MVITA Executive Luncheon

Thursday – January 19, 2011

Wingate Inn
West Chester, Ohio

Mike Nemeth – Elliott Tool Technologies, Ltd.

" Sales Channels are Critical to your International Success "

Please join us on January 19th as MVITA hosts an Executive Luncheon featuring a presentation by Mike Nemeth, General Manager of Elliott Tool Technologies, Ltd. Mike will discuss the key success factors from his own experience in growing international sales and profits for your company through your international sales channels.

Elliott Tool Technologies is a small, local manufacturer of engineered tools used to install and maintain equipment in the heat transfer, process and energy industries.

Established in 1892, Elliott Tool Technologies has achieved outstanding success in expanding its business through exports. Elliott Tool exports approximately 30% of its sales.

Mike Nemeth is the General Manager of Elliott's Tube Tool Business Unit for the past 8 years. Prior to Elliott Tool, Mike was employed at the Mead Corporation, a Dayton based Fortune 500 paper and packaging company, his roles included business analyst and market research. He joined ABB, an international automation and power business headquartered in Switzerland. While at ABB his roles included global product marketing, start-up of an application consulting business, and finally P&L manager for a service business unit.
