

Free Attendance for All Students!

InfoTech 2009

October 20-22, 2009

Dayton Convention Center - Dayton, Ohio

Student Highlights

Career Fair

- Features government and industry organizations actively recruiting job seekers
- 20 companies offering internships have participated in the career fair the past two years

Exhibit Hall

- Over 130 exhibits featuring government, academic, and industry organizations
- Network with other professionals and preview new technologies

Training Sessions

- Over 20 unique one hour training classes
- Several PMI classes including a Beginning Project Manager track of courses
- Also includes classes offered by the Small Business Administration, Advanced Technical Intelligence Center (ATIC), and the Air Force Institute of Technology

How Universities can become more involved?

- Encourage Student Attendance by advertising on campus, newspaper, and classroom
- Provide attendance credit to students who attend conference as an alternative to one class session

InfoTech 2009—The premier technical, intelligence and security clearance Career Fair taking place in the Dayton, OH—Wright-Patterson AFB area!
