

REAL WORLD LEARNING... REAL WORLD RESULTS

- ▶ From Main Street to Wall Street...around the corner or around the world...a degree in accountancy from the Raj Soin College of Business will take you there!
- ▶ It's not just about the math. You learn communication, leadership, technology, and ethical decision-making skills that help you stand out from the rest.
- ▶ Our faculty is focused on student success and it shows. Wright State students have led Ohio on the CPA exam and the nation on the CMA exam—plus they've won an unprecedented five IMA National Case Championships!
