

"X" GRADE NOTICE

"X" grades are assigned if you do not formally withdraw from a class or if you do not complete the class.

VA regulations stipulate that education benefits can only be paid while the student is attending a class through the end of the academic term. Your VA education benefits will be terminated/reduced effective the last day of class attendance. In some cases, the VA Regional Office may terminate/reduce your benefits retroactive to the first day of class.

VA regulations require that should you receive an "X" grade without mitigating circumstances, a debt will be created and you will be responsible for repayment.

A "Notice of Benefit Requirements" is printed on the reverse side of each enrollment report. Please become familiar with these requirements. Failure to do so may cause benefit interruptions.

You must notify this office of any changes in your enrollment status.
