publish, display or perform the results of those investigations; and to address any matter of institutional policy or action whether or not as a member of an agency of institutional governance. Members of the Bargaining Unit should also have the freedom to address the larger community with regard to any matter of social, political, economic, or other interest, without institutional discipline, save in response to fundamental violations of professional ethics, statements that suggest disciplinary incompetence, or violations of the professional responsibilities set forth in Sections 5.2.1 through 5.2.5.

5.1.4 Bargaining Unit Faculty are entitled to freedom to teach, profess and discuss material in the classroom subject to limits detailed below.

5.2 Professional Responsibilities:

5.2.1 Members of the Bargaining Unit, guided by a deep conviction of the worth and dignity of the advancement of knowledge, shall recognize that academic responsibility implies faithful performance of professional duties and obligations. Their primary responsibility to their subject is to seek and state the truth as they see it. To this end Members shall devote their energies to developing and improving their scholarly competence. They have an obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They shall practice intellectual honesty. Although Members may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom of inquiry.

5.2.2 As teachers, Bargaining Unit Faculty shall encourage the free pursuit of learning in their students. They shall hold before them the best scholarly and ethical standards of their discipline. Bargaining Unit Faculty shall demonstrate respect for students as individuals and adhere to their proper roles as intellectual guides and counselors. Members of the Bargaining Unit shall make every reasonable effort to foster honest academic conduct and ensure that their evaluations of students reflect each student’s true merit. They shall avoid any exploitation, harassment, or
discriminatory treatment of students. They shall acknowledge significant academic or scholarly assistance from students.

5.2.3 As colleagues, Bargaining Unit Faculty have obligations that derive from common membership in the community of scholars. Members of the Bargaining Unit shall not discriminate against or harass colleagues. They shall respect and defend the free inquiry of associates. In the exchange of criticism and ideas Members shall show due respect for the opinions of others. Bargaining Unit Faculty shall acknowledge academic debts and strive to be objective in their professional judgment of colleagues.

5.2.4 In making public statements—including the exercise of the right to responsible dissent on matters of institutional policy or educational philosophy—Members of the Bargaining Unit have an obligation to be accurate, to exercise appropriate restraint, to show respect for the opinions of others, and to make every effort to indicate that they are not speaking for the University.

5.2.5 Bargaining Unit Faculty shall accept their share of faculty responsibilities in the academic governance of the University.
Article 6
Management Rights

6.1 Except as expressly limited by the terms of this Agreement, nothing shall limit the right and responsibility of the Board of Trustees, directly or acting through its duly constituted authorities, to exercise all powers, rights, authorities, prerogatives, duties and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Ohio and of the United States, whether exercised or not. Without limiting the generality of the foregoing, nothing contained herein shall in any way limit the University’s right to adopt, modify, implement, or terminate policies, rules, regulations, and procedures in furtherance and accomplishment of its statutorily mandated authorities and responsibilities.

6.2 These rights include, but are not limited to, the right to:

6.2.1 determine matters of inherent managerial policy which include, but are not limited to, areas of discretion or policy such as the functions and programs of the University, standards of services, its overall budget, utilization of technology, and organizational structure;

6.2.2 direct, supervise, evaluate, and hire Bargaining Unit Faculty or other employees;

6.2.3 maintain and improve the efficiency and effectiveness of University operations;

6.2.4 determine the overall methods, process, means, or personnel by which University operations are to be conducted;

6.2.5 suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote, or retain Bargaining Unit Faculty or other employees;

6.2.6 determine the adequacy of the work force;

6.2.7 determine the overall mission of the University;

6.2.8 effectively manage the work force; and

6.2.9 take actions to carry out the mission of the University.
Article 7
Faculty Rights and Responsibilities

7.1 Textbooks. Unless the hiring of a Bargaining Unit Faculty Member occurs after a textbook has already been selected for a course during the Member’s first semester as a Bargaining Unit Member, Bargaining Unit Faculty Members shall select textbooks and other teaching material (e.g. software, course notes, etc.) for the courses they teach and will participate in decisions whether to do so individually or collectively. When selecting such materials, Bargaining Unit Faculty Members shall make good faith efforts to keep costs to students as low as possible without sacrificing academic needs and to select teaching materials that are consistent with the curriculum.

7.1.1 Textbooks and other teaching material (e.g. software, course notes, etc.) for School of Medicine courses shall be selected by an all-faculty committee within that particular discipline. When selecting such materials, Bargaining Unit Faculty Members shall make good faith efforts to keep costs to students as low as possible without sacrificing academic needs.

7.2 Grades. The University and the AAUP-WSU agree that the individual Bargaining Unit Faculty Member retains the authority to make the final determination of the grade to be awarded to each student in his or her class.

7.2.1 If the Bargaining Unit Faculty Member cannot be contacted, there is a conflict of interest, or extraordinary circumstances serve to make the grade inappropriate, the Chair, Dean, or a provost may change a grade awarded by a Bargaining Unit Faculty Member. A grade may also be changed in accordance with specific academic policies set by the Faculty Senate or in response to a petition submitted by the student, providing that such changes are not in conflict with provisions of this Agreement. Changing a grade to A, B, C, D, F, P or U, however, requires consent of the Bargaining Unit Faculty Member who awarded the grade or, under extraordinary circumstances, consent of other NTE or TET Bargaining Unit Faculty in the Department. The Bargaining Unit Faculty Member whose grade was changed under such extraordinary circumstances and the AAUP-WSU will receive written notification of the change within two weeks after the decision to change the grade.

7.2.2 A Bargaining Unit Faculty Member shall explain a grade to a student who requests such explanation during the regular office hours.

7.2.3 Bargaining Unit Faculty Members will schedule examinations, papers, or other components of the grade for each undergraduate course in a manner that will give students feedback and allow them to make informed judgments about their progress prior to the end of the seventh week of each semester. In those graduate and advanced undergraduate courses wherein it is not feasible to comply with this requirement, Bargaining Unit Faculty Members will include a statement to that effect in the course syllabus.

7.2.4 Bargaining Unit Faculty shall turn in all course grades as soon as possible and no later than 12:00 noon of the third working day after the University’s last scheduled examination period.
This deadline shall only be extended in the event that the Bargaining Unit Faculty Member is unable to turn in the grades due to illness or unforeseen emergency.

7.2.5 For at least one year after they have issued grades for a course, Bargaining Unit Faculty Members shall retain any of the following items that were used in determining those grades: grade records, progress reports, and attendance records.

7.3 Course Syllabi. Bargaining Unit Faculty Members shall provide a course outline for students in each course taught. The outline shall include a clear explanation of the course requirements, policies on grading and expectations for class attendance. It is only necessary to state an attendance policy in a syllabus if attendance is factored into the calculation of the student’s grade.

7.3.1 Members will make a good faith effort to make their outlines available to students and to the Department Chair at the beginning of the course, unless there is a clear pedagogical reason to delay, and no later than the end of the first week of class.

7.3.2 Members shall make good faith efforts to make the content of the course, as reflected in the syllabus and as actually taught, consistent with the curriculum.

7.4 Faculty Availability.

7.4.1 Consistent with past practice, Bargaining Unit Faculty Members with academic year appointments shall be available for service at the University throughout the academic year.

7.4.2 Bargaining Unit Faculty Members have an obligation to meet all of their scheduled classes throughout the scheduled time, unless an alternative learning experience has been assigned. If an alternative learning experience involves a substantial portion of a course (a full week of class, for example, or an equivalent amount of time for late starts or early dismissals), it must be listed in the syllabus as part of the course requirement, in which case the alternative learning experience must be approved for the course by the relevant department curriculum committee or approved for the specific section of the course by the department chair.

7.4.3 Bargaining Unit Faculty Members who will be absent from class because of attendance at a professional meeting shall request written permission from the Chair.

7.4.4 Bargaining Unit Faculty Members who will be absent from class because of religious observance shall inform the students and the Department Chair in advance.

7.4.5 When forced by illness or unforeseen emergency to cancel class, Bargaining Unit Faculty Members shall inform the Department Chair of such cancellation. If possible, the Member will inform the Department Chair and the students of the cancellation a reasonable period of time before the class is scheduled to meet.

7.4.6 Bargaining Unit Faculty Members are expected to use the final examination period for its intended purpose and to schedule exams and other culminating class experiences during the time period designated by the Registrar.
7.4.7 Bargaining Unit Faculty Members will not give comprehensive final exams during the last week of classes. If a Member schedules a comprehensive final exam, it shall be during the time period designated by the Registrar unless the appropriate department chair or dean has provided written approval for a deviation from this requirement.

7.4.8 Each Bargaining Unit Faculty Member shall attend an average of at least one commencement ceremony in full academic regalia every two years.

7.5 Office Hours.

7.5.1 Each Bargaining Unit Faculty Member shall maintain a sufficient number of regular office hours to meet the reasonable needs of the Member’s students and advisees.

7.5.2 Regular office hours shall occur at reasonably convenient times for students and advisees; they shall be scheduled on at least two days per week; they shall be posted, distributed and included in all course syllabi; and they shall occur in the Bargaining Unit Faculty Member’s faculty office or other facility equally convenient for students.

7.5.3 E-mail, voice mail and other types of electronic communication may supplement regular office hours but may not be used to replace opportunities for face-to-face meetings.

7.6 Learning Environment. In order to maintain a safe and otherwise appropriate learning environment, AAUP-WSU and the University agree to the following measures.

7.6.1 When, in the judgment of a Bargaining Unit Faculty Member, a student in that Member’s class is disruptive, the Member may remove the student from each class meeting in which the disruptive behavior occurs. The Member is also entitled to the assistance of the University Police Department in removing the student. If the Member believes the student’s continued presence in the course would be disruptive and wishes to have the student permanently removed from class, the Member must contact either the AAUP-WSU or the Office of the Provost to initiate the procedure described in Section 7.6.2.

7.6.2 The Member who teaches the class, a representative of the AAUP-WSU and a provost will confer as soon as possible (normally within twenty-four hours) regarding whether the student should be allowed to attend the Member’s class pending the completion of the student disciplinary process. Unless both the provost and the AAUP-WSU representative conclude that the student should be permitted to attend class, the student shall not be permitted to return until the disciplinary process is completed.

7.6.3 The provost will be responsible for informing the student as to whether or not he or she may return to class and that a hearing on the matter will be held by the Office of Student Judicial Services as soon as possible.

7.7 Meetings.
7.7.1 Chairs and Deans can call meetings that include Bargaining Unit Faculty Members at any reasonable times during the fifteen weeks of Fall and Spring Semesters.

7.7.2 Chairs and Deans can call meetings that include Bargaining Unit Faculty Members at any other times during the calendar year--

1. if the need for committee meetings to be held outside academic semesters was communicated in writing to Members before they agreed to serve on said committee;
2. if 100% of the TET and Members on a committee or in a department or college agree in writing to hold a meeting;
3. if there is an emergency.

7.7.3 Chairs and Deans can call meetings that include Bargaining Unit Faculty Members under circumstances other than those specified in Sections 7.7.1 and 7.7.2, but attendance at such meetings is voluntary and no evaluative or disciplinary consequences can occur because of a Member’s presence or absence.

7.8 When the University and the AAUP-WSU agree in writing that valid pedagogical concerns require that a course be taught outside the academic year, and the Member teaching the course agrees to the arrangement in writing, the University may schedule the class in the summer or during the break between terms as an on-load assignment without additional compensation. Such courses might include extensive field trips, international travel, seasonal requirements (e.g. wetlands biology), or other components that make the alternative scheduling necessary. Either the University or the AAUP-WSU may revoke this agreement by notifying the other party in writing.

7.9 Off-Campus Teaching. Bargaining Unit Faculty Members who are assigned to teach courses at off campus locations as part of their regular teaching responsibilities shall be reimbursed for mileage, parking fees and tolls in accordance with University policy on travel. When such assignments necessitate travel beyond a twenty-five mile radius of campus, the Member will receive inconvenience compensation in an amount as determined by the University. The minimum inconvenience compensation for travel 26 to 50 miles from the Member’s campus office shall be $30 per trip. The minimum inconvenience compensation for travel more than 50 miles, shall be $60 per trip. If inclement weather or other hazardous conditions prevail, then the Bargaining Unit Faculty Member shall also be reimbursed for hotel and meal expenses in accordance with the University policy on travel.

7.10 Internet Access. The University will provide all Bargaining Unit Faculty Members with internet access at no cost to the individual Member. The University will maintain internet connections in a manner consistent with other Ohio universities.

7.11 E-mail. The University recognizes the technological advantage of the e-mail system for communication in a university setting and will provide the basic software for e-mail communication to all Bargaining Unit Faculty Members at no cost to the Member.
7.12 Internet Security and Privacy.

7.12.1 The University and the AAUP-WSU recognize the University’s right and obligation to provide the WSU community with high quality computer and network resources, to protect the security and integrity of the computer facilities owned and operated by the University, and at the same time to treat faculty electronic mail (“email”) and faculty computer files as private to the fullest extent permitted by law. The University and the AAUP-WSU agree that the rights and responsibilities of academic freedom apply to the use of the University’s computer and network resources.

7.12.2 Except under extraordinary circumstances described below, access by University personnel to faculty email requires the permission of either the sender or the recipient of the message. Similarly, access by University personnel to the content of a computer file in a faculty computer account or otherwise located on University computer hardware assigned to a faculty member ordinarily requires the permission of the faculty member to whom the account or hardware has been assigned. The only extraordinary circumstances in which University personnel may read or otherwise access faculty email or faculty computer files without the permission of an individual faculty member are as follows:

- when ordered to do so by a court;
- when ordered to do so pursuant to a subpoena or other legally enforceable order;
- when the email or computer file is a “public record” as defined in ORC 149.43 and a proper request is made;
- when required to comply with the law;
- when in the normal operation and maintenance of the University’s computer facilities, University staff inadvertently or inevitably open or otherwise briefly access an electronic mail message or computer file;
- when emergency entry is necessary to preserve the integrity of the University’s computer and network facilities or to preserve public health and safety;
- when the University has reasonable cause to believe that a “litigation hold” is necessary based upon knowledge by University Legal Counsel of the presentment of a claim or of a potential cause of action impacting the University. In such an instance, University Legal Counsel will so advise the affected faculty member. Following receipt of such notice, it is the faculty member’s legal responsibility to maintain copies of all email, computer files and other relevant electronically stored information until such time as the litigation hold is released, the litigation is completed or the retention time requirements under the university’s records retention policy are met, whichever comes last;
- when the University has reasonable cause to believe that a faculty member may be violating the law; or
- when the University has reasonable cause to believe that the faculty member has committed academic misconduct.

7.12.3 A Bargaining Unit Faculty Member who commits a criminal act through the use of the Internet access provided by the University shall be liable for all damages and costs incurred.
7.12.4 Whenever the University reads or otherwise accesses the e-mail or computer files of a Bargaining Unit Faculty Member without the Member’s permission, the University will promptly notify AAUP-WSU unless the University has a reasonable belief that such notification might jeopardize the preservation of records that are needed to conduct an investigation pursuant to Section 7.12.2 or otherwise inhibit an investigation conducted pursuant to Section 7.12.2.

7.13 Library Privacy. Where possible, the University Libraries shall make a good faith effort to adhere to the American Library Association Code of Ethics regarding use of information about Bargaining Unit Faculty Members as library patrons.

7.14 Legal Protection.

7.14.1 The University shall provide legal representation to any Member of the Bargaining Unit who is named a defendant in a civil action based on performance of the Member’s duties within the scope of employment. Legal representation will be at the Member’s request, subject to the approval of the Ohio Attorney General and in accordance with Ohio law. Pursuant to Ohio Revised Code Section 9.87 the University shall seek indemnification from the state for liability or judgment of any Member of the Bargaining Unit resulting from the performance of his or her duties for the University. Nothing in this section is intended to expand or conflict with current Ohio law.

7.14.2 As long as the University continues to provide liability insurance coverage pursuant to ORC 3345.202 for any member of the University Board of Trustees or any University officer, the University shall continue to provide that level of liability insurance coverage for each Bargaining Unit Faculty Member.

7.15 Notice of Teaching Assignments. The University will make a good faith effort to inform Bargaining Unit Faculty Members of their teaching assignments at least four weeks before the beginning of any semester. When changes to teaching assignments become necessary less than four weeks before the beginning of a semester, the University will promptly inform Members of any change(s) to their teaching assignments and the reason for the change(s).
Article 8
AAUP-WSU Rights

8.1 General: In addition to other rights and privileges accorded elsewhere in this Agreement, the AAUP-WSU shall have the rights specified below.

8.2 Access: Duly authorized representatives of the AAUP-WSU shall have access to the University premises for the purpose of transacting official AAUP-WSU business.

8.3 Use of University Facilities at No Cost: The AAUP-WSU shall be permitted reasonable use of University rooms for meetings on the same basis as other faculty groups or faculty members. The AAUP-WSU shall be permitted reasonable use of University Web pages, electronic mail system, bulletin boards, faculty mail boxes, and University mail service for communication.

8.4 AAUP-WSU Office: The University will make space available to AAUP-WSU for an office. This office shall consist of at least two adjoining rooms; a conference room with no less than 160 square feet and an office with no less than 100 square feet. AAUP-WSU shall be responsible for the costs of telephone installation and service. The University will be responsible for normal custodial upkeep of this space. Should this space become unavailable, the University will find similar space for the AAUP-WSU office, with the University responsible for the costs associated with moving and reinstallation of phones and network ports.

8.5 Use of Printing Services: The AAUP-WSU shall be permitted the reasonable use of University printing and duplication services, on a “cost-for-use” basis. Printing/duplicating services shall be available to the AAUP-WSU solely and exclusively for activities and communication directly related to its role as exclusive representative of the bargaining unit defined in Article 2. The charges to the AAUP-WSU for such services will not exceed those assessed against other on-campus groups or individuals.

8.6 Printing of Agreement: Not later than 90 days following the ratification of this Agreement, copies of this Agreement shall be printed at the University’s expense. The University shall provide the AAUP-WSU with 250 copies of the Agreement free of charge. The AAUP-WSU will distribute at least one copy of the Agreement to each Member of the Bargaining Unit. Further, the AAUP-WSU or its Members may purchase additional copies at cost.

8.7 The University will grant a pool of 2 course releases per fiscal year for the AAUP-WSU. During the term of the Agreement, the AAUP-WSU may purchase 2 additional course releases per fiscal year at a rate of $375 per credit hour. In 2013-2014 the AAUP-WSU may purchase an additional one course release to be used exclusively for a NTE Negotiating Team Member at a rate of $375 per credit hour. All of the course releases described in this Section 8.7 are in addition to those specified in the Collective Bargaining Agreement between the University and AAUP-WSU that applies to the TET Bargaining Unit Faculty.

8.7.1 The following individuals are eligible to receive an award of release time from the AAUP-WSU Executive Committee: the President, Vice-President, Secretary, Treasurer,
Communications Officer, Chief Negotiator, Negotiating Team Members, Grievance and Contract Administration Officer (GCA Officer), a maximum of two Assistant(s) to the GCA Officer, and members of the Faculty Governance Committee. No individual, except the Chief Negotiator, the President, and the GCA Officer, shall be given more than one (1) course release per semester. No individual shall be given course release(s) that eliminate all teaching in more than one semester per academic year.

8.7.2 Not later than April 1, the AAUP-WSU will, to the extent possible, provide the university with a list of course releases for the next academic year. As soon as possible, the AAUP-WSU will notify the University of any changes to this list.

8.8 Information Needed for Contract Implementation.

8.8.1 Not later than October 31 of each academic year, the University will furnish to the AAUP-WSU the name, academic department, rank, tenure status and base salary of each Member of the Bargaining Unit.

8.8.2 Changes to the Bargaining Unit Faculty, including promotions, terminations, and new hires, will be provided to the AAUP-WSU following confirmation by the Board of Trustees.

8.8.3 The University will provide to the AAUP-WSU copies of the “Official Proceedings” of meetings of the Board of Trustees, including the annual budget workshop.

8.8.4 Upon written request by the AAUP-WSU, the University agrees to provide to the AAUP-WSU such data and information that is available and that is necessary for the enforcement of this Agreement or the negotiation of future agreements.
Article 9
Academic Calendar

9.1 The academic year is divided into two semesters of fifteen weeks (fourteen weeks of instruction and one week of final examinations) plus a summer semester. The summer semester will consist of one twelve-week term (C Term) that is further divided into two terms of six weeks each (Terms A and B). The fall semester will end mid-December. When developing the calendar for a specific academic year the AAUP-WSU and the University will make a good faith effort to include 70 instructional days in each semester. Standard course scheduling during these semesters will provide for 55 minute Monday-Wednesday-Friday classes and 80 minute Tuesday-Thursday classes.

9.1.1 The summer semester will begin on a Monday, one week after the end of spring semester final exams and includes final examination days on the last Thursday of A, B and C terms. Each six-week summer session has 23 instructional days with standard course scheduling of 100 minutes per class, plus one final exam period of 100 minutes, for a three semester hour class meeting four days a week during the summer. Use of the A term final examination day by C term classes is a matter of instructor discretion.

9.2 It is recognized that Bargaining Unit Faculty in matrix departments also follow the academic calendar set by the School of Medicine.

9.3 Holidays shall be observed in accordance with the provisions of Section 124.19 of the O.R.C., and as it may be amended. The following days are recognized as holidays:

- Veterans Day
- Thanksgiving
- Presidents’ Day
- Christmas
- New Year’s Day
- Martin Luther King Day
- Memorial Day
- Independence Day
- Columbus Day
- Labor Day

9.4 When a holiday falls on a Saturday or a Sunday, it will be rescheduled to either Friday or Monday, and no classes shall be scheduled, unless the holiday is rescheduled to another day, established through the negotiation process in Section 9.5.

9.5 Any rescheduling of holidays to times other than those outlined in this Agreement must be negotiated. It is recognized that the following holidays may have alternative days of observance negotiated:

- Presidents’ Day
- Columbus Day

9.6 Since many religious observances occur on days not designated as legal holidays, the University and Bargaining Unit Faculty shall be flexible in accommodating the religious observances of faculty, students, and staff.
Article 10
Faculty Involvement in Governance

10.1 It is recognized that faculty are uniquely qualified to participate in the governance of the University, particularly with respect to academic matters. It is also recognized that faculty members can provide valuable contributions to all levels of the University administration. Bargaining Unit Faculty participation in governance consists of giving advice, making recommendations, and contributing to the establishment of bylaws as set forth in Section 10.4. During the term of this Agreement, Bargaining Unit Faculty participation in the governance of the University shall be no less than that provided for in this article.

10.2 University Senate. The University and the AAUP-WSU recognize that Bargaining Unit Faculty and non-bargaining unit faculty participation in University-wide governance will be exercised through an independent Faculty Senate and committees and councils created by the Senate. It is understood that the Senate is a representative assembly of the fully affiliated members of the faculty and its voting members are elected by them, and it shall exercise its authority in the governance of the University so as not to conflict with this Agreement.

10.3 Departmental and College Governance.

10.3.1 The University and the AAUP-WSU recognize the necessity of Bargaining Unit Faculty participating in departmental and college matters and acknowledge the important collegial relationships that exist between Bargaining Unit Faculty, the Department Chair, and the Dean.

10.3.2 When a Department Chair takes action (or elects not to act) following a recommendation from the majority of NTE and TET Bargaining Unit Faculty in her or his department, the Chair shall inform them of such action and communicate the reasons for the decision either in writing or in a meeting with the Bargaining Unit Faculty. When a Dean takes action (or elects not to act) following a recommendation from the majority of NTE and TET Bargaining Unit Faculty in her or his College, the Dean shall inform them of such action and communicate the reasons for the decision either in writing or in a meeting with the Bargaining Unit Faculty. The parties recognize that deans and chairs will not communicate reasons for their actions (or decisions not to act) that are based on confidential information.

10.4 College and Departmental Bylaws

10.4.1 The University and the AAUP-WSU agree to modify this agreement (making a good faith effort to do so before negotiations begin on a successor agreement) and the existing college and department bylaws such that (1) NTE Bargaining Unit Faculty are included in the approval process of the bylaws for their units and (2) the issues identified in Sections 10.4.2, 10.4.3, and 10.4.5 are addressed as they pertain to NTE Bargaining Unit Faculty.

10.4.2 The bylaws for each department will state procedures by which Bargaining Unit Faculty give advice and make recommendations regarding --
• faculty appointment, reappointment, and dismissal;
• professional development and mentoring of new faculty;
• teaching assignments and class schedules, including summer and overloads;
• curriculum and academic standards;
• faculty involvement in review of chairs; and
• issues affecting the department or college.

10.4.3 The bylaws for each college will state procedures by which Bargaining Unit Faculty give advice and make recommendations regarding –

• curriculum and academic standards;
• faculty involvement in review of deans; and
• issues affecting the college.

10.4.4 Bylaws for the College of Nursing and Health and for the Lake Campus will include provisions required by this Agreement for both department and college bylaws.

10.4.5 Departmental and college bylaws will provide for calling meetings and setting agendas, voting at meetings, naming committees, and such other procedures as may be needed for Bargaining Unit Faculty participation in governance. It is understood that chairs and deans may form other faculty committees, as long as they do not conflict with or usurp the functions of committees named in the bylaws.

10.4.6 Questions about whether the search process is consistent with bylaws requirements for Bargaining Unit Faculty participation in faculty searches may be brought to either the AAUP-WSU or the Office of the Provost. A representative of the AAUP-WSU and a provost will confer as soon as possible and will provide a joint response; that response is not subject to grievance.

10.4.7 Recognizing that the University has sole authority to appoint, evaluate, retain and remove chairs and deans, department and college bylaws will state procedures by which Bargaining Unit Faculty give advice regarding the naming of chairs and deans.

10.4.8 Except as expressly limited by the terms of this Agreement or by approved bylaws, nothing in this article or in the bylaws of any department or college shall limit management rights, as enumerated in Ohio Revised Code 4117.08 and in Article 6 of this Agreement.

10.4.9 Only TET and NTE Bargaining Unit Faculty may participate in making faculty recommendations pertaining to reappointment, dismissal, promotion, and evaluation of Bargaining Unit Faculty as provided for in this Agreement.

10.4.10 To facilitate development and any subsequent revision of department and college bylaws, the parties will maintain a joint Faculty Governance Committee composed of three (3) persons selected by and representing the AAUP-WSU and three (3) persons selected by and representing the University.
10.4.10.1 The University and the AAUP-WSU shall each designate one of the Committee members as a co-chair.

10.4.10.2 The presence of both co-chairs and at least one other member from the AAUP-WSU and one other member from the University shall constitute a quorum for all meetings. A quorum is necessary to approve any bylaws or any subsequent revisions to bylaws.

10.4.10.3 Any approval of new or amended college or department bylaws requires four (4) affirmative votes.

10.5 Bargaining Unit Faculty Participation in the Review of Chairs and Deans.

10.5.1 Informal Reviews of Chairs and Deans. Annually, Deans will solicit feedback from Bargaining Unit Faculty about the performance of their department chair, and the Provost will solicit feedback from Bargaining Unit Faculty about the performance of their dean. Chairs and deans will not be given the informal feedback pertaining to themselves until after the Bargaining Unit Faculty Members in their unit have received their annual evaluations pursuant to Section 11.2.

10.5.2. Formal Reviews of Chairs and Deans. At least every five years, the University will conduct formal reviews of chairs and deans. Bargaining Unit Faculty will be included on all review committees. All Bargaining Unit Faculty in the administrator’s unit will be asked to respond to questions posed in the review. A final report that summarizes findings of the review will be made available to all Bargaining Unit Faculty in the administrator’s unit.
Article 11
Annual Evaluation

11.1 The purpose of the University evaluation procedure described herein is twofold: to help Bargaining Unit Faculty improve their professional development; and to inform decisions regarding merit pay, reappointment, dismissal, and promotion. In this article, whenever a reference to “department” is made, it shall be understood that this refers to the college in the College of Nursing and Health and the Lake Campus. For jointly appointed Bargaining Unit Faculty, “department” refers to the Member’s “primary” department, which is the academic unit in which a Member is appointed more than 50%.

11.2 The Department Chair shall conduct an annual evaluation, encompassing one calendar year, of every Bargaining Unit Faculty Member taking into account the following criteria:

11.2.1 Teaching:

11.2.1.1 Essential teaching-related behaviors include, but are not limited to the following:

a. preparation and distribution of syllabi
b. meeting class on a consistent basis, including on-time arrival and dismissal
c. professional classroom behavior
d. effective organization of course content and lectures
e. effective communication with students in and out of the classroom
f. effective delivery of appropriate content material
g. effective processes and materials for evaluating student learning
h. meeting the reasonable needs of students and advisees through availability during scheduled office hours, appointments, and online (when teaching distance learning)
i. teaching material that is current with the discipline

11.2.1.2 Positive teaching-related activities include, but are not limited to the following:

a. creating innovative projects and assignments
b. teaching a larger than normal number of preparations or teaching section sizes that are larger than normal
c. conducting review sessions outside of normal class time
d. effective use of educational technology for students
e. serving as a teaching mentor for other faculty
f. being readily available to students beyond required office hours
g. developing a new course
h. developing a new teaching area
i. mentoring students
j. effectively supervising independent study projects
k. incorporating projects that involve service learning
l. the equivalent
11.2.2 Service:

11.2.2.1 Routine Service:  All Bargaining Unit Members are obligated to perform “routine service”, which refers to basic faculty engagement in shared governance at the departmental level. The routine service obligation can be met by regular attendance at departmental meetings (an obligation regardless of other service that Members may perform) plus effective service on one reasonably active departmental committee (e.g., a committee dealing with curricular matters or program assessment), or the equivalent. Equivalent activities include serving on committees outside the department, working within programs and departments, assisting in developing and coordinating the curriculum, participating in program assessment, and other activities. These opportunities for “routine service” may vary across the University, but the magnitude of the “routine service” obligation does not vary significantly from unit to unit.

11.2.2.2 Significant Service:  Members who have a reduced teaching load for “significant service” are expected to perform “significant service,” which must include “routine service” specified above and other university service activities, and may also include service to the community or the profession in ways that rely upon a Member’s professional expertise. All such service should either support and further the mission, goals or strategic plans of the department, college, or University, or address the needs of the community or the profession in ways that rely upon a Member’s professional expertise. Whatever the number of activities, however, “significant service” is characterized more by quality than by quantity, and it should make a significant contribution to the department, college, University, community, or profession. Active and engaged involvement in appropriate committees, participation in appropriate faculty searches, participation in important college and university governance structures, leadership in aspects of department, college, or university life, and work in professional organizations, among other things, are all examples of “significant service.” See Section 11.2.2.2.1 below for a more extensive list of examples. These opportunities for “significant service” may vary across the University, but the magnitude of the “significant service” obligation does not vary significantly from unit to unit. Since in relation to total workload, “significant service” will be the approximate equivalent of teaching one additional class over the course of an academic year, the time devoted in a given year to “significant service” should be equivalent to the time devoted to teaching one three- to four-hour class.

11.2.2.2.1 The activities listed below are some but not all examples of activities that count toward “significant service”.

1. Effectively chairing or serving on a department, college, or university-level committee
2. Serving on the faculty Senate
3. Directing or coordinating a program
4. Directing and leading a study abroad program
5. Serving as a thesis director or student project director
6. Advising students
7. Implementing a departmental or college initiative or study
8. Coordinating service learning courses/activities
9. Developing new teaching materials or course plans for multiple sections
10. Engaging in service to the community that uses one’s professional expertise
11. Serving as advisor to a student organization or activity (clubs, honorary societies, student case competitions, etc.)
12. Managing or supervising student internships, practicums, or projects
13. Serving on the board of an organization (professional, business, community, etc.)
14. Mentoring and/or evaluation of peers (adjuncts or graduate teaching assistants)
15. Regular and active participation in professional organization activities
16. Planning and coordination of WSU sponsored special events (such as language immersion days)
17. Presentations or participating on panel discussions for internal or external organization training seminars, workshops or meetings (CTL, staff development programs, external professional organization, community organization)
18. Participation in university activities such as campus open house, blood drive, student orientation, alumni relations/fund raising, and student recruitment
19. Coordinating or performing activities that support multiple sections of common or core classes within a discipline (textbook evaluation, assessment, TAG requirements, development of common syllabus or other materials, etc.)
20. Obtaining and maintaining professional licenses and/or certifications
21. Reviewing books, journals or other manuscripts
22. Coordinating a special project or task force
23. Participation in professional activities, either paid or unpaid, related to the faculty member’s teaching discipline
24. Coordination or maintenance of labs
25. The equivalent of any of the above

11.2.3 The University and the AAUP agree that the lists and descriptions in Sections 11.2.1 through 11.2.2.2.1 are interim criteria that may be refined further in the successor Agreement anticipated in 2014.

11.3 In preparation for the Chair’s evaluation, each Member submits, by January 15, a faculty activity report on the previous calendar year. This report should specify the Member’s teaching and service activities and, in particular, should document the Member’s “routine service” and (where appropriate) “significant service,” as specified in Sections 11.2.2.1 through 11.2.2.2.1.

11.3.1 In addition to any materials reasonably required by the Department Chair, Bargaining Unit Faculty may include in the faculty activity report any additional material providing evidence of successful teaching or service.

11.3.1.1 The Department Chair will use, in the annual evaluation, all peer evaluations of teaching she or he has received (if any) pursuant to Section 13.5.2.3 and subsections.

11.3.2 The Department Chair may use written materials other than the materials specified in Sections 11.3.1 and 11.3.1.1 if they document the Chair’s direct observation or are from identifiable sources. The Bargaining Unit Faculty Member shall be given a complete copy of such materials and provided the opportunity to respond to them in writing, and the Chair shall consider the Member’s response in writing her or his annual evaluation.
11.3.3 When evaluating Members’ 2013 teaching and service, each chair will use criteria set forth above unless these criteria deviate substantially from past practice in the Department, in which case the chair will apply criteria in a uniform manner and otherwise consistent with past practice. After conducting the evaluations, the Department Chair will send to each Member of the Bargaining Unit a copy of his or her evaluation.

11.4 The Member who disagrees with the Chair’s evaluation may send a written response to the Chair. This rebuttal shall be stapled to the original evaluation, forwarded to all other entities which receive a copy of the evaluation, and kept in the Department or College office.
Article 12
Student Evaluation of Learning and Teaching

12.1 All Members of the Bargaining Unit shall be evaluated in each teaching semester and at least once each academic year in each different course taught using a University Student Evaluation of Instruction form approved by the University and the AAUP-WSU. Such agreed upon forms are the only instrument for the University to collect anonymous student feedback on the individual teaching performance of a Bargaining Unit Faculty Member to be used for annual evaluation, promotion and tenure or any other matter pertaining to terms and conditions of employment.

12.1.1 All information from these evaluations will be sent to the Member’s Department Chair.

12.1.2 In Section 12.1.1, for Members with joint appointments, the Department Chair refers to the Member’s “primary” department as defined in Section 11.1.

12.1.3 When a Member teaches a course outside the Member’s department (meaning “primary” department for Members with joint appointments), information specified in Section 12.1.1 will be sent first to the Chair of the department (or Director of the program) that offers the course, who reviews the information and then forwards it to the Chair of the Member’s department, who reviews the information and arranges for it to be maintained.

12.2 The Bargaining Unit Faculty Member shall not comment upon the evaluation, administer it, be present during its administration, collect evaluations from students, or return evaluations to the department or college office.

12.2.1 A student evaluation of instruction form will normally be administered during the last week of class; or at the end of the unit of instruction for Bargaining Unit Faculty in the School of Medicine or other team taught classes.

12.2.2 To the extent permitted by law, Deans, Department Chairs and Bargaining Unit Faculty will restrict access to student evaluation forms to those persons who have a need to view the information. No student worker will be assigned to type comments from the forms if she or he is enrolled in a class taught by a faculty member from that department.

12.3 Should a Bargaining Unit Faculty Member believe that there are compelling reasons why an evaluation of a specific course in a given semester should not be considered in evaluative decisions, he or she may submit a written request for exclusion to the Department Chair. The Chair shall respond to this request in writing. Both this request and the Chair’s written response shall be appended to the Member’s annual evaluation.

12.4 The University and the AAUP-WSU recognize that student evaluations of teaching are important indicators of teaching effectiveness, but numerical scores from these evaluations alone neither confirm nor deny an individual’s effectiveness. Thus, the Chair shall consider additional
factors besides such numerical scores in evaluating a Bargaining Unit Faculty Member’s teaching.

12.4.1 Low numerical scores or scores that are below college or department averages do not confirm ineffective teaching. Additional measures are needed to determine the Bargaining Unit Faculty Member’s teaching effectiveness.

12.4.2 High numerical scores or scores above college or department averages do not confirm effective teaching. Additional measures are needed to determine the Bargaining Unit Faculty Member’s teaching effectiveness.

12.5 Any modification of the Student Evaluation of Instruction Form shall be approved by both the University and the AAUP-WSU.
Article 13
Appointment and Promotion

13.1 Regardless of the length of appointment, no Bargaining Unit Faculty Member is eligible for tenure under any circumstances, and nothing in this Agreement implies tenure.

13.1.1 Each Bargaining Unit Faculty Member not appointed in the College of Nursing and Health or the Lake Campus will have a primary appointment in an identified academic department.

13.1.2 Clinical Instructor and Clinical Assistant Professor are the ranks assigned only to those who teach courses in the College of Nursing and Health. Initial appointments are for three years and may be extended by a succeeding three-year appointment. Faculty may be appointed to the rank of Clinical Instructor or Clinical Assistant Professor upon beginning Wright State employment, depending on their credentials and experience.

13.1.3 Bargaining Unit Faculty have either fixed-term or continuing appointments.

13.1.3.1 Instructors and all ranks of Visiting Professors always have fixed-term appointments.

13.1.3.2 Lecturers, Clinical Instructors and Clinical Assistant Professors have fixed-term appointments during their first six years of employment as Bargaining Unit Faculty Members.

13.1.3.3 Lecturers, Clinical Instructors and Clinical Assistant Professors have continuing appointments beginning with the seventh year of employment as Bargaining Unit Faculty Members.

13.1.3.3 Senior Lecturers always have continuing appointments.

13.2 Fixed-term Faculty Appointments

13.2.1 Appointments for Instructors are for one year (or, if hired as a Member within an academic year, the appointment may include that partial year and the following academic year). Instructor appointments may not be extended beyond a total of six years of service. Instructor positions carry no expectation of continuing employment. Before the Member’s sixth year as an Instructor begins, the University will (a) notify the faculty member that the appointment will not be continued or (b) offer a continuing appointment as a Lecturer with no identified date of termination. That is, if the university fails to notify that Member that the appointment will not be continued, then the Member will be given a continuing appointment as a Lecturer with no identified date of termination.

13.2.2 Visiting Assistant Professor, Visiting Associate Professor, or Visiting Professor is the rank assigned to a faculty member whose education and experience is equivalent to Wright State faculty with the corresponding rank. Visiting appointments may be made for a period of up to three years. If an initial appointment is for less than three years, it may be extended when the
advertisements for the position and the appointment letter state that such extensions are possible, but the total length of a visiting appointment cannot exceed three years.

13.2.3 Bargaining Unit Faculty may be appointed to the rank of Lecturer upon beginning Wright State employment or after serving for a time as an Instructor. The university’s decision to create a Lecturer position is based on university needs, regardless of the performance level of existing Instructors.

13.2.4 Fixed-term appointments as Lecturers, Clinical Instructors, and Clinical Assistant Professors are for the smaller of (1) three years and (2) the number of years needed to bring a Member's total service as an NTE faculty member to six. Before a Lecturer or Clinical faculty member begins his or her sixth year as an NTE faculty member, the university will (a) notify that Member that the appointment will not be continued or (b) offer a continuing appointment with no identified date of termination; that is, if the university fails to notify that Member that the appointment will not be continued, then the Member will be given a continuing appointment with no identified date of termination.

13.2.5 A Member who has completed at least four years as an Instructor, with sustained outstanding performance, as documented in accordance with Section 13.5.2.2, will have the right of first refusal to accept a position as Lecturer that becomes available in her or his department provided the Instructor is qualified to teach all the courses for which the Lecturer position has been developed. If more than one Instructor is so qualified in a department then the Instructor with the most seniority, based on hire date as a Bargaining Unit Faculty Member, will have the right of first refusal. If two or more qualified Instructors have the same seniority and one has significantly stronger performance than the other(s), that Member will have the right of first refusal for a Lecturer position. Otherwise, ties will be broken at random. The Department Chair will notify all eligible Instructors in his or her department if a Lecturer position becomes available in that department, and the Dean will notify eligible Instructors at Lake Campus if a Lecturer position becomes available at Lake Campus.

13.3 Continuing Faculty Appointments. Beginning with the seventh year as a Bargaining Unit Faculty Member at the University, a Member holding the rank of Lecturer, Clinical Instructor or Clinical Assistant Professor will have a continuing appointment (meaning, here and elsewhere, a continuing appointment with no identified date of termination). Bargaining Unit Faculty with continuing appointments are not eligible for tenure, and the employment of a faculty member with a continuing appointment may be terminated pursuant to Article 15. All Senior Lecturers have continuing appointments.

13.3.1 Senior Lecturer and Clinical Assistant Professor are the ranks assigned to those who have been promoted to that rank because of sustained outstanding performance in teaching and service (as specified in Section 13.8) for a minimum of six years at the Lecturer or Clinical Instructor rank, and also to those whose initial appointment as a Bargaining Unit Faculty Member is at this rank.

13.4 Termination of Bargaining Unit Faculty Members shall be accomplished pursuant to Article 15.
13.5 Promotion from Lecturer to Senior Lecturer or Clinical Instructor to Clinical Assistant Professor.

13.5.1 Definitions.

13.5.1.1 The Promotion Document is the information that the candidate seeking promotion submits to the Department Chair summarizing his or her case for promotion. It consists of the following items:

1. The candidate review statement (Appendix A)
2. Evidence of sustained outstanding performance in teaching
   a. Annual performance evaluations for at least the six most recent years
   b. Peer evaluations of teaching (two in a given academic year) for at least two of the four most recent academic years, pursuant to Section 13.5.2.3
   c. Statistical summary and frequency distributions of all required student evaluations of teaching during the past six years
   d. List of 15 or more positive teaching-related activities from the list in Section 11.2.1.2
   e. Other evidence of outstanding teaching (optional)
3. Evidence of sustained outstanding performance in service
   a. List of significant service activities from the list in Section 11.2.2.2.1
   b. List and description of major initiatives (Section 13.8.3)
   c. List and description of significant leadership contributions (Section 13.8.3)
   d. Other evidence of outstanding service and leadership (optional)

13.5.1.2 The Promotion File consists of the Promotion Document and the following items that are added during the review process:

1. A written statement of the Department Chair
2. The form shown in Appendix C used to record votes and recommendations
3. A record of the College Senior Lecturer Promotion Committee's vote and recommendation, or, in the College of Nursing and Health a record of the College’s Clinical Assistant Professor Promotion Committee’s vote and recommendation.
4. The recommendation letter of the college Dean
5. The recommendation statement of the Provost
6. Rebuttals and supporting material (if any) filed by the candidate

At any time throughout the process and after its completion, the candidate has the right to access and obtain copies of the Promotion File.

13.5.1.3 The Senior Lecturer Promotion Committee and Clinical Assistant Professor Promotion Committee review promotion cases at the college level and make recommendations to the college Dean. Their composition and selection are specified in Section 13.5.3.1.

13.5.2 Criteria for Promotion to Senior Lecturer and to Clinical Assistant Professor.
13.5.2.1 To be promoted to the rank of Senior Lecturer, a Lecturer must have served at least six years at the Lecturer rank. To be promoted to the rank of Clinical Assistant Professor, a Clinical Instructor must have served at least six years at the Clinical Instructor rank. During that time, the Member must have demonstrated a record of sustained outstanding performance in teaching and service for a minimum of six years, which is documented in accordance with Section 13.5.2.2 and defined by Section 13.8.

13.5.2.2 Outstanding teaching and service are documented by the Chair’s annual evaluations of the Member’s performance (Article 11), peer evaluations of teaching (Section 13.5.2.3), student evaluations of teaching, and other available evidence as needed or desired. The amount of recent teaching may be limited, and effective completion of administrative responsibilities may be substituted for service work expected of non-administrative faculty.

13.5.2.3 Peer Evaluation of Teaching

Instructors, Lecturers, Clinical Instructors, and Clinical Assistant Professors without continuing appointments will receive two peer evaluations of teaching each academic year. Any other Bargaining Unit Faculty Member will receive two peer evaluations of teaching in a given academic year if by September 15 the Member asks the Department Chair, in writing, that peer evaluations of teaching be done.

13.5.2.3.1 Each peer evaluation of teaching will involve classroom observation (except for distance learning courses) and may include a review of teaching materials such as syllabi, assignments, exams etc. Each completed peer evaluation shall be sent to the Department Chair (with a copy to the evaluated Member) and kept in the Department or College office. In addition to the roles of Peer Evaluations of Teaching specified in this Article 13, they shall inform the Chair’s annual evaluations pursuant to Section 11.3.1.1.

13.5.2.3.2 Peer evaluators will be NTE Bargaining Unit Faculty with continuing appointments who hold the rank of Senior Lecturer (Clinical Assistant Professor) or TET Bargaining Unit who are tenured.

13.5.2.3.3 One peer evaluator will be chosen by the Bargaining Unit Member, and a second peer evaluator will be chosen by the Department Chair. Peer evaluators for a given academic year must be chosen no later than September 30, and one peer evaluation must be completed by the end of the fall semester.

13.5.3 Participants in Decisions of Promotion to Senior Lecturer and to Clinical Assistant Professor.

13.5.3.1 All grants of promotion to Senior Lecturer and to Clinical Assistant Professor are made by the Wright State University Board of Trustees based on review and recommendations from the following committees and individuals.

1. The candidate’s Department Chair (not applicable in the College of Nursing and Health or at the Lake Campus)
2. A College Senior Lecturer (Clinical Assistant Professor) Promotion Committee consisting of the Dean as a non-voting member and five voting members who will be elected by the college’s Bargaining Unit Faculty who hold the rank of Lecturer or Senior Lecturer (Clinical Instructor or Clinical Assistant Professor).
   - Three of the voting members will be of Senior Lecturer (Clinical Assistant Professor) rank and must hold continuing appointments. A college that does not have sufficient Senior Lecturers (Clinical Assistant Professors) may staff the committee by electing Senior Lecturers with continuing appointments from another college.
   - Two of the voting members will be Tenured TET Bargaining Unit Faculty.
   The voting members of the committee will elect a chair from among the voting members.
3. The candidate’s Dean
4. The Provost

13.5.4 Procedures for Granting Promotion to Senior Lecturer (Clinical Assistant Professor)

13.5.4.1 To initiate the Promotion Process, a faculty member must submit the Promotion Document to the Department Chair by the date specified in Appendix D. The Document becomes part of the candidate’s Promotion File and may not be altered after the candidate has submitted it, without permission of the candidate and the Department Chair; also, after the candidate has been voted on by the College Senior Lecturer (Clinical Assistant Professor) Promotion Committee, the Document may not be altered under any circumstances. Once the promotion process has begun, only the candidate may terminate the process. To do so, the candidate must submit written notice of withdrawal to the Dean, who will then convey this information as appropriate.

13.5.4.2 By the date specified in Appendix D, the Department Chair will review the Promotion Document, add a letter recommending for or against the promotion to the Promotion File, give a copy of the letter to the candidate, and transmit the Promotion File to the Dean. If the Chair reviews or otherwise takes into account materials that are not part of the individual's Promotion File, the Chair will promptly make such materials available to the candidate. The recommendation of the Chair must be based on criteria in Section 13.8 and no other. The candidate will have ten (10) working days to add a rebuttal letter to the File by submitting the rebuttal letter to the Dean; the actual deadline for the candidate to do so is specified in Appendix D.

13.5.4.3 By the date specified in Appendix D, the College Senior Lecturer (Clinical Assistant Professor) Promotion Committee will review the candidate's File and make its written recommendation, adding this recommendation to the File. The recommendation must be based on criteria in Section 13.8 and no other. If the Committee reviews or otherwise takes into account materials that are not part of the individual's Promotion File, the chair of that committee will promptly make such materials available to the candidate.

13.5.4.5 By the date specified in Appendix D, the college Dean will inform the candidate in writing of the recommendation and vote of the College Senior Lecturer (Clinical Assistant Professor) Promotion Committee, and will provide a copy of the College Committee’s written recommendation to the candidate. The candidate will have ten (10) working days to add a
rebuttal letter to the File by submitting the rebuttal letter to the Dean; the actual deadline for the candidate to do so is specified in Appendix D.

13.5.4.6 By the date specified in Appendix D, the college Dean will review the File, add a letter recommending for or against the promotion to the File, give a copy of the letter to the candidate, and transmit the Promotion File to the Provost. The recommendation must be based on criteria in Section 13.8 and no other. The candidate will have ten (10) working days to add a rebuttal letter to the File by submitting the rebuttal letter to the Provost; the actual deadline for the candidate to do so is specified in Appendix D.

13.5.4.7 By the date specified in Appendix D, the Provost will review the File, add a statement recommending for or against the promotion to the File, give the candidate a copy of the statement, and transmit the Promotion File to the University President for consideration and recommendation to the Board of Trustees. If the Provost disagrees with the Dean’s recommendation, he or she will add a written explanation to the File and promptly send a copy to the candidate.

13.5.4.8 The Board of Trustees will announce all promotions as soon as feasible.

13.6 Appeals

13.6.1 A candidate may appeal the Provost’s recommendation on the grounds that (a) an error in the described procedures materially affected the outcome, (b) the decision was not based upon the criteria in Section 13.8, or (c) the outcome was arbitrary, discriminatory or capricious. The Candidate has at least five (5) working days after receiving a copy of the statement of the Provost (Section 13.5.4.7) to notify in writing both the University President and the AAUP-WSU Grievance and Contract Administration Officer of her or his intent to file an appeal. The actual deadline in a given year is set forth in Appendix D. The appeal and all supporting documentation must be submitted to the University President and the AAUP-WSU Grievance and Contract Administration Officer by the deadline set forth in Appendix D, which is at least fifteen (15) working days after the candidate receives a copy of the statement of the Provost.

13.6.2 Upon receiving a written notification of the intent to file an appeal from one or more Bargaining Unit Faculty Members, the AAUP-WSU and the University shall form a Promotion Appeals Committee consisting of three NTE or TET Bargaining Unit Faculty Members selected by the AAUP-WSU and three department chairs, assistant deans, or associate deans who are also faculty selected by the University. In addition, the AAUP-WSU and the University will each appoint two alternate members to the Committee. Each of the members, including the alternates, selected by the AAUP-WSU must be from different colleges. Likewise each of the members, including the alternates, selected by the University must be from different colleges. The Committee will be formed within ten (10) working days after notice of intent to file an appeal is received (see Section 13.6.1). All meetings of the Appeals Committee will include exactly six voting members: three NTE or TET Bargaining Unit Faculty appointed by the AAUP-WSU and three faculty (department chairs, assistant or associate deans) appointed by the University. Any members of the Committee who have previously voted on or written a letter for the case under appeal or are from the appellant’s college shall recuse themselves.
13.6.3 The Appeals Committee shall have Co-Chairs. One Co-Chair must be elected by the Faculty appointed by the AAUP-WSU, and one Co-Chair must be elected by the faculty members appointed by the University. A single chair may be elected by both constituencies.

13.6.4 Procedures of the Promotion Appeals Committee.

13.6.4.1 If at least three members of the Committee agree, the Committee may request that the appellant or other persons with knowledge of the case appear before the Committee or respond to the Committee’s questions in writing.

13.6.4.2 Following the review of materials and testimony relevant to a given case, the Committee will determine if any of the criteria (a), (b), (c) listed in Section 13.6.1 appear to be substantiated. The Committee will then send to the University President a report stating its findings (as to whether or not any criteria listed in Section 13.6.1 appear to be substantiated), the basis for its findings, and its recommendations.

13.6.4.3 Recommendations of the Committee require a majority vote, but minority opinions must be represented in the final report if the minority so desires. All voting will be by secret ballot.

13.6.5 If the Committee is not able to reach a consensus, members of the Committee may write dissenting opinions, which shall be attached to the majority opinion. If the six-person Committee is divided three to three, then both groups will file a report. The Committee will make a good faith effort to issue its written report no later than thirty (30) working days after the appellant submits the appeal and all supporting documentation to the University President and the AAUP-WSU Grievance and Contract Administration Officer. The Committee will send its report to the University President, with copies to the appellant and AAUP-WSU.

13.6.6 Upon receiving the Committee’s report, the candidate has five working days to submit a letter of appeal to the University President.

13.6.7 Within twenty (20) working days after receiving the recommendations from the Provost and from the Appeals Committee, the President will notify the candidate in writing, with a copy to AAUP-WSU, that (a) the recommendation of the Provost is being upheld, (b) the Provost’s recommendation is being overturned, and the case being presented to the Board of Trustees for approval, or (c) that the case is being remanded in a specified way for further consideration.

13.6.8 If the Board of Trustees approves a promotion based in whole or in part on a Promotion Appeals Committee recommendation, the promotion shall be made retroactive to the normal promotion date for candidates from that department.

13.7 Promotion Grievances.

13.7.1 A promotion case not resolved by appeal (Section 13.6) may be grieved and go directly to arbitration if the AAUP-WSU concurs with the candidate that (a) an error in the described procedures materially affected the outcome, (b) the decision was not based upon the criteria in Section 13.8, or (c) the outcome was arbitrary, discriminatory or capricious. If the AAUP
submits a promotion case to arbitration it must do so within thirty (30) working days of receiving
the President’s disposition of the case (Section 13.6.7). The arbitrator will be selected by the
procedure specified in Section 16.6.1.

13.7.2 The arbitrator may remand the promotion decision being grieved with directions as to
which of the existing procedures in this Agreement are to be followed.

13.7.2.1 The arbitrator may advise on altering procedures and time limits to expedite the remand
process.

13.7.2.2 The arbitrator does not have authority to award promotion to a Bargaining Unit Faculty
Member.

13.7.3 Individuals and committees to whom a promotion case is remanded will duly consider all
advice and recommendations of the arbitrator.

13.7.4 A promotion case may be sent to arbitration no more than once every three years.

13.8. The successful candidate for promotion to Senior Lecturer or Clinical Assistant Professor
must demonstrate sustained outstanding performance in both teaching and in service for a
minimum of six years as described, below, in Sections 13.8.1 through 13.8.3.

13.8.1 Sustained Outstanding Performance in Teaching for Promotion to Senior Lecturer or
Clinical Assistant Professor

- Overwhelmingly positive student evaluations
- Excellent peer evaluations of teaching completed pursuant to Section 13.5.2.3
- Satisfies all essential teaching related behaviors set forth in Section 11.2.1.1
- Has at least 15 positive teaching-related activities from the list in Section 11.2.1.2 on
behalf of students or the department. Each annual positive teaching-related activity
counts toward the total.

13.8.2 Sustained Outstanding Performance in Service for Promotion to Senior Lecturer or
Clinical Assistant Professor

13.8.3 Sustained outstanding performance involves engaging in significant service as defined in
Section 11.2.2.2 over a minimum of a six year period and engaging in leadership in teaching or
service. Scholarship related to the practice of teaching may also count toward demonstrating
leadership. Leadership can be demonstrated by (1) major initiatives with substantial and
ongoing impact, (2) a number of significant leadership contributions that form a pattern of
continuing engagement, or (3) an equivalent combination of the two. One item from the major
initiatives list might in itself be sufficient to confirm the individual’s leadership or might only be
sufficient if combined with two to four of the items from the significant leadership
contributions list. Similarly, all items on the lists will not be of equal value. Some factors that
might impact the value are:
• The impact of the effort expended,
• The relative prestige (of awards, publications, etc.), or
• The differing levels of responsibility.

The candidate’s combined activity and achievement must be of high quality, must exceed routinely assigned teaching and service, and must include demonstrated leadership.

1. **Major initiatives** with substantial and ongoing impact include the following types of activities or the equivalent:
   a. Developing and sustaining a study abroad experience for students,
   b. Obtaining substantial internal or external funding or grant monies,
   c. Spearheading a major university project,
   d. Coordinating a major campus event involving several units within the university and continuing for multiple years,
   e. Advising a significant organization or student activity that results in regional and/or national recognition,
   f. Developing and editing a professional periodical,
   g. Writing and publishing a text book or ancillary materials adopted by multiple universities;
   h. Writing and publishing a scholarly book, article or discipline specific publication.

2. **Significant leadership contributions** should include a variety of the following types of activities or the equivalent:
   a. Developing a new course;
   b. Developing internships or service learning courses, projects and partnerships;
   c. Advising an Honors project;
   d. Obtaining moderate internal or external funding or grant monies;
   e. Providing formal and substantial faculty mentoring;
   f. Promoting student success through documented initiation of innovative strategies or a superior commitment to student advising;
   g. Receiving a university honor or recognition;
   h. Directing/coordinating a college or department program;
   i. Effectively chairing an active college or university committee;
   j. Actively serving on a college or university committee that is highly active and productive;
   k. Coordinating a college, campus or community event or a policy or process change within the college;
   l. Promoting alumni relations or engaging in fundraising
   m. Exercising leadership that draws on professional expertise outside the university
   n. Receiving a community honor or recognition;
   o. Holding an office in a professional or community organization;
   p. Effectively chairing a major government or community board;
   q. Effectively serving on a major government or community board that is highly active and productive;
   r. Providing professional consultation to community groups, government agencies or businesses;
s. Presenting a competitively selected scholarly paper or serving as a reviewer in the competitive selection of scholarly work;
t. Guest editing a professional journal.
Article 14

Discipline

14.1 The University has and retains the right to apply discipline up to and including termination of a Bargaining Unit Faculty Member pursuant to Articles 14 and 15. The University subscribes to the principles of progressive discipline except when summary action is necessary and appropriate. In determining whether or not to impose discipline and the severity of such discipline the University shall consider the severity of the Bargaining Unit Faculty Member’s conduct and his or her disciplinary record, and the provisions in Article 5, “Academic Freedom and Professional Responsibilities.”

14.1.1 The Office of the Provost shall be consulted on all disciplinary measures, and a provost or designee shall be present for all disciplinary meetings.

14.1.2 Except for suspensions pursuant to Section 14.3, disciplinary measures of suspension without pay or termination shall be imposed in accordance with procedures outlined in Article 15.

14.2 The University will not impose discipline except for just cause.

14.3 When in the judgment of the President or a provost the presence of a Bargaining Unit Faculty Member on University premises presents a threat to health or safety of any person in the University community or represents a threat of disruption of or interference with any normal and lawful activities of the University, its staff or students, the President or a provost may suspend the Member pending the disposition of the disciplinary process provided for under Articles 14 and 15. Such suspension shall be with pay, although the University is not obligated to pay a Member who has been convicted of a crime and is incarcerated for that crime. The President or a provost may also direct that the Member be removed and barred from University premises.

14.4 When the University has reason to believe an incident(s) has occurred which might constitute grounds for discipline, it may conduct an investigation.

14.4.1 As part of this investigation a chair, dean or provost may ask to speak informally with a Bargaining Unit Faculty Member about the incident, and statements made during such discussions may be used subsequently in the discipline process. Members may refuse to discuss an incident or may have an AAUP-WSU representative present at such discussions.

14.4.2 Unless there is reasonable suspicion of unlawful or criminal activity, the University shall inform the Bargaining Unit Faculty Member and AAUP-WSU in writing of the allegation(s) if the University undertakes a formal investigation involving third parties, the keeping of formal records, or multiple interviews with the Member toward whom the allegations are directed.

14.4.3 The University will notify the AAUP-WSU in advance of any meeting to be held with a Bargaining Unit Member as part of a formal investigation that could lead to disciplining that Member. The Member has the right to be accompanied by an AAUP-WSU representative at any such meeting.
14.5 Before imposing disciplinary action, a department chair, dean, or provost will hold a disciplinary meeting with the Bargaining Unit Faculty Member to discuss the charge(s) against the Member and provide the Member with an opportunity to present his or her case.

14.5.1 The Bargaining Unit Faculty Member shall be given the opportunity to be accompanied by an AAUP-WSU representative at the disciplinary meeting.

14.5.2 Unless the Member and representatives from both the AAUP-WSU and the University agree to a shorter time, at least five (5) working days before the disciplinary meeting, the University shall notify both the Bargaining Unit Faculty Member and the AAUP-WSU of the specific charge(s) to be discussed at the meeting.

14.5.3 If the matter is not disposed of by mutual agreement at the disciplinary meeting and the University decides to impose discipline more severe than a letter of reprimand, the University shall send the Bargaining Unit Faculty Member and the AAUP-WSU a written statement of the charges and the discipline imposed. Such statement will be signed by a provost.

14.5.4 For serious or repeat offenses, discipline the University might impose includes but is not restricted to the following measures: required training (such as diversity or anger management); denial of summer teaching opportunities; paid suspension; unpaid suspension pursuant to Article 15; and termination pursuant to Article 15. The University will pay for the costs incurred the first time a Member is required to undergo training as a disciplinary measure.
Article 15
Termination of Appointment or Suspension without Pay

15.1 The University has and retains the right to terminate or to suspend without pay the employment of a Bargaining Unit Faculty Member. In addition to resignation or retirement, faculty appointments may be terminated due to (1) retrenchment, pursuant to Article 17, (2) completion of a fixed-term appointment, (3) poor performance, (4) enrollment or curricular changes that eliminate the need for their services pursuant to Section 15.4, and (5) just cause pursuant to Section 15.5. The University may also suspend a Bargaining Unit Faculty Member without pay for just cause pursuant to Section 15.5.

15.2 Termination at the Completion of Fixed-term Appointments. Faculty on fixed-term appointments (Instructors, Visiting Professors, and those Lecturers and Clinical Faculty who are in their initial appointment periods) are automatically terminated at the conclusion of their appointments unless the university either offers them a succeeding appointment or fails to give notification, pursuant to Section 13.2.1 or 13.2.4, that the appointment will not be continued.

15.2.1 The University will make a good faith effort to notify Members by February 1 of the year their fixed-term appointment expires whether or not they will be offered a succeeding appointment.

15.2.2 Notice of termination is not required for faculty who complete fixed-term appointments. Even if succeeding appointments had been received in earlier years, faculty on fixed-term appointments should not expect that their employment will continue after the fixed-term unless they have received a written offer of continuation from their dean.

15.3 Termination for Poor Performance. Bargaining Unit Faculty in all ranks on fixed-term or continuing appointments may be terminated for poor performance. When notified in writing by February 1 of their first academic year’s service, faculty will be terminated at the conclusion of that academic year. Following the first year, the university will provide written notice at least twelve months in advance of termination. Notice is not required, however, if the Member’s fixed term appointment expires before a termination for poor performance would have taken effect.

15.3.1 Fixed-term faculty may be terminated for poor performance if:

1. the performance was specified in a written evaluation,
2. the faculty member was given a reasonable amount of time (normally, at least one semester) to address the unsatisfactory performance, and
3. the unsatisfactory performance continued.

15.3.2 A Bargaining Unit Faculty Member with a continuing appointment may be terminated for persistent poor performance as specified in Section 15.3.2a below, or for deficiencies in teaching that are so severe that the Member is not minimally effective. Symptoms of poor teaching performance may include (but are not limited to)
• a pattern of classes that are missed without suitable reason (e.g., illness, approved professional travel) or of missed advising appointments
• persistent and justified complaints from students or peers
• persistently erratic classroom behavior
• persistent failure to be reasonably available to students and advisees
• persistent failure to communicate effectively with students
• a pattern of irresponsible or unprofessional conduct with or in the presence of students in a university setting
• persistent failure to comply with the established curriculum
• persistently outdated or inappropriate course content

15.3.2a Persistent poor performance pursuant to Section 15.3.2 must have been specified in a written evaluation, in which the department chair states that the performance is so substandard that it could be grounds for dismissal. The Member must then be provided a reasonable amount of time (normally, at least one semester) to correct the identified deficiencies. If the substandard performance continues, the department chair must specify, in writing, the basis for concluding that the Member’s performance is persistently poor.

15.3.2.1 If the Dean believes that a Bargaining Unit Faculty Member (hereinafter, "Member") with a continuing appointment should be dismissed due to poor performance according to the criteria in Section 15.3.2, then the Dean shall notify the Provost. The Dean’s notification shall specify whether the Member has persistent poor performance as specified in Section 15.3.2a above, or exhibits deficiencies in teaching that are so severe that the Member is not minimally effective.

15.3.2.2 Informal hearing: The Provost or designee shall call a meeting with the Dean, the Member, and a representative of the AAUP-WSU, and shall clearly inform the Member and AAUP-WSU that the meeting is the informal hearing stage of a process that might lead to dismissal. The purpose of this meeting shall be to reveal and clarify all related facts in the matter and to attempt resolution of it through informal discussion. One additional meeting will occur if either the Member or the Provost (or designee) wishes. Additional meetings may occur provided the Provost or designee and the Member believe that further meetings will serve a useful purpose.

15.3.2.3 Formal hearing: If after the informal hearing, the Provost or designee determines that termination due to poor performance should be considered, he or she shall call for the creation of a Hearing Board.

15.3.2.4 The Hearing Board shall consist of six members and four alternate members: three members and two alternates will be selected by the AAUP-WSU and also by the University. Each Hearing Board member must either have tenure, be a Senior Lecturer, or be a Clinical Assistant Professor with a continuing appointment, and all should be selected on the basis of their objectivity and competence and of the regard in which they are held in the academic community.

15.3.2.5 The Provost or designee shall provide written notice to the Member and the Dean, stating that a formal hearing will be held and listing the members of the Hearing Board,
including alternate members. Within ten calendar days after receiving notice of the intended hearing, the Member is entitled to remove at most two members of the Hearing Board selected by AAUP-WSU and at most two selected by the University. After the Member has been given the opportunity to exercise his or her right to remove members or alternate member of the Hearing Board as specified above, the AAUP-WSU and the University will respectively add alternates to the Hearing Board, as needed, so that the Hearing Board consists of three members named by the University and three members named by the AAUP-WSU.

15.3.2.6 The President of AAUP-WSU (or designee) and the Provost (or designee) will convene the Hearing Board, and at this time the Hearing Board will elect a Chair or Co-Chairs and determine the rules governing the hearing. The Hearing Board shall communicate in writing the scheduled date, place, and time of the hearing and provide to all parties concerned an explanation of the rules under which the hearing shall be conducted.

15.3.2.7 The University will provide access to all available evidence and give the names of all potential witnesses to the Member and AAUP-WSU in a timely manner.

15.3.2.8 Both the Member and the Dean or designee may confront and cross-examine witnesses, present and summon witnesses, and be present to hear all evidence and arguments given at all meetings of the Hearing Board. The Member may be accompanied, advised, and/or represented by any fulltime WSU faculty member. Both the AAUP-WSU and the University are entitled to have representatives present at any hearing. Members of the Hearing Board may question all witnesses appearing before the Board. The Dean or designee has the burden of demonstrating to the Hearing Board that, on the basis of clear and convincing evidence, the assertion of poor performance according to the criteria in Section 15.3.2 is true. The hearing shall be conducted in private with only the AAUP-WSU and the University representatives, and those summoned as witnesses or directly involved in the matter present. Subject to the approval of the Member, the Dean or designee, and the Hearing Board, observers can be present at the hearing.

15.3.2.9 When all witnesses summoned and able to appear have presented testimony and when cross-examination has been conducted, the Board shall retire to make its evaluation as to whether or not, on the basis of clear and convincing evidence, the assertion of poor performance according to the criteria in Section 15.3.2 is true. This evaluation of the Hearing Board shall be made by a majority vote of all its members and immediately shall be communicated in writing to the University President, the Member, the AAUP-WSU, and the Dean. A verbatim, written record of the hearing shall be sent to the University President, the Member, the AAUP-WSU and the Dean as soon as possible following the conclusion of the hearing. (This verbatim record may be taken by a stenographer or transcribed from electronic recording equipment.)

15.3.2.10 Within twenty (20) working days after receiving the evaluation of the Hearing Board, the President will (a) recommend to the Board of Trustees that the Member be terminated, or (b) dismiss the assertion that the Member’s performance warrants termination. Both the Member and AAUP-WSU will be promptly notified, as will the Dean.

15.3.2.11 Should the final decision be for termination, it shall not become effective until the end of the academic or fiscal year, except where otherwise ordered by the University Board of
Trustees, which can require severance of the Bargaining Unit Faculty Member’s relationship with students and the University prior to the end of the academic or fiscal year when it finds the situation to be of extreme gravity.

15.3.2.12 At the sole discretion of the AAUP-WSU, the final decision may be taken directly to binding arbitration. The timelines, procedures and the costs of arbitration will be governed by the provisions concerning arbitration in Section 16.6.

15.4 A Bargaining Unit Faculty Member with a continuing appointment may be terminated for lack of need if

(a) enrollment declines extending over at least three academic semesters
or
(b) curricular changes

have resulted in reduced demand that eliminates the need for more than half of the Member’s annual teaching load (which load shall include “alternate classes that the Member is qualified to teach” pursuant to Section 15.4.1).

15.4.1 Before terminating a Member for lack of need, the University will make a good faith effort to find alternate classes that the Member is qualified to teach. In particular, the University shall assign classes to the Member that would otherwise be taught by persons who are in neither the TET or the NTE Bargaining Unit.

15.4.2 Terminations for lack of need will be done by inverse order of seniority pursuant to Sections 17.6.2 – 17.6.4.3.

15.4.3 For two years following a termination for lack of need, the University will provide the terminated Member the opportunity to teach classes he or she is qualified to teach before assigning the classes to a non-bargaining unit faculty member. For such teaching, the terminated Member will be paid a rate proportionate to pay he or she would have received for teaching the class on a full time basis. Thus, a Member who had an annual teaching load of seven classes would be employed as an adjunct and paid at rate equal to one-seventh of her or his full-time salary for each class taught.

15.4.4 If, within two years of a Member’s termination for lack of need, the University opens a full-time teaching position for which the terminated faculty member is qualified, the terminated Member shall be offered that position.

15.4.5 When a dean anticipates terminating a Member(s) for lack of need, he or she shall notify the Provost and the AAUP-WSU.

15.4.6 The Provost or designee shall call a meeting with the Dean, the Member(s), and a representative of the AAUP-WSU. The purpose of this meeting shall be to reveal and clarify all related facts in the matter and to explore whether there are reasonable alternatives to termination.
Additional meetings may occur provided the Provost or designee and either the Member or the AAUP-WSU believe that further meetings will serve a useful purpose.

15.4.7 If, following the meeting, the Provost believes that termination is necessary, he or she will provide a written statement to the Member(s) and to the AAUP-WSU explaining the basis for the termination(s).

15.4.8 Within twenty working days after receiving the Provost’s written statement, the Member may submit a written rebuttal to the President, as may AAUP-WSU.

15.4.9 Within twenty working days after receiving a written rebuttal from the Member and/or AAUP-WSU, the President will send a written statement to the Member and the AAUP-WSU confirming or reversing the termination(s). If the final decision is for termination, the Member will not be terminated any sooner than one year following the date of the written statement confirming the termination. Alternatively, the University pay salary and provide full benefits for all or part of the one year.

15.4.10 At the sole discretion of the AAUP-WSU, the final decision may be taken directly to binding arbitration. The timelines, procedures and the costs of arbitration will be governed by the provisions concerning arbitration in Section 16.6.

15.5 Termination or suspension without pay for Just Cause.

15.5.1 Just cause terminations or suspensions without pay may be based on (a) fraudulent credentials pertaining to employment at WSU; (b) demonstrated incompetence or dishonesty in teaching, scholarship, or professional service; (c) substantial and manifest neglect of duty, (d) personal conduct which presents a serious threat to health or safety of any person in the University community, manifests severe and continuing harassment or discrimination, or otherwise substantially impairs the Bargaining Unit Faculty Member’s fulfillment of the institutional responsibilities; (e) malicious conduct that directly obstructs the performance of instructional or scholarly programs authorized or permitted by the university; or (f) conviction of a crime involving an offense of violence as defined in division (A)(9)(a) of Section 2901.01 of the Ohio Revised Code as of January 1, 2008 or a substantially equivalent offense under a municipal ordinance. The effective date of a termination or a suspension without pay for just cause shall be effective on a date selected pursuant to Section 15.5.13.

15.5.2 Charges may be initiated against a Member of the Bargaining Unit by an administrator who is a tenured faculty member. Such charges shall be made in writing with reasonable particularity of the grounds for termination or suspension without pay based on one or more of the categories in Section 15.5.1 and shall be presented to the President of the University.

15.5.3 The University President shall, as soon as possible, inform the accused Bargaining Unit Faculty Member and the AAUP-WSU in writing of the charges, specifying which one or combination of the categories in Section 15.5.1 comprise the basis of the charges.
15.5.4 **Informal hearing:** Before a formal hearing is conducted the University President or designee shall call a meeting with the charging party, the accused Bargaining Unit Faculty Member, and a representative of the AAUP-WSU. The purpose of this meeting shall be to reveal and clarify all related facts in the case and to attempt resolution of the matter through informal discussion. Additional meetings may occur provided the University President or designee and the Bargaining Unit Faculty Member being charged believe that further meetings will serve a useful purpose.

15.5.5 **Formal hearing:** If after the informal hearing, the University President or designee determines that charges are warranted, he or she shall call for the creation of a Hearing Board of six members.

15.5.6 The Hearing Board shall be created in the following manner: the AAUP-WSU and the University shall form a Hearing Board consisting of three persons, each of whom shall either be a Bargaining Unit Faculty Member with a continuing appointment or a tenured member of the TET Bargaining Unit, selected by the AAUP-WSU and three department chairs, assistant or associate deans who are tenured faculty selected by the University. In addition, the AAUP-WSU and the University will each appoint two alternate members to the Board who must satisfy the conditions above. The AAUP-WSU and the University shall select the members of this Board on the basis of their objectivity and competence and of the regard in which they are held in the academic community.

15.5.7 The President or designee shall notify in writing the accused Bargaining Unit Faculty Member and the administrator initiating charges of the intended hearing and of the composition of the Hearing Board, including alternate members. Within ten calendar days after receiving notice of the intended hearing, the accused Member is entitled to remove at most two members of the Hearing Board selected by AAUP-WSU and at most two selected by the University. After the Member has been given the opportunity to exercise his or her right to remove members or alternate members of the Hearing Board as specified above, the Hearing Board will be convened by the President of AAUP-WSU (or designee) and the Provost (or designee). At this time the Committee will elect a Chair or Co-Chairs and determine the rules governing the hearing. The Hearing Board shall communicate in writing the scheduled date, place, and time of the hearing and provide to all parties concerned an explanation of the rules under which the hearing shall be conducted.

15.5.8 The University will provide access to all available evidence and give the names of all potential witnesses to the accused Member, the Member’s counsel (who, here and elsewhere in the article, shall be at the Member’s expense), and AAUP-WSU in a timely manner.

15.5.9 Both the accused Bargaining Unit Faculty Member and the administrator initiating charges may be represented by counsel, confront and cross-examine witnesses, present and summon witnesses, and be present to hear all evidence and arguments given at all meetings of the Hearing Board. Both the AAUP-WSU and the University are entitled to have representatives present at any hearing. The accused Bargaining Unit Faculty Member may choose not to testify or answer questions at this hearing. However, such failure may be taken into consideration by the Hearing Board. Members of the Hearing Board may question all witnesses appearing before the
Board. The charging party has the burden of proving to the Hearing Board that, on the basis of clear and convincing evidence, the charges are true. The hearing shall be conducted in private with only the AAUP-WSU and the University representatives, the Member’s counsel (if the Member chooses to be represented by counsel) and those summoned as witnesses or directly involved in the dispute present. Subject to the approval of the accused, the charging party, and the Hearing Board, observers can be present at the hearing.

15.5.10 When all witnesses summoned and able to appear have presented testimony and when cross-examination has been conducted, the Board shall retire to make its recommendation. If it finds against the accused, the Hearing Board may recommend such penalty as it deems fair and appropriate, including termination, or suspension without pay, or lesser penalties. All decisions of the Hearing Board shall be made by a majority vote of all its members, and its recommendation immediately shall be communicated in writing to the University President, the accused Bargaining Unit Faculty Member, the AAUP-WSU, and the charging party. A verbatim, written record of the hearing, including all findings and recommendations, shall be sent to the University President, the accused, the AAUP-WSU and the charging party as soon as possible following the conclusion of the hearing. (This verbatim record may be taken by a stenographer or transcribed from electronic recording equipment.)

15.5.11 Within twenty (20) working days after receiving the recommendation of the Hearing Board, the President will (a) recommend to the Board of Trustees that the accused be either suspended without pay for an identified period of time or terminated, (b) dismiss the charges, or (c) impose a specified lesser penalty. Both the accused Member and AAUP-WSU will be promptly notified.

15.5.12 Before the Board of Trustees approves either suspension without pay or termination, the accused shall have the right to appear before the Board with counsel and a representative of the AAUP-WSU.

15.5.13 Should the final decision be for termination or for suspension without pay, it shall not become effective until the end of the academic or fiscal year, except where otherwise ordered by the University Board of Trustees, which can require severance of the Bargaining Unit Faculty Member’s relationship with students and the University prior to the end of the academic or fiscal appointment when it finds the conduct or situation to be of extreme gravity. A penalty of suspension without pay shall not exceed one year, and during this year a suspended Bargaining Unit Faculty Member may purchase benefits from the University at his or her own expense.

15.5.14 At the sole discretion of the AAUP-WSU, the final decision may be taken directly to binding arbitration. The timelines, procedures and the costs of arbitration will be governed by the provisions concerning arbitration in Section 16.6.
Article 16
Grievance and Arbitration

16.1 The parties recognize and endorse the importance of establishing a prompt, fair and efficient mechanism for the orderly resolution of complaints and agree to make every effort to encourage the informal resolution of complaints before they become formal grievances. Any formal or informal resolution achieved must be consistent with the terms of this Agreement. The procedures set forth in this article shall be the sole and exclusive method of disposing of grievances.

16.2 Definitions.

16.2.1 Grievance: A grievance is an alleged violation of (1) a specific provision(s) of this Agreement, (2) procedures set forth in college bylaws or department bylaws, or (3) a signed agreement between AAUP-WSU and the University unless that agreement specifically precludes a grievance or specifies an alternative procedure for resolving disputes.

16.2.2 If the AAUP-WSU files a grievance on behalf of a group, the outcome will apply equally to all applicable Members of the Bargaining Unit.

16.2.3 Grievant: A Grievant is a Bargaining Unit Faculty Member or group of Bargaining Unit Faculty Members who has a grievance or the AAUP-WSU acting on behalf of Members of the Bargaining Unit.

16.2.4 In this article, “the Provost” refers to the Chief Academic Officer of the University or the individual authorized to act on behalf of the Provost to resolve grievances. “A provost” refers generally to the Provost or any Assistant or Associate Provost.

16.2.5 Respond and File: The terms “respond” and “file,” as used in this article, refer to personal delivery or deposit in the U.S. mail. The post mark date in the case of U.S. mail or calendar date of written receipt in the case of personal delivery shall begin the time period for filing or response. Notifications will be sent to the Grievant at the address that appears on the grievance form. Copies of all notifications will be sent to the AAUP-WSU and to the Provost.

16.2.6 Time Limits: Time limits referred to in this article as “days” shall be defined as Monday through Friday throughout the calendar year, excluding Saturdays and Sundays, formal holidays recognized by the University, and periods when the University is officially closed.

16.2.7 Basic Provisions: Except as specified in Sections 13.7 and 15.5.14, all applicable steps of the grievance procedure set forth in this Agreement will be pursued to completion before any application for arbitration will be made, unless the AAUP-WSU and the University enter into a written agreement to proceed directly to arbitration.

16.2.8 Unless extended by mutual consent, in writing, the time limits specified herein will be the maximum time allowed. If the University fails to comply with the time limits to respond, the
Grievant may advance the grievance to the next step by sending a letter of notification to the administrator at the next step. Failure to advance the grievance shall render the grievance moot.

16.2.9 Provisions for grievances regarding promotion are described in Section 13.7. Provisions for initiating grievances regarding annual evaluation are described in this Article 16.

16.3 Informal Complaint Procedure: The parties intend and agree that all disputes should be resolved informally, whenever possible, before the filing of a formal grievance, and the parties encourage open communications so that resorting to the formal grievance procedure will not be necessary. To this end, Bargaining Unit Faculty are encouraged to present a complaint to a chair, dean, or provost who the Grievant believes to be most likely able to resolve the complaint as soon as practical for the purposes of resolving the dispute. A discussion of the complaint between the Grievant and the administrator to whom the complaint is presented shall occur at a mutually agreeable time not later than five (5) days after the request for a discussion regarding the complaint. Unless otherwise agreed by both the Grievant and administrator to whom the grievance is presented, only the grievant and this administrator will be present at the meeting to discuss the complaint. However, a grieving party has the right to be advised or assisted by the AAUP-WSU in attempting to secure informal resolution, but such assistance is not required. Any settlement, withdrawal, or other disposition of a complaint at the informal stage shall not constitute a binding precedent in the settlement of complaints or grievances.

16.4 Grievance Step One: A Bargaining Unit Faculty Member(s) or the AAUP-WSU may file a grievance with the Dean (for grievances directed at the Department Chair) or the Provost (for grievances directed at the Dean, a provost, or the University) not later than forty (40) days after the event giving rise to the grievance or no later than forty (40) days after the Grievant knew or reasonably should have known of the event giving rise to the grievance.

16.4.1 The Grievant shall state clearly on the grievance form jointly developed by the University and the AAUP-WSU the nature of the grievance, the contractual provision(s) allegedly violated, the dates when the alleged act or omission giving rise to the grievance occurred, the remedy sought, and the Grievant’s preferred mailing address. The Grievant shall also sign the form and submit a copy to AAUP-WSU, the appropriate administrator and the Provost at the time of filing. If the Grievant is the AAUP-WSU, the grievance form shall so state and the grievance may be filed with a dean or the Provost, depending on the nature of the allegation. In the case of a grievance filed by the AAUP-WSU, the President or Designee of AAUP-WSU shall sign the grievance form and shall be the AAUP-WSU’s representative.

16.4.2 The University shall inform AAUP-WSU of any grievance meeting and AAUP-WSU has the right to be present at any grievance meeting. The Dean or Provost may also have a second person attend any grievance meeting. No attorney representing either party will attend any grievance meeting.

16.4.3 The Dean or the Provost shall hold a meeting with the Grievant and the AAUP-WSU’s representative (if the AAUP elects to be present) at a mutually agreeable time and location within ten (10) days after the grievance was filed and shall then respond in writing to the Grievant and the AAUP-WSU no later than fifteen (15) days after the completion of the
grievance meeting(s). If the Grievant or the AAUP-WSU does not accept the Step One answer, either may, within fifteen (15) days, file a Step Two grievance with the Provost. However, if the Step One grievance was filed with the Provost pursuant to Section 16.4 and the AAUP-WSU is not satisfied with the Step One answer, it shall have the sole right to submit the grievance to arbitration by an external arbitrator within thirty (30) days after receiving the Step One answer, in which case the Step Two procedure detailed in the following paragraph shall not apply.

16.5 Grievance Step Two: Upon receiving a Step Two grievance, the Provost shall hold a meeting with the Grievant and the AAUP-WSU’s representative (if the AAUP elects to be present) at a mutually agreeable time and location within ten (10) days after the Provost has received the grievance. The purpose of this meeting is to discuss and attempt to resolve the grievance. The Provost shall respond in writing to the Grievant and the AAUP-WSU no later than fifteen (15) days after the completion of the grievance meeting(s).

16.6 Arbitration: If the AAUP-WSU is not satisfied with the Step Two answer, it shall have the sole right to submit the grievance to arbitration by an external arbitrator, within thirty (30) days after receiving the Step Two answer.

16.6.1 If the AAUP-WSU elects to pursue external arbitration, representatives of the AAUP-WSU and of the Provost shall meet within ten (10) days to select an arbitrator. In the event the parties are unable to agree upon an arbitrator, the parties shall ask either the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS) to provide fifteen names. If the parties are unable to agree on which of the 15 nominees shall serve as an arbitrator, then the arbitrator will be chosen by each party alternately striking names.

16.6.2 The arbitrator’s decision shall be final and binding upon the Grievant(s), the AAUP-WSU, and the University and shall be rendered within thirty (30) days after the arbitration hearing record is closed.

16.6.3 The cost of the arbitration shall be borne equally by the University and the AAUP-WSU except that costs related to the appearance of any witness shall be paid by the party who calls that witness. If a court reporter is requested and a transcript ordered by only one party, the court reporter’s attendance fee, and the cost of transcripts for that party and the arbitrator shall be borne by the requesting party. If both sides request a transcript, the court reporter’s fee and the cost of the transcripts shall be split equally between the parties.

16.6.4 Remedies. An external arbitrator hearing a grievance shall be bound by the following restrictions:

16.6.4.1 The arbitrator’s decision shall be limited to only the question or questions submitted for decision;

16.6.4.2 The arbitrator shall not substitute a judgment for that of the University where the University’s judgment and actions do not violate the written provisions of this Agreement;
16.6.4.3 The arbitrator shall have no authority to add to, subtract from, alter, change or modify any of the provisions of this Agreement;

16.6.4.4 The arbitrator shall not render any decision which would result in the violation of state or federal law; and

16.6.4.5 The arbitrator shall make no award that provides a Bargaining Unit Faculty Member compensation greater than would have resulted had there been no violation.

16.7 A Member of the Bargaining Unit who participates in a grievance procedure will not be subject to disciplinary reprisal because of such participation.

16.8 To investigate and process a grievance, either party shall be provided the opportunity to inspect and/or copy any relevant information possessed by the other party. Such access will be provided within five (5) days after the delivery of a written request to the Provost or the AAUP-WSU President. However, the requesting party is not entitled to any information that is confidential under any applicable law. In addition, the requesting party is entitled to view information in its existing form only.

16.9 No changes can be made to a grievance form once it is filed under Section 16.4 except as follows: After completing Step Two and before submitting a grievance to arbitration, the Grievant may change or add to the specific provision(s) of the Agreement allegedly violated. In such cases, the amended grievance will be resubmitted to the Provost, who no later than ten (10) days after receiving the amended grievance form shall reconfirm his or her original Step Two written response, offer an amended written response, or call another Step Two meeting in accordance with Section 16.5.
Article 17
Retrenchment

17.1 Retrenchment is defined in this Agreement as the termination of Bargaining Unit Faculty Member(s) with continuing appointments as a result of any of the following three circumstances: (1) financial exigency; (2) significant reduction in enrollment of a college, department, or program continuing over four or more academic semesters (not counting summer) and which is expected to persist; or (3) discontinuation of a college, department or program. Financial exigency means that severe financial problems exist which threaten the University’s ability to maintain its operations at an acceptable level of quality.

17.2 Should the University President anticipate the need for retrenchment that includes termination of Bargaining Unit Faculty, the data and information upon which this decision is based shall be provided to the AAUP-WSU.

17.3 The AAUP-WSU shall be provided access and the opportunity to inspect and/or copy any information relevant to the anticipated retrenchment within ten (10) calendar days after the delivery of a written request to the Provost. However, the AAUP-WSU is not entitled to any information that is confidential under any applicable law. In addition, the AAUP-WSU is entitled to view information in its existing form only.

17.4 Within sixty (60) calendar days after receipt of the data and information in Section 17.3 a joint Committee on Retrenchment, with three members appointed by the University and three members appointed by the AAUP-WSU, shall submit its advisory recommendations to the University President. Such recommendations may include ways to relieve the exigency by raising additional funds, by reallocating funds, or by cutting or eliminating specified activities.

17.4.1 In making its recommendations, the Committee on Retrenchment shall give consideration to long-term enrollment projections, the mission of the University as a whole, the continued accreditation of academic units, the effect on joint programs with other institutions, and the impact on the students registered in the programs.

17.4.2 In the case of an anticipated reduction in size or discontinuation of a College, Department, or Program, the Committee on Retrenchment’s recommendations shall include consideration of–

- its historical role and contributions in the University’s educational, scholarly and service mission, and those long-range circumstances which may have changed to alter that role and those contributions;
- the dependence of other programs in the University on the College, Department, or Program;
- duplication elsewhere in the University of courses, research or services offered through the department, college or program, and possible organizational arrangements which might serve as alternatives to discontinuation;
- arrangements which can be made to allow students enrolled to satisfy degree or certificate requirements;
• stature of its faculty and alumni, and the possible consequences to the academic stature of the University through discontinuation;
• the profile of ages, periods of service and tenure status of its Bargaining Unit Faculty Members and an estimate of their possible usefulness elsewhere within the University; and
• possible arrangements for planned phasing out of the College, Department, or Program as an alternative to abrupt discontinuation.

17.5 The President shall forward the recommendations of the Committee on Retrenchment along with his or her recommendations to the Board of Trustees.

17.6 Procedures for Retrenchment.

17.6.1 The University shall, in good faith, consider whether the need for retrenchment can be alleviated through normal attrition or other alternatives to retrenchment. If doing so will prevent or minimize the need for retrenchment of Bargaining Unit Faculty Members, the University will cease using adjunct faculty and temporarily increase teaching loads of Members within a department, within a college, or university-wide. In making its decisions about retrenchment, the University shall, in good faith, give consideration to the factors listed in Sections 17.4.1 and 17.4.2.

17.6.2 Consistent with the operating needs of the level of organization the University has deemed appropriate for retrenchment, the University shall retrench faculty by rank in inverse order of seniority within the unit(s) identified for retrenchment.

17.6.3 Visiting faculty will be retrenched before Instructors, who will be retrenched before Lecturers, who will be retrenched before Senior Lecturers within a particular Program, Department or College. In like fashion, Clinical Instructors will be retrenched before Clinical Assistant Professors.

17.6.4 Within each academic rank, seniority shall be calculated from the earliest date of continuous University employment.

17.6.4.1 Leaves with pay shall count as years of service for seniority.

17.6.4.2 While unpaid leaves shall not count as years of service for seniority, neither do they constitute a break in continuous University employment.

17.6.4.3 Periods of continuous employment wherein an individual is outside the Bargaining Unit shall count as years of service for seniority.

17.6.5 Before retrenching a Bargaining Unit Faculty Member(s) the University will remove teaching responsibility from all unclassified staff members who teach in that Member’s Department, unless it can be shown that the staff member is academically essential to the continuation of the academic mission of that Department or that the staff member’s continued teaching does not diminish teaching opportunities for Bargaining Unit Faculty Members.
17.6.6 To meet operating needs of the unit(s) being reduced, the University will retain specific Bargaining Unit Faculty Members who are best qualified to meet programmatic, curricular, or other needs.

17.6.7 The termination of a Bargaining Unit Faculty Member may not be necessary if his or her salary is paid by restricted funds.

17.6.8 Bargaining Unit Faculty Members whose positions are terminated shall be offered available faculty positions for which they are fully qualified or for which they can become fully qualified within the period of their notification of termination as specified in Section 17.6.9. Where feasible, the University will consider relocating Bargaining Unit Faculty Members in a non-faculty position, as an alternative to termination.

17.6.9 A Bargaining Unit Faculty Member whose appointment is terminated shall receive salary and benefits (or notice) in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Service as a Full-Time Faculty Member</th>
<th>Salary and Benefits (or Notice)</th>
</tr>
</thead>
<tbody>
<tr>
<td>less than nine months</td>
<td>end of the fixed appointment or three months, whichever is less</td>
</tr>
<tr>
<td>at least nine months but less than eighteen months</td>
<td>end of the fixed appointment or six months, whichever is less</td>
</tr>
<tr>
<td>at least eighteen months but less than six years</td>
<td>end of the fixed appointment or twelve months, whichever is less</td>
</tr>
<tr>
<td>at least six years but less than ten years</td>
<td>Current academic year plus twelve months</td>
</tr>
<tr>
<td>at least ten years</td>
<td>Current academic year plus twelve months (eighteen months minimum)</td>
</tr>
</tbody>
</table>

17.7 The University shall not fill a position in a discipline in which a Bargaining Unit Faculty Member with a continuing appointment, who has been retrenched, is professionally qualified for a period of two (2) years from the date of termination of service, unless the position is first offered to that Member and he or she is given at least thirty (30) days to decide whether to accept or decline the position. The Bargaining Unit Faculty Member shall be able to complete the term of his or her current employment (up to one year) before beginning the recalled position at Wright State University.
Article 18
Institutional Environment

18.1 The University recognizes the importance of an adequate working environment and supporting services to promote effective teaching and learning. Therefore, within the limits of available space and resources, the University shall make a good faith reasonable effort to provide each Member of the Bargaining Unit the following:

18.1.1 suitable office space and furniture, phone, and network-compatible computer with access to either a network or personal printer;

18.1.2 access to copying services for their reasonable academic copying needs;

18.1.3 office and classroom supplies; and

18.1.4 library resources, computing systems with technical support, classrooms, and laboratories that are responsive to Bargaining Unit Faculty and student needs and consistent with standards of quality recognized at the national level.

18.2 The University will make a good faith effort to respond in a timely fashion to reasonable requests from Bargaining Unit Faculty for measures to secure hazardous materials.

18.3 Laboratories used by Members will be in compliance with O.S.H.A. standards.

18.4 Professional Development Fund: The purpose of the Professional Development Fund is to afford each Bargaining Unit Member the opportunity to improve the practice of teaching and to support individual Members’ teaching in pursuit of the goals of the university. Both the University and the AAUP-WSU recognize the importance of continuous improvement in the skills and accomplishments of the faculty in these areas.

18.4.1 During the fiscal year of this contract each college shall make available a sum of no less than $500 for each NTE Bargaining Unit Member for professional development. Professional development expenses may include but are not limited to: travel, software, hardware, books, journals, and supplies that directly support the Member’s teaching or research that is directly related to teaching. This fund is not to be used for professional memberships unless such are needed in order to obtain publications not otherwise readily available. This fund shall not be used either to supplant routine computer hardware replacements or to obtain software for which the University purchases a site license. It may be used to replace hardware more frequently than the usual scheduled replacement cycle or to upgrade existing hardware.

18.4.2 Funds not used during the 2013-2014 fiscal year will remain available to the Member in the 2014-2015 fiscal year.

18.4.3 Disbursements from these funds must be approved by the Member’s dean or designee. To request funds, a Member must submit to his or her department chair a written request that
includes a statement describing how the requested travel or materials will enhance the Member’s teaching or contribute to the practice of teaching.

18.4.4 The impact or result of professional development funding should be reflected in each Member’s annual faculty activity report.

18.4.5 Deans are not required to disburse faculty development funds to Members with a continuing pattern of poor performance, to Members who have not reasonably demonstrated productive use of past funds, or to Members whose requests do not show a direct relationship between the requested expenditure and their own teaching or their contributions to the practice of teaching.

18.4.6 Nothing in this article precludes Deans and/or Department Chairs from providing additional funds for travel or to support other professional development activities or needs.

18.5 Academic Services Committee. The University and the AAUP-WSU agree that service units which are responsive to faculty needs are essential in order for the core missions of Wright State University in teaching and research to be accomplished. To this end, the parties will maintain an Academic Services Committee to review and make recommendations regarding the services provided to faculty in support of their teaching and research by Computing and Telecommunication Services (CaTS), the Center for Teaching and Learning (CTL), the Office of the Registrar, and the Physical Plant.

18.5.1 Committee Membership. The Academic Services Committee shall have seven members, each of whom will be a faculty member, and none of whom can be a director of or otherwise directly affiliated with any of the four units named in Section 18.5. In the fall of every even numbered year, AAUP-WSU will appoint a member from the Lake Campus to serve on that year’s committee, and in the fall of every odd numbered year, the University will appoint the Lake Campus representative. Of the remaining six members of the committee, three will be appointed by AAUP-WSU and three by the University.

18.5.2 Each fall, the office of the Provost will arrange for an initial meeting of this Committee, at which meeting the committee will elect a chair (or co-chairs if the committee so desires).

18.5.3 Normally, only committee members will attend meetings of the committee. However, the directors of the four units specified in Section 18.5 will normally meet with the committee upon the committee’s request, and likewise the committee will normally agree to a request from one of the directors to hold a meeting with the committee. It is understood that the parties must be reasonable and flexible with respect to scheduling constraints.

18.5.4 Normally, the Committee will make recommendations to the Provost, although it may also make recommendations directly to a director of an individual unit.

18.5.5 When the Provost (or other administrator to whom the Committee issues a recommendation) takes action (or elects not to act) following a written recommendation from a majority of the Committee, the Provost (or other administrator, respectively) shall inform the
Committee of such action and communicate the reasons for the decision in writing. The parties recognize that the Provost (or other administrator, respectively) will not communicate reasons for their actions (or decisions not to act) that are based on confidential information.
**Article 19**

**Workload**

19.1 Faculty workload requirements are set forth in a faculty workload policy that the University and the AAUP-WSU agree will be included in the *Faculty Handbook*. If the AAUP-WSU believes that the assigned workload of one or more Members is inconsistent with specific provisions of that Policy or Agreements between the AAUP-WSU and the University, it shall have the sole right to submit the matter to an external arbitrator within thirty (30) days of receiving the Provost’s response to an appeal from an individual Member or from the AAUP-WSU. The definition of days refers to the time limits established in Section 16.2.6. Procedures for such arbitration shall be in accordance with those specified in Sections 16.6-16.9.
Article 20
Intellectual Property

20.1 Discoveries and Inventions.

20.1.1 All rights to and interests in discoveries or inventions, including patents thereon, which result from research or investigation conducted in any experiment station, bureau, laboratory, or research facility of the University or involve significant use of University facilities or resources, shall be the sole property of the University. All rights and interests in software, although it is copyrightable, shall be the property of the University when it is required for an invention or is part of an invention. Bargaining Unit Faculty Members who make or participate in the making of such discoveries or inventions in the course of fulfilling their University responsibilities or with use of University resources shall promptly disclose their discovery or invention to the Chief Intellectual Property Officer, using the disclosure form prescribed by that official. Use of this form has the effect of initiating the process of review for patentability and commercializability.

20.1.1.1 Significant use of University resources is the use of University facilities, staff or funds beyond those normally available to members of the University community. Use of assigned office space, normal clerical support, and routine use of library resources, desktop computers and office supplies are not significant use of University resources.

20.1.1.2 The University will consult with the Bargaining Unit Faculty Member(s) who discloses a discovery or invention before marketing such discovery or invention.

20.1.2 Rights to inventions arising in the course of government or other externally sponsored research are controlled by the terms of the agreement between the University and the sponsor and/or applicable federal regulations.

20.1.3 Bargaining Unit Faculty Members shall be entitled to share in any royalty income received by the University for their discoveries or inventions, in accordance with the University’s royalty distribution schedule in Section 20.4. The University shall maintain distributions of a Bargaining Unit Faculty Member’s respective share of such royalties after the Member terminates his or her University employment.

20.1.4 Bargaining Unit Faculty Members agree to assist and cooperate with the University in obtaining and enforcing patents, including, without limitation, executing and delivering all assignments, documents and instruments reasonably requested by the University in conjunction with obtaining and enforcing patents within the United States or any foreign jurisdiction.

20.1.5 The University has no obligation to pursue or maintain patent protection for disclosed inventions. If the Chief Intellectual Property Officer recommends that the University not pursue a patent application, maintain a patent, or otherwise market that invention, then the University may assign ownership to a Bargaining Unit Faculty Member while retaining a royalty-free license to use the invention for non-commercial purposes. The University shall duly consider a Bargaining Unit Faculty Member’s request for assignment of an invention, in which that
Member has had input, when the University chooses not to pursue a patent application, maintain a patent for that invention, or otherwise market that invention.

20.2 Copyrightable Works.

20.2.1 Bargaining Unit Faculty Members retain ownership of their own copyrightable works unless the work is a work-for-hire or is subject to a separate written agreement that requires assignment to the University or to a third party. In the case of assignment to the University, the author will retain the right to use the material for his or her own noncommercial purposes.

20.2.2 Bargaining Unit Faculty Members shall cooperate with and sign all documents reasonably requested by the University to enable it to secure, register and enforce in the U.S. and any foreign countries, copyrights in all works owned by or assigned to the University. The University shall cooperate with and sign all documents reasonably requested by a Bargaining Unit Faculty Member to enable him or her to secure, register and enforce in the U.S. and any foreign countries, copyrights in all works owned by or assigned to that Member.

20.2.3 Traditional faculty products of scholarly activity that have customarily been considered to be the restricted property of the author will be owned by the author regardless of the medium in which the work is embodied. Such traditional products include, but are not limited to, journal articles, textbooks, monographs, works of art including paintings and sculptures, and musical compositions. The University does not claim any ownership rights to such works.

20.2.4 Royalties earned from the commercialization of traditional faculty products will accrue entirely to the Bargaining Unit Faculty author(s) as personal income, unless copyright was previously assigned to the University or significant University resources were used in the production of the work. For traditional faculty products requiring significant use of University resources, author(s) will repay the University for identifiable resources from any personal income earned. Before making significant use of University resources in the creation of such works, Bargaining Unit Faculty Members shall consult with their Chair, who shall have the opportunity to consult with the Intellectual Property Officer prior to approval.

20.2.5 Development of distance learning courseware, instructional software, and other multimedia works involving significant University resources requires a written agreement between the University and the creator(s) outlining the rights and responsibilities of the parties. The agreement will cover, at a minimum, ownership, the right of the creator(s) to erase videotape or delete from a Web server any or all of the course content at the conclusion of a course, the need for written permission from the creator for the modification, reuse, or sale of courseware, the responsibility for obtaining copyright permission for items used in the creation of courseware, and the distribution of royalties. Absent such a written agreement, distance learning courseware, instructional software, and other multimedia works are regarded as traditional faculty products of scholarly activity and thus covered by Section 20.2.3.
20.3 Trademarks.

20.3.1 Any trademarks created by a Bargaining Unit Faculty Member at the request of the University shall be owned by the University.

20.3.2 Trademarks created by a Bargaining Unit Faculty Member in association with an invention, discovery, or copyrighted material shall be owned by the same party that owns the invention, discovery or copyrighted material.

20.4 Royalty Distribution Schedule. Bargaining Unit Faculty Members who are makers of inventions and discoveries or authors of copyrighted works and who share royalties received by the University may select either of the following two methods for sharing such income.

20.4.1 Bargaining Unit Faculty Members may request that the University deposit all net royalties into a restricted (ledger 6) account.

20.4.1.1 Net royalties are defined as gross royalty income less actual expenses incurred by the University in administration of the intellectual property, including but not restricted to legal fees and patent maintenance fees.

20.4.1.2 Such restricted (ledger 6) accounts will be assessed a fee of 10% on all royalty income received.

20.4.2 Bargaining Unit Faculty Members may elect to receive personal income based upon gross royalties. For gross royalties up to $50,000, the inventor’s/author’s share shall be one-half of gross royalty income. For gross royalties in excess of $50,000, the inventor’s/author’s share shall be 40% of the excess above $50,000 minus any expenses in excess of $25,000.

For example, for $200,000 cumulative gross royalties, with $40,000 cumulative expenses, the total inventor’s/author’s share shall be

\[0.5 \times 50,000 + 0.4 \times [($200,000 - 50,000) - ($40,000 - 25,000)] = 79,000.\]
Article 21
Distance Learning

21.1 The term “distance learning” as used herein refers to a planned teaching/learning experience that makes significant use of any of a wide spectrum of instructional technologies to reach students who are separated by physical distance from the teacher. Such technologies may include live or recorded presentations and material using direct signal or cable, transmission by telephone line, fiber optic line, digital and/or analog video tape, audio-tape, CD-ROM, computer or internet technology, e-mail or other electronic means now known or hereafter developed.

21.2 The decision to schedule a Distance Learning course shall be made by the Dean of a College or designee.

21.2.1 All Distance Learning courses, and all programs taught predominantly or entirely via Distance Learning, shall be subject to Department, College, and University procedures for review and approval of new and changed curricula.

21.2.2 All courseware developed for Distance Learning shall be subject to oversight by appropriate faculty committee(s) to ensure course quality and program relevance.

21.3 A distance learning course that is taught using materials developed by a Bargaining Unit Faculty Member shall be taught by that Member unless he or she has agreed in writing to an alternative arrangement.

21.4 The University will make a good faith effort to provide necessary support for the development and use of distance learning courseware approved by the University. Such support shall include needed training, consultation on instructional design, production of materials, and technical assistance.

21.5 Maximum and minimum class size for a distance learning course will be negotiated by the Bargaining Unit Faculty Member and the Department Chair.

21.6 Pursuant to Section 20.2.5, Members who develop distance learning courseware involving significant University resources will enter into a written agreement with the University regarding the rights and responsibilities of both parties.

21.7 All compensation (whether monetary or as release time or some combination of the two), for developing and/or teaching a distance learning course shall be pursuant to Appendix D. The University will not provide monetary compensation or release time for distance learning except in compliance with Appendix D.

21.8 Office Hours. A Bargaining Unit Faculty Member teaching a distance learning course may hold some of the normally expected office hours (see Section 7.5) online. If all classes taught during a given semester are distance learning courses, the Member must still maintain sufficient on campus availability to meet the reasonable needs of the Member’s advisees.
21.9 Learning Environment. Consistent with the provisions of Section 7.6, a Bargaining Unit Faculty Member may block a disruptive student’s access to a distance learning course.
Article 22
Outside Employment

22.1 “Outside Employment” refers to professional activities of Bargaining Unit Faculty Members that fall outside of the normally defined workload of teaching, research, and service and that may involve external compensation. It does not apply to professional activities that reflect normal and expected public service for which compensation is limited to reimbursement of costs or nominal honoraria such as invited lectures, peer review panels, or activities explicitly included in approved practice plans. “Outside Employment” does apply to all other professional work and to teaching for institutions other than Wright State, including distance learning.

22.2 A Bargaining Unit Faculty Member’s outside employment must not interfere with his or her assigned duties, must contribute to the Member’s professional development, and must not occupy, on average, more than one day per week.

22.3 Bargaining Unit Faculty Members must submit a written request to their Dean and then receive written approval from their Dean prior to beginning outside employment.

22.4 When engaging in outside employment, Bargaining Unit Faculty Members may not make more than incidental use of University facilities and other resources unless the University is appropriately compensated.

22.5 Bargaining Unit Faculty Members should make every effort to avoid any conflict or appearance of conflict between outside employment activities and University responsibilities, and to avoid accepting outside assignments that compete directly with academic functions of Wright State University.

22.6 Bargaining Unit Faculty Members are personally responsible for any damages or claims for damages which may arise in connection with their outside employment.
Article 23
Compensation

23.1 For academic year 2013-2014, each Bargaining Unit Member shall receive an increase to the annual base salary of 2.0% of the Member’s 2012-2013 annual base salary. Raises to annual base salaries pursuant to Section 23.1 will be effective, retroactively if need be, to August 1, 2013, for Members on Academic Year appointments [and to July 1, 2013, for Members on Fiscal Year appointments].

23.1.1 In addition to the raises specified in Section 23.1, the University shall create a pool of 0.4% for market raises to be added to the base salaries of Bargaining Unit Faculty. The amounts of such raises shall be mutually agreed to between the AAUP-WSU and the University, and any monies from this pool that are not distributed to an individual Member shall be distributed across-the-board, in proportion to 2012-2013 annual base salaries (as modified by Sections 23.2-23.2.1), to persons who were Bargaining Unit Faculty Members at the end of the academic year 2012-13 and continue to be at the outset of the 2013-14 academic [or fiscal] year. All decisions made jointly by the AAUP-WSU and the University pursuant to Section 23.1.1 are final and not subject to grievance or arbitration pursuant to Article 16. Raises to annual base salaries from this pool will be effective, retroactively if need be, August 1, 2013, for Members on Academic Year appointments [and July 1, 2013, for Members on Fiscal Year appointments].

23.2 Promotion Increases. A Bargaining Unit Member who is promoted to Senior Lecturer or to Clinical Assistant Professor shall receive an increase of 7.5% of that Member’s annual base salary.

23.2.1 The University will add promotion increases (Section 23.2) to a Bargaining Unit Faculty Member’s base salary before making salary adjustments pursuant to Sections 23.1 and 23.1.1.

23.3 Overload Salary. Bargaining Unit Faculty Members who are offered and agree to teach overload classes shall be paid in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Rank</th>
<th>Minimum Rate Per Semester Credit Hour</th>
</tr>
</thead>
<tbody>
<tr>
<td>Instructor &amp; Visiting Faculty</td>
<td>$460</td>
</tr>
<tr>
<td>Lecturer &amp; Clinical Instructor</td>
<td>$540</td>
</tr>
<tr>
<td>Sr. Lecturer &amp; Clinical Assistant Professor</td>
<td>$605</td>
</tr>
</tbody>
</table>

23.4 Summer Semester 2014. A Bargaining Unit Faculty Member with an academic year appointment who agrees to teach during the summer semester will be compensated as specified in Sections 23.4.1 through 23.4.6.
23.4.1 A Bargaining Unit Faculty Member will receive 1/36th of his or her annual base salary for the preceding two semesters per scheduled credit hour of summer up to a maximum of six credit hours per six-week term when teaching a single six-week term each summer.

23.4.2 A Bargaining Unit Faculty Member who is assigned to teach courses in both six-week terms of a single summer or that span the full twelve-week summer session will receive 1/36th of her or his base salary per scheduled credit hour of summer instruction, up to a maximum of twelve credit hours.

23.4.3 A Member’s salary will be calculated at an overload rate, pursuant to Section 23.3, for teaching more than six credit hours in a single six week term or more than twelve credit hours across twelve weeks of a single summer.

23.4.4 Once registration for summer has begun, cancellation of a class scheduled to be taught by a Member requires approval by a provost. For purposes of determining whether to cancel summer classes, 1 graduate student shall be the equivalent of 2 undergraduate students.

23.4.4.1 The University will not cancel a summer class scheduled to be taught by a Bargaining Unit Faculty Member if it has an enrollment of 15 or more undergraduate students, or the equivalent. If it becomes necessary to cancel a class, the university will make a good faith effort to offer the Member an alternative class to teach.

23.4.4.2 If summer classes assigned to a Member have an average enrollment of 15 or more undergraduate students, or the equivalent, the University will not cancel one of those classes without reassigning the Member to another class or otherwise compensating the Member as though the class had been offered. However, this provision applies only to six (6) semester hours of summer classes, or to a smaller equivalent number of hours for Members who have summer grant support or summer administrative assignments.

23.4.5 The University and the AAUP-WSU recognize the possibility that unforeseen financial, curricular, and/or enrollment management circumstances may arise making it appropriate to depart from the summer salary provisions of Section 23.4 and subsections, and agree to discuss any such possibilities that are introduced by either party. No changes to the provisions shall be made without agreement of both the University and the AAUP-WSU.

23.4.6 If a class that is part of a cohort program is scheduled to meet during all or part of a summer session, then the provisions of Sections 23.4.1 through 23.4.6 pertain to that class and thus to the Member teaching it. However, if the University has offered other summer teaching opportunities to that Bargaining Unit Faculty Member, then the Member may be paid at an overload rate for the cohort program class consistent with what is paid for such courses at other times during the calendar year.

23.4.7 Summer Semester Research Salaries: Bargaining Unit Faculty on academic year contracts who are assigned to direct independent laboratory research for either undergraduate or graduate students during the summer will receive a stipend of at least:
For undergraduate research students: $43/credit hour
For master’s students: $73/credit hour
For Ph.D. students: $145/credit hour
24.1 Effective August 1, 2013, the minimum base salary for Bargaining Unit Faculty Members with academic year appointments shall be:

- Senior Lecturer or Clinical Assistant Professor: $53,730
- Lecturer or Clinical Instructor: $43,665
- Instructor: $38,225
- Visiting Faculty: $36,675

24.2 Effective July 1, 2013, the minimum base salary for Bargaining Unit Faculty Members with fiscal year appointments shall be:

- Senior Lecturer or Clinical Assistant Professor: $65,670
- Lecturer or Clinical Instructor: $53,368
- Instructor: $46,719
- Visiting Faculty: $44,825
Article 25
Additional Compensation

25.1 The University has the right to make salary adjustments which are more favorable than those called for in this Agreement to any Member(s) of the Bargaining Unit to respond to a bona fide offer from another university or other employer.

25.1.1 The University shall inform the AAUP-WSU of any adjustment made pursuant to Section 25.1 and provide the AAUP-WSU with a copy of the offer letter within ten (10) working days of a Bargaining Unit Faculty Member’s acceptance of such adjustment. A salary adjustment made in response to an offer from a non-academic employer shall be considered an exceptional event, and the University will provide to the AAUP-WSU a written explanation.

25.2 The University has the right to make salary adjustments which are more favorable than those called for in this Agreement to any Member(s) of the Bargaining Unit to respond to external market factors in the absence of a bona fide offer from another institution.

25.2.1 In the absence of a bona fide offer, a salary adjustment must be supported by specific evidence of excellent performance and evidence that the individual’s current salary is below the market salary for individuals with comparable records at other academic institutions. Such comparisons may take into account market factors including those that exist in specific fields and sub-disciplines.

25.2.2 Before making such adjustments to a Member’s salary, the University will consider (1) whether the same or similar circumstances apply to other Bargaining Unit Faculty in that college and (2) if an anticipated salary adjustment would create or increase salary differences that are not supported by market factors and performance.

25.2.3 Once this review has been completed the results will be shared with AAUP-WSU along with all supporting evidence. AAUP-WSU will be given at least ten working days to review the evidence along with any proposed salary adjustments. Once the review period is over the University will notify Members and the AAUP-WSU in writing of any salary adjustments.

25.2.4 The AAUP-WSU will not object to salary adjustments made following a Bargaining Unit Faculty Member’s completion of a terminal degree if comparable salary adjustments are made for all Members within that department or college who have completed such degrees while Members of the Bargaining Unit.

25.3.1 Adjustments made pursuant to Article 25 shall not decrease the salary increases available to other Members of the Bargaining Unit as provided for in this Agreement.

25.3.2 Adjustments made pursuant to Article 25 shall be approved by the Dean of the Member’s College and the Provost.
Article 26
Medical, Dental and Vision Insurance

26.1 For the duration of this Agreement, the University will provide Bargaining Unit Faculty Members with medical insurance, a prescription drug benefit, dental insurance, and vision insurance with substantially the same level of benefits as provided June 30, 2011 and as specified in the Summary Plan Description or Certificate Booklets and amendatory documents provided to the University by the insurance carriers. These benefits are summarized in Appendix E.

26.1.1 If a member elects coverage under the HDHP for the upcoming calendar year and the member has a health care flexible spending account (FSA) (see Sections 31.3 and 31.3.1), the member must have a zero balance in his or her health care FSA by December 15 of the current year. If any funds are in a Member’s health care FSA as of December 15, that member will be dis-enrolled from the HDHP and remain in his or her current health care plan for the upcoming calendar year.

26.2 In 2014, for members electing coverage under the HDHP, the University will make the following contributions to a Health Savings Account (HSA).

<table>
<thead>
<tr>
<th>Category</th>
<th>Contribution</th>
</tr>
</thead>
<tbody>
<tr>
<td>Employee Only</td>
<td>$1400</td>
</tr>
<tr>
<td>Employee and One Dependent</td>
<td>$2600</td>
</tr>
<tr>
<td>Employee and Two or More Dependents</td>
<td>$3000</td>
</tr>
</tbody>
</table>

26.3 The monthly premium contribution to be paid by a Bargaining Unit Faculty Member for the year January 1, 2014 through December 31, 2014 will not exceed those shown in the table below. However, if rates that the University charges to non represented employees are lower than the rates in the table below then Bargaining Unit Members shall be charged those lower rates. The salary ranges are for academic years. Bargaining Unit Faculty with fiscal year salaries will have their salaries adjusted by taking 9/11ths of their fiscal year salary for purposes of determining their premium contribution using the table below.
Pursuant to Ohio House Bill 1, a member who chooses to cover an adult child (or children) from age of 26 and up to the end of the month the child turns age 28 shall pay the following additional monthly premium contribution per covered adult child:

<table>

</table>

However, if the University charges lower rates to non-represented faculty or staff then those lower rates shall apply to Bargaining Unit Faculty.

26.4 Eligible dependents for purposes of health care coverage are the Member’s spouse; the Member’s domestic partner; the unmarried child including a stepchild or adopted child of the Member, of the Member’s spouse or domestic partner, or for whom the Member, the Member’s spouse or the Member’s domestic partner is the legal guardian. Determination of dependent eligibility shall be consistent with criteria used beginning January 2011.

26.5 The University is committed to providing adequate service for faculty through the adopted health care coverage. An individual in Human Resources will be responsible for assisting Bargaining Unit Faculty in any claims disputes or for obtaining coverage from the designated carriers.
26.6 If the University is considering a change in carriers, the AAUP-WSU will be given an opportunity to suggest criteria for RFPs. In the event that the University solicits RFPs, the AAUP-WSU will be given an opportunity to recommend to the University which proposals should be accepted or rejected. The AAUP-WSU acknowledges that such decisions are often made in a very short time frame and agrees to respond promptly with its recommendations so that the University’s processes are not delayed.

26.7 Before implementing a wellness plan, the University will negotiate with AAUP-WSU the provisions of the plan and its availability to Bargaining Unit Faculty Members and their eligible dependents.
Article 27
Life and Disability Insurance

27.1 Life Insurance. For the duration of this Agreement, the University will provide, at no cost to the Bargaining Unit Faculty Member, term life insurance in an amount equal to 2.44 times the Bargaining Unit Faculty Member’s annual base salary for those Members with academic year appointments, and in an amount equal to 2.00 times the Bargaining Unit Faculty Member’s annual base salary for those Members with fiscal year appointments, with a maximum limit of $400,000 for all academic and fiscal Members.

27.2 Accidental Death and Dismemberment Insurance. For the duration of this Agreement, the University will provide, at no cost to the Bargaining Unit Faculty Member, accidental death and dismemberment insurance in an amount equal to 2.44 times the Bargaining Unit Faculty Member’s annual base salary for those Members with academic year appointments, and in an amount equal to 2.00 times the Bargaining Unit Faculty Member’s annual base salary for those Members with fiscal year appointments, with a maximum limit of $400,000 for all academic and fiscal Members.

27.3 Long Term Disability Insurance. For the duration of this Agreement, the University will provide, with no premium contribution by the Bargaining Unit Faculty Member, long term disability insurance. This coverage pays a disability income benefit beginning after six months of total disability. The benefit amount is equal to 60 percent of a Bargaining Unit Member’s monthly earnings (with a maximum benefit of $10,000 per month) less any income benefits payable by STRS, Social Security, or Workers’ Compensation. In addition, the plan contributes 10 percent of the Member’s usual monthly earnings to a retirement annuity during each month the Member receives group disability benefits. The value of this annuity contract is payable on a lifetime income basis when monthly disability benefits cease or when disability ends.
Article 28
Vacation and Sick Leave

28.1 Vacation Eligibility and Accrual Rates. Bargaining Unit Faculty Members with fiscal year appointments earn vacation as follows:

Members with less than 25 years of service earn 14.67 hours of vacation per pay period, for a total of 22 days per year.

Members with 25 or more years of service earn 16.67 hours of vacation per pay period, for a total of 25 days per year.

Each August 31, all vacation balances in excess of 352 hours will be reduced to 352 hours.

28.2 Vacation Authorization and Records. Fiscal year Bargaining Unit Faculty Members must request vacation hours consistent with Section 7.4 from their Department Chairs and record all vacation hours used in a given month through completed Sick Leave/Vacation Request Forms. The Department Chair, or other immediate supervisor where appropriate, shall approve all such requests for vacation hours that do not directly conflict with a Member’s assigned duties.

28.3 Payment for Unused Vacation.

28.3.1 When a fiscal year Bargaining Unit Faculty Member terminates employment with the University, the unused balance of the Member’s vacation will be paid in cash, according to the following calculation:

\[
\text{Fiscal year salary ÷ 11 months = monthly salary} \\
\text{Monthly salary ÷ 21.667 days = daily pay} \\
\text{Daily pay ÷ 8 hours = hourly pay.}
\]

28.3.2 The maximum vacation payoff for a fiscal year Bargaining Unit Faculty Member is 44 days or 352 hours.

28.3.3 A fiscal year Bargaining Unit Faculty Member who changes to an academic year appointment will be paid for accrued but unused vacation hours up to the maximum payoff, effective with the change to the academic year appointment.

28.4 Sick Leave Accrual Rates. Bargaining Unit Faculty Members with fiscal appointments earn 10 hours (1.25 days) of sick leave per month. Academic year Members earn 45 hours (5.625 days) of sick leave for each of the Fall and Spring Semesters and an additional 30 hours (3.75 days) of sick leave when they teach full time (12 credit hours) during the Summer. For teaching less than 12 credit hours in the summer, sick leave is pro-rated (3 credit hours = 7.5 hours of sick leave; 4 credit hours = 10 hours of sick leave; 6 credit hours = 15 hours; etc.). Sick leave accumulates with no limit to the number of hours of sick leave which may be accrued by a Bargaining Unit Faculty Member.
28.5 Legitimate Uses of Sick Leave. Sick leave is the authorized absence of a Bargaining Unit Faculty Member with pay because of personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees or students; because of illness or injury of a member of the employee’s immediate family that requires the attendance of the employee; because of a death in the employee’s immediate family; or because of medical, psychological, dental or optical examination of the employee or a member of the employee’s immediate family that requires the attendance of the employee. Paid sick leave usage for the death of a member of the employee’s immediate family is limited to five working days.

28.5.1 For purposes of authorizing sick leave, the University normally defines a Bargaining Unit Faculty Member’s immediate family to include spouse, child, grandparent, father, father-in-law, mother, mother-in-law, sister, sister-in-law, brother, brother-in-law, grandchild, legal ward, legal guardian or person who stands in place of the parent, and domestic partner registered through the Wright State University Department of Human Resources.

28.6 Sick Leave Authorization and Use. Sick leave may be used during any period of time in which the Bargaining Unit Faculty Member is under contract to perform services for the University. During the summer a Bargaining Unit Faculty Member is required to use sick leave only during the terms when he or she is teaching. Bargaining Unit Faculty Members shall report all uses of sick leave and shall supply to Human Resources any reasonable documentation which may be required by the University. While the Member’s department chair and dean must be notified of the Member’s sick leave, such notification need not reveal the specific nature of the illness. When using sick leave days, the Member shall promptly notify his or her Department Chair and, whenever possible, advise of the estimated duration of absence.

28.7 Transfer of Accrued Sick Leave. When an individual enters the Bargaining Unit with prior service with another Ohio state agency, accrued sick leave officially certified by such agency will be accepted at Wright State, provided that the time between separation from such agency and entry into the Bargaining Unit does not exceed ten years.

28.8 Payment for Accrued Sick Leave.

28.8.1 Upon retirement after ten (10) years of state service in Ohio and in accordance with criteria established by the State Teachers Retirement System (STRS) or death after ten (10) years of state service in Ohio, the Bargaining Unit Faculty Member or his or her estate will receive cash payment for one-fourth of the value of all unused accrued sick leave, up to a maximum of 30 days (240 hours), based on the rate of compensation for that Member at the time of separation from the University. The formula to be used in the calculation of sick leave pay-out for fiscal year Bargaining Unit Faculty Members is the same as used for vacation pay-out as specified in Section 28.3.1. The formula to be used in the calculation of sick leave pay out for Bargaining Unit Faculty Members with academic year appointments is:

- Academic year salary ÷ 9 months = monthly salary
- Monthly salary ÷ 21.667 days = daily pay
- Daily pay ÷ 8 hours = hourly pay
28.8.2 A retirement cash settlement for sick leave shall be made only once to any Bargaining Unit Faculty Member. A Member who returns to state service after retirement may accrue and use sick leave, but will not receive a cash settlement for unused sick leave at the time of any subsequent retirement.
Article 29

This Article is left blank intentionally.
Article 30
Leaves

30.1 General: In addition to Sick Leave pursuant to Article 28 of this Agreement, a Bargaining Unit Faculty Member may be granted Family and Medical Leave (FMLA), child care leave, disability leave, court leave, military leave, or leave without pay in accordance with provisions in Article 30. A Bargaining Unit Faculty Member’s application for any such leaves shall be submitted within scheduled deadlines established by this Agreement, if such deadlines exist. If deadlines do not exist, an application may be filed at any time. Applications for leave shall be supported by all appropriate documentation, except as specified by the FMLA.

30.2 Family and Medical Leave. Eligible Bargaining Unit Faculty Members shall be granted a leave of absence of up to twelve (12) work weeks, pursuant to the terms and conditions of the Family and Medical Leave Act of 1993 (FMLA), for one or more of the following reasons: (1) because of the birth of a son or daughter of the Member and in order to care for such son or daughter; (2) because of the placement of a son or daughter with the Member for adoption or foster care; (3) in order to care for the spouse, son, daughter, parent or legal guardian or person who stands in place of the parent, parent-in-law, grandparent, brother, brother-in-law, sister, sister-in-law, or registered domestic partner of the Member, if such family member has a serious health condition; or (4) because of a serious health condition that makes the Bargaining Unit Faculty Member unable to perform the functions of that Member’s position.

30.2.1 A Bargaining Unit Faculty Member shall provide notice sufficient to make the University aware that the Member needs FMLA-qualifying leave; and the anticipated timing and duration of the leave. Where the need for leave is foreseeable, the Member must provide 30 days advance notice. If 30 days advance notice is not possible, notice must be given as soon as practicable. A “rolling” twelve-month period measured retrospectively from the date a Member uses any FMLA leave shall be used to determine the “twelve-month period” in which the twelve weeks of FMLA leave entitlement occurs.

30.2.2 Family and Medical Leave may be used on a continuous basis, an intermittent basis, or as a reduced work schedule. Approval of a request for Family and Medical Leave is made by the Department of Human Resources following a submission of a Family and Medical Leave request form through the Bargaining Unit Faculty Member’s Department Chair.

30.2.3 Family and Medical Leave is unpaid unless the Bargaining Unit Faculty Member has accrued sick leave and/or vacation hours which he or she is eligible to use for the purpose of the leave. Such sick leave and/or vacation hours must be used on a continuous basis at the beginning of a Family and Medical Leave.

30.2.4 During the period of an unpaid Family and Medical Leave, a Bargaining Unit Faculty Member who has medical and dental coverages is eligible to continue these coverages provided the Bargaining Unit Faculty Member continues to pay the employee medical and dental contribution. The Bargaining Unit Faculty Member is eligible to continue other employee benefits such as term life insurance and long term disability coverage, provided the Bargaining
Unit Faculty Member pays to the University the premium for such coverages. During the period of an unpaid Family and Medical Leave, the Bargaining Unit Faculty Member will not accrue sick leave or vacation hours or receive holiday pay.

30.2.5 A Bargaining Unit Faculty Member’s rights under the FMLA, including the right to reinstatement, end when the portion of the Member’s leave covered by the FMLA expires. Unless specified otherwise in writing, the employee’s FMLA leave expires after a maximum of twelve (12) weeks of leave, starting with the first day of the qualifying absence.

30.3 Child Care Leave. Child care leave may be granted to the following individuals for the periods of time specified, to begin once available FMLA leave is exhausted. Insurance benefits shall be maintained for the duration of the child care leave provided the Bargaining Unit Faculty Member continues to pay the employee medical and dental contribution and provided the Bargaining Unit Faculty Member continues to pay to the University the premiums for life insurance and long term disability coverages.

30.3.1 Biological Mother: Once a Bargaining Unit Faculty Member is certified by her physician or attending medical personnel to be medically capable of resuming her normal duties after giving birth, she will be entitled to leave without pay for the remainder of the current academic semester (including summer semester) and the following academic semester (including summer semester) for the purpose of child care.

30.3.2 Biological Father: A male Bargaining Unit Faculty Member, upon birth of his child, is entitled to leave without pay for the remainder of the current academic semester (including summer semester) and the following academic semester (including summer semester) for the purpose of child care.

30.3.3 Adoptive and Foster Parents: A Bargaining Unit Faculty Member is entitled, upon the adoption of a child or arrival of a foster child, to leave without pay for the remainder of the current academic semester (including summer semester) and the following academic semester (including summer semester) for the purpose of child care.

30.4 Disability Leave. A disability leave is defined as an unpaid leave granted or required by the University for medical reasons after the Bargaining Unit Faculty Member has exhausted all accrued sick leave. The Bargaining Unit Faculty Member may also exhaust all vacation leave before going on unpaid disability leave, if the Bargaining Unit Faculty Member so desires. A maternity leave is a disability leave and is subject to the same rules that govern all other disability leaves. A Bargaining Unit Faculty Member whose absence due to illness or injury exceeds his or her accrued sick leave may be granted disability leave for up to six (6) months and may be extended by increments of up to six months to a total of one (1) year. During a period of disability leave, the University will not pay salary or wages or contribute toward retirement benefits or provide for the accumulation of sick leave or vacation leave. A Bargaining Unit Faculty Member on unpaid disability leave may continue medical and dental coverages and/or flexible spending accounts by making employee contributions to the University. In addition, the Member may continue term life insurance and long-term disability coverages by paying to the University the premium for these coverages.
30.5 Court Leave. Bargaining Unit Faculty Members may be granted court leave with pay if summoned for jury duty by any court of competent jurisdiction or if subpoenaed to appear before any court, commission, board, or other legally constituted body authorized by law to compel the attendance of witnesses, where the Bargaining Unit Faculty Member is not a party to the action. Any compensation or reimbursement for jury duty or for court attendance compelled by subpoena, when such duty is performed during the Member’s normal working hours, shall be remitted to the University Bursar’s office if it exceeds the cost of parking and mileage for this duty.

30.6 Military Leave. The University agrees to comply with applicable federal and state laws regarding military leave.

30.7 Leave Without Pay. Leave without pay may be granted for personal or educational reasons when the Bargaining Unit Faculty Member and the University agree that the leave will enhance the Member’s value to the University, and when the University can make temporary arrangements to cover the assignments ordinarily performed by that Member.

30.7.1 Personal leave without pay may be granted for a maximum duration of six (6) months and may not be renewed or extended.

30.7.2 Educational leave without pay may be granted for a period of up to one year for purposes of education or professionally-related activities and may be extended by increment(s) of up to one year for a total period not exceeding two (2) years. During a leave without pay the University will not pay salary or wages or contribute to insurance or retirement benefits or provide for the accumulation of sick leave or vacation leave. However, Bargaining Unit Faculty Members on a leave without pay may continue insurance and flexible spending account coverages by paying the University the premiums for these coverages. Application for a leave without pay shall be made as soon as reasonably possible.

30.8 Partial Unpaid Leave. The University may grant a Partial Unpaid Leave to a Bargaining Unit Faculty Member with a continuing appointment. The leave may be for personal or professional reasons. The University is under no obligation to offer a Partial Unpaid Leave to Member, however, and no Bargaining Unit Faculty Member is obligated to accept such a leave if offered.

30.8.1 Partial Unpaid Leaves may be granted for a maximum duration of two (2) years and may be extended by increments of up to two years for a total period not exceeding six (6) years. The dates for the Leave must be set forth in a written agreement signed by the Member and her or his dean. A copy of the agreement will be sent to the AAUP-WSU and to the Provost.

30.8.2 While on a Partial Unpaid Leave, the Member will assume a work assignment that is half of a normal work assignment for a Bargaining Unit Faculty Member in the Member’s rank, department and discipline. This work assignment includes teaching and service equivalent to 50 percent of a normal assignment for that Member.
30.8.3 The Member on a Partial Unpaid Leave will earn a salary equal to 50% of the Member’s current base salary.

30.8.4 All benefits provided by the University shall remain current and in full force throughout the Partial Unpaid Leave and will continue to be based on the Member’s current base salary.

30.8.5 Criteria for annual evaluation that are expressed quantitatively shall be pro-rated, usually by requiring half the quantity or allowing twice the time, or some combination of these methods. The department chair’s evaluation should include a description of the method(s) of prorating that were used.
Article 31
Other Benefits

31.1 Tuition and Fee Remission. This benefit consists of a waiver of the instructional fee, general fee, and out-of-state tuition for Bargaining Unit Faculty Members taking courses at the University, and a waiver of 80% of the instructional fee, general fee, and out-of-state tuition for their spouses or domestic partners and eligible dependents taking courses at the University. This benefit does not apply to high school students participating in the Dual Enrollment Program.

31.1.1 Eligibility for Tuition and Fee Remission Benefits. Eligibility is determined by the status of the Bargaining Unit Faculty Member on the first day of the applicable term. The following individuals are eligible for these benefits:

- Bargaining Unit Faculty Members.
- Spouse, domestic partner or dependents of an eligible Bargaining Unit Faculty Member. A dependent is a son, stepson, daughter, or stepdaughter of the Member as defined in the Internal Revenue Code, Section 151 (e)(3), who is eligible to be claimed as a dependent on the Member’s federal income tax return.
- Retirees, including those on disability retirement, who have ten years of Wright State University service, and who were eligible at the time of their retirement, and their spouses, domestic partners, and dependents.
- Spouses, domestic partners and dependents of Bargaining Unit Faculty Members who were eligible at the time of their deaths or spouses, domestic partners and dependents of eligible Members on disability leave. Such eligibility for dependents expires at the time their dependent status would have expired.
- Members on disability leave pursuant to Section 30.4.

31.1.2 Limitations on Tuition and Fee Remission Benefits.

31.1.2.1 A Bargaining Unit Faculty Member is limited to maximum benefits equal to the instructional fee, general fee and out-of-state tuition for a maximum of eight (8) credit hours per semester. For the purpose of Member fee remission, there are three semesters per year: fall, spring, and summer. Spouses, domestic partners and dependents of the eligible Bargaining Unit Faculty Member, retirees, and Members on disability leave are not subject to these limitations.

31.1.2.2 Benefits for credit-hour courses for a Bargaining Unit Faculty Member apply only to courses included in regular undergraduate and graduate level programs, and do not apply to courses in Medicine and Professional Psychology. Benefits for credit-hour courses for an individual other than a Bargaining Unit Faculty Member apply only to courses included in regular undergraduate and master’s level programs.

31.1.2.3 Except for certain restricted offerings, an eligible Bargaining Unit Faculty Member may have 100% of the fee for noncredit courses or workshops remitted if the enrollment is approved by the Member’s Chair as being beneficial for the training of the Member.
31.1.2.4 The fee remission benefit for eligible Bargaining Unit Faculty Members covers audited courses as well as courses for academic credit.

31.1.2.5 A fee remission for noncredit courses or workshops is not available for spouses, domestic partners, and dependents of the Bargaining Unit Faculty Member or for retirees.

31.2 Employee Assistance Program. The University will provide members of the household of eligible Bargaining Unit Faculty Members, and dependents of an eligible Member who are eligible for group health insurance coverage, an Employee Assistance Program that provides short-term problem-focused counseling to deal with a variety of personal and work-related problems. This program shall be provided at no cost to the Bargaining Unit Faculty Member.

31.3 Flexible Spending Accounts. The University will offer flexible spending accounts for health and dependent care to eligible Bargaining Unit Faculty Members. The terms of such accounts are as follows:

31.3.1 The health care account is used for pre-tax reimbursement of medical, dental and vision care costs that are not reimbursed by an insurance plan. The minimum contribution is $10/month; the maximum contribution is $1000/month or, if less, the maximum allowed by law. Except as limited by Section 26.1.1, the University will continue to allow reimbursable expenses to be incurred during a grace period as permitted under federal laws and regulations.

31.3.2 The dependent care account is used for pre-tax reimbursement of dependent care expenses including the cost of care in a licensed day care center, preschool tuition, and care provided in or outside the employee’s home. The minimum contribution is $10/month; the maximum is the maximum allowable by law beginning January 1, 2009.

31.4 Parking. The University will offer parking for Bargaining Unit Faculty Members (B permits) at no more than $170 for calendar year 2014. Members will not be charged extra for gated lot access. The University shall make a good faith effort to provide an adequate number of parking spaces for Members of the Bargaining Unit. The University may make minor adjustments in the number and location of employee parking spaces throughout the year. Before making permanent or substantial changes to the number of spaces designated for faculty and staff in any specific parking lot, however, the University will consult with the AAUP-WSU.

31.5 Fitness Program and Facilities. The University is implementing an employee wellness program.

31.5.1 Before the University and the AAUP-WSU agree to Bargaining Unit Faculty participation in the wellness program, individual Bargaining Unit Members can join the Fitness Center with no charge and can purchase a family membership for $75 annually September 1 through August 31, $50 January 1 through August 31, or $25 March 1 through August 31.

31.5.2 Once the wellness program is agreed to, Bargaining Unit Faculty can join the Fitness Center for a fee of $15 a month, which is waived if they are participating in the wellness
program, and family memberships can be purchased for $25 per month ($10 a month for Members participating in wellness programs).

31.5.3 The University will continue to provide fitness classes currently available to Bargaining Unit Faculty Members for a fee as determined by the University. Such fees shall not exceed the fees charged to other University employees. The University will continue to provide access to athletic facilities currently available to Bargaining Unit Faculty Members at no additional charge.

31.6 Parental Accommodations

31.6.1 Teaching Relief. So that they will have time to care for a newborn or newly-adopted child under the age of six, eligible Members may choose to take either one full semester with no teaching responsibilities or two semesters with 50% of that Member’s customary teaching load without loss of pay. If the Member’s teaching load is an uneven number of courses per academic year, the total reduction in teaching responsibilities will equal the smaller number of classes. Thus, a Member with a customary teaching load of seven courses per year will have a total reduction in teaching responsibilities of three courses. Teaching relief semesters must be started within one year of the birth or adoption.

31.6.1.1 To be eligible for teaching relief, the Member must, during the teaching relief semester(s), be the primary caretaker of his or her newborn or newly adopted child under six for at least 25 hours per week, from Monday through Friday, between the hours of 8 a.m. and 10 p.m.

31.6.1.2 Parental Teaching Relief will be granted if requested by a Member who meets the requirements for eligibility. Requests must be submitted to the Provost, with a copy sent to AAUP-WSU, as much in advance as is reasonably possible. Requests must include a signed statement that the individual will satisfy the requirement for eligibility, as defined in Section 31.6.1.1, and also an anticipated schedule of times when the Member will be the primary caretaker of the child.

31.6.2 Annual Evaluation. All Members who have a newly born or adopted child under the age of six may, upon request, receive the average evaluation score in their department for annual evaluation in the year in which the child was born or adopted, or in one of the following two years. Thus, a Member with a child born or adopted in 2013 has the option of receiving an average evaluation score for 2013, 2014, or 2015. The request must be made no later than December 31 of the year for which the average evaluation score is requested.

31.6.3 When preparing teaching schedules and other assignments, department chairs and deans are encouraged to consider the child care responsibilities of Members with children under the age of six. Members’ schedule requests will be considered but cannot be guaranteed, and reasonable adjustments to accommodate their parenting responsibilities shall not be construed as preferential treatment of those Members.
31.6.4 Additional provisions in this Agreement to assist parents of newborn or newly adopted children include--

- sick leave and FMLA (Article 28 and Sections 30.1-30.2.5),
- unpaid child care leave (Sections 30.3-30.3.3), and
- partial unpaid leave (Section 30.8).

31.7 Adoption Assistance.

31.7.1 The university will reimburse Bargaining Unit Faculty Members up to $4,000 per child for eligible adoption related expenses upon placement of a minor child in the Member’s home. If two adopting parents of the same adopted child are both eligible for adoption assistance, the total maximum benefit amount for that adoption is $4,000.

31.7.2 Eligible adoptions:

- Adopted children must be under the age of 18.
- The children may be biologically related to either parent.
- Adoptions made through public, private, domestic, international, and independent means are eligible.

31.7.3 Eligible Expenses:

- Agency and placement fees
- Legal fees and court costs
- Required medical expenses for the child prior to adoption (including immunizations)
- Immigration fees
- Translation services
- Transportation and lodging expenses

The following expenses are not eligible:

- Medical examination fees for the adopting parents
- Cost of personal items such as clothing and food for either the parents or the child
- Expenses incurred prior to eligibility for the program.

31.7.4 To receive adoption assistance a Bargaining Unit Member must fill out an application for adoption assistance and turn it in to the Department of Human Resources. (Adoption benefits may carry tax implications so Bargaining Unit Members are encouraged to consult their tax advisor.)
Article 32
Dues Check-Off and Fair Share

32.1 The regular AAUP-WSU dues shall be established under the terms of the AAUP-WSU Constitution and Bylaws and certified to the University by the AAUP-WSU. Upon written authorization of payroll deductions, the University shall deduct AAUP-WSU dues from the paychecks of all NTE Bargaining Unit Faculty who are members of the AAUP-WSU in equal increments, and transmit the amount deducted to the AAUP-WSU.

32.1.1 The AAUP-WSU will provide to the University the following information at least sixty (60) calendar days before the date of the payroll when the change takes effect:

- Changes to the rates (percentages) to be deducted for member dues or for fair share fees.

32.1.2 The AAUP-WSU will provide to the University the following information at least thirty (30) calendar days before the date of the payroll when the change takes effect:

- Names of new objectors and the amount to be deducted from the paycheck of each.
- Names of NTE Bargaining Unit Faculty who will change from one of the following three categories to another: member, fair share payer, objector.

32.2 The University will make every effort to forward checked-off dues and the fair share fees to the AAUP-WSU one week following the end of the month. Each month, a report will be sent to AAUP-WSU documenting the Members from whom dues were deducted and the amount of that deduction. The University shall levy no charge upon the AAUP-WSU for administering the payroll deduction.

32.3 The AAUP-WSU agrees that it will indemnify and hold the University harmless from any and all claims, damages, actions, or suits of any nature arising out of, related to, or in any way connected with the enforcement or application of this article.

32.4 In recognition of the AAUP-WSU’s services to the NTE Bargaining Unit, each Member of the NTE Bargaining Unit who is not a member of the AAUP-WSU shall on the effective date of this Agreement or sixty (60) days after the effective date of appointment to an NTE Bargaining Unit position have a “fair share fee” deducted from his or her pay and forwarded to the AAUP-WSU. The AAUP-WSU will certify to the University the amount of the fair share fee, which shall not exceed the amount of dues for regular members of AAUP-WSU.

32.5 Members of the NTE Bargaining Unit who are members of AAUP-WSU shall have no dues or other fees deducted during the first sixty (60) days after the effective date of appointment to a Bargaining Unit position.

32.6 This article is in all respects subject to O.R.C. Section 4117.09, including the rebate procedure and objector provisions thereunder.
Article 33
Retirement

33.1 An eligible Bargaining Unit Faculty Member as defined by the Wright State University Alternative Retirement Plan may elect at any time within his or her 90 day election period to participate in the Wright State University Alternative Retirement Program (ARP) instead of the retirement program offered by the State Teachers Retirement System of Ohio (STRS). Eligible Members of the Bargaining Unit may elect to participate in the ARP using any of the carriers approved by the Ohio Department of Insurance who have been authorized by the Wright State University Board of Trustees. The University contribution to the ARP on behalf of a Bargaining Unit Faculty Member shall be the greater of 1) the University contribution to the ARP for non-Bargaining Unit Faculty Members, or 2) the University contribution to STRS for Bargaining Unit Faculty Members, less any mandatory contribution to STRS required of the University by Ohio Revised Code Chapter 3305 or other applicable law. The University will notify AAUP-WSU of any increases or decreases in the mandatory contributions to STRS.

33.2 Bargaining Unit Faculty Members who are not eligible to elect an ARP or who elect the State Teachers Retirement System of Ohio (STRS) for their retirement program will be enrolled in STRS as required by the Ohio Revised Code. Employee contributions to STRS will be deducted from the Member’s pay on a pre-tax basis.
Article 34
Emeritus Faculty

34.1 The Emeritus title recognizes past contributions to the community of scholars at Wright State University and confers on the recipient the rights and privileges of other members of the community of scholars at Wright State University, subject to the limitation of the right to vote and the right to hold elective office, and is conferred as a lifetime status. Insofar as it is possible, and subject to fiscal considerations, the University will extend courtesies and services to Emeritus faculty that facilitate their continuing contributions to the academic life at Wright State University.

34.2 Bargaining Unit Faculty who have served as full-time faculty ten or more years at Wright State University will automatically be granted the Emeritus title upon retirement and upon written request by the Member of the Bargaining Unit to the Provost. Bargaining Unit Faculty Members who have served as full-time members of the faculty for five or more years, but less than ten years, may request consideration for the Emeritus title through the process of a petition to the Provost through the Member’s own administrative unit. In order to be considered for the Emeritus title, the petition of a Member of the Bargaining Unit must be supported by the Dean of the College or School in which the Member holds his or her primary appointment.

34.3 The criteria and procedures for awarding the Emeritus title to a deceased Member are the same as set forth in Section 34.2 except the process may be initiated by a department chair or dean.
Article 35
Separability

35.1 Should any portion of this Agreement be found by a duly constituted authority to be in conflict with any applicable law, then such conflicting portion of this Agreement shall be rendered null and void and the applicable law shall be controlling. In such an event, upon request of either party, the parties shall meet. If replacement language is necessary as a substitute for the invalidated provision(s), the parties shall negotiate such replacement language.

35.2 The invalidation of any portions of this Agreement in accordance with this article shall not affect the legality and enforceability of the remainder of this Agreement.
Article 36
No Strike / No Lockout

36.1 The AAUP-WSU and its officials will not cause, support, or condone, nor shall any Member or Members of the Bargaining Unit take part in any strike, sympathy strike, slowdown or work stoppage of any kind during this Agreement.

36.2 The University shall not conduct a lockout of Bargaining Unit Faculty Members during this Agreement.

36.3 Any Member of the Bargaining Unit who engages in any activity in violation of Section 36.1 during this Agreement shall be subject to discipline up to and including dismissal, as provided for in Articles 14 and 15.
Article 37
Amendments

37.1 The terms of this Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in a written and signed amendment to this Agreement.
Article 38
Agreement Duration

38.1 This Agreement shall be effective upon execution and expire on June 30, 2014.

38.2 The parties agree to begin negotiations for a successor agreement no later than January 2014.
Appendix A
Candidate Review Statement

The Candidate Review Statement specifies items to be included in the Promotion Document.

Name of Candidate: __________________________________________________________

Department and College: ______________________________________________________

I hereby submit these materials as my Promotion Document in support of my candidacy for Senior Lecturer/Clinical Assistant Professor. My Promotion Document consists of the following:

1. The candidate review statement (Appendix A)

2. Evidence of sustained outstanding performance in teaching

   a. Annual performance evaluations for at least the six most recent years
   b. Peer evaluations of teaching (two in a given academic year) for at least two of the four most recent academic years, pursuant to Section 13.5.2.3
   c. Statistical summary and frequency distributions of all required student evaluations of teaching during the past six years
   d. List of 15 or more positive teaching-related activities from the list in Section 11.2.1.2
   e. Other evidence of outstanding teaching (optional)

3. Evidence of sustained outstanding performance in service

   a. List of significant service activities from the list in Section 11.2.2.2.1
   b. List and description of major initiatives (Section 13.8.3)
   c. List and description of significant leadership contributions (Section 13.8.3)
   d. Other evidence of outstanding service and leadership (optional)

_________________________  __________________________
Signature of Candidate                   Date

Important note: any candidate for promotion to Senior Lecturer or Clinical Assistant Professor who undergoes the promotion process during the academic year 2013-2014 may elect to have his or her record evaluated against either (1) the criteria specified in the Collective Bargaining Agreement for NTE faculty (Sections 13.8 through 13.8.3), or (2) the criteria specified in the Faculty Handbook. See the MOU at http://www.wright.edu/administration/aaup/2013.09.25-promotion-criteria-mou.pdf

Promotion Schedule for 2013-2014

Promotion Schedule for 2013-2014

October 18, 2013 (Fri)  Deadline for candidate to initiate the promotion process by submitting to the Department Chair (Dean for candidates at the Lake Campus or in the College of Nursing and Health) the complete Promotion Document (Section 13.5.4.1)

November 8, 2013 (Fri)  Deadline for the Department Chair to (1) review the Promotion Document, (2) add a letter recommending for or against the promotion to the candidate’s Promotion File, (3) give a copy of the letter to the candidate, and (4) transmit the Promotion File to the Dean (not applicable for candidates at the Lake Campus or in the College of Nursing and Health)

November 26, 2013 (Tue)  Deadline for candidate to submit to the Dean a rebuttal to the Department Chair’s letter (Section 13.5.4.2) (not applicable for candidates at the Lake Campus or in the College of Nursing and Health)

January 10, 2014 (Fri)  Deadline for College Senior Lecturer (Clinical Assistant Professor) Promotion Committee to complete its review of each Promotion File and add its written recommendation to the Promotion File

January 17, 2014 (Fri)  Deadline for the Dean to (1) notify the candidate in writing of the recommendation and vote of the College Senior Lecturer (Clinical Assistant Professor) Promotion Committee, and (2) provide a copy of the College Committee’s written recommendation to the candidate

February 3, 2014 (Mon)  Deadline for candidate to submit to the Dean a rebuttal to the College Committee’s written recommendation

February 14, 2014 (Fri)  Deadline for the Dean to (1) review the Promotion File, (2) add a letter recommending for or against the promotion to the candidate’s Promotion File, (3) give a copy of the letter to the candidate, and (4) transmit the Promotion File to the Provost

March 3, 2014 (Mon)  Deadline for candidate to submit to the Provost a rebuttal to the Dean’s letter

March 17, 2014 (Mon)  Deadline for the Provost to (1) review the Promotion File, (2) add a statement to the Promotion File recommending for or against the promotion, (3) give a copy of the statement to the candidate, and (4) forward the Promotion File to the University President for consideration and recommendation to the Board of Trustees. If the Provost disagrees with the Dean’s recommendation, he or she will, as part of (2) and (3), add a written explanation to the Promotion File and promptly send a copy to the candidate.

*Covered cost is based on Anthem’s Maximum Allowable Amount which may be significantly less than the Non-Network billed charge. The patient is responsible for any amount in excess of Anthem’s Maximum Allowable Amount for a service provided by a Non-Network provider.
Anthem Blue Traditional Coverage Summary

This plan provides the same level of benefits whether or not the medical provider is an Anthem Blue Cross and Blue Shield network provider.

Lifetime Maximum (Combined Network and Non-Network) (3)

|                      | Unlimited | Unlimited |

**Notes:**

- All deductibles and coinsurance apply toward the out-of-pocket maximum including prescription drugs. (Excludes Non-network Human Organ and Tissue Transplants).
- Deductible(s) apply only to covered medical services listed with a percentage (%) coinsurance including prescription drugs.
- Network and Non-network deductibles are combined. Network and Non-network coinsurance and out-of-pocket maximums are separate and do not accumulate toward each other.
- Dependent age: to the end of the month year in which the dependent attains age 26
- 0% means no coinsurance up to the maximum allowable amount. However, when choosing a Non-network provider, the member is responsible for any balance due after the plan payment. No cost share means no deductible or coinsurance up to the maximum allowable amount.
- PCP is a Network Provider who is a practitioner that specializes in family practice, general practice, internal medicine, pediatrics, obstetrics/gynecology, geriatrics or any other Network provider as allowed by the plan.
- SCP is a Network Provider, other than a Primary Care Physician, who provides services within a designated specialty area of practice.
- Benefit period = Calendar Year

(1) We encourage you to contact Our Mental Health Subcontractor to assure the use of appropriate procedures, setting and medical necessity. Refer to Schedule of Benefits for limitations.
(2) Rx non-network diabetic/asthmatic supplies not covered except diabetic test strips.

</tr>
</tbody>
</table>

A **copayment** is determined as a percentage of the Delta allowed amount for the service.

*A patient being treated by a Delta PPO Option dentist* pays no deductible for any service and cannot be billed by the dentist for any amount exceeding the Delta allowed amount for that service.

**A patient being treated by a Delta Premier dentist** pays a $50 calendar year deductible for services other than routine well-care and cannot be billed by the dentist for any amount exceeding the Delta allowed amount for that service.

***A patient being treated by a Non-Member dentist** pays a $50 calendar year deductible for services other than routine well-care and can be billed by the dentist for any amount exceeding the Delta allowed amount for that service.

The maximum annual benefit per patient for services other than orthodontic services is $1,000.

The maximum lifetime benefit for orthodontic treatment for a child is $1,000.

Appendix F
Side Letter on Compensation for Distance Learning

The following distance learning compensation shall be in effect until June 30, 2014. Any compensation for distance learning agreed to on or before August 1, 2013 is not subject to this Agreement.

The intent of this Side Letter is to provide the University and the AAUP-WSU an opportunity to develop bases for determining (1) when extra compensation is reasonable and appropriate for distance learning and (2) what the compensation should be.

The University and the AAUP-WSU agree that the work of developing and teaching distance learning classes sometimes exceeds the normal range of effort needed to prepare and teach classes taught in a traditional classroom. Before offering a Bargaining Unit Faculty Member(s) release time or monetary compensation for learning to use new technologies, for developing courses or courseware, or for teaching classes via distance learning, the university will negotiate such compensation with the AAUP-WSU.

• The university will initiate such negotiations by providing the AAUP-WSU with a proposal of (1) specified compensation (monetary and/or release time) as payment for (2) described duties, accompanied by (3) an explanation of why the specified amount of extra compensation is appropriate for the extra work.
• The provisions of Section 20.2.5 apply regarding distance learning courseware.
• Agreements resulting from these negotiations will be distributed to all college deans.

If the University provides compensation for distance learning to a Member(s) following unsuccessful negotiations as described above, the AAUP has the right to take the matter directly to binding arbitration.

Works-for-Hire
If, after being asked by the University, a Member agrees to develop a distance learning course or courseware that will be used by other faculty, that Member and the University will enter into a written agreement outlining the rights and responsibilities of the parties. At a minimum, the agreement will describe the product or outcome to be produced by the Member; all compensation (monetary and/or release time); ownership of materials developed; the University’s right to allow other faculty members to use the developed materials; provisions for the modification, reuse, or sale of courseware; the responsibility for obtaining copyright permission for items used in the creation of courseware; and the distribution of royalties (if any). At least ten working days before finalizing a work-for-hire agreement with a Bargaining Unit Faculty Member, the University will send a copy of the anticipated agreement to the AAUP-WSU. The University will promptly send a copy of each signed agreement to the AAUP-WSU.

The university is not obligated to provide work-for-hire opportunities to Bargaining Unit Faculty Members, and Members are not obligated to accept such assignments when asked.
The undersigned confirm that this agreement is effective September 20, 2013.
