MAJOR CHECKLIST
 AFRICAN AND AFRICAN AMERICAN STUDIES

Student Name _____ SSN _____

African and African American Studies (AFS) is an interdisciplinary program that provides students the opportunity to explore the heritage and contributions of Africans and African Americans to world civilizations and cultures. Students within this major will: 1) develop effective critical thinking and communications skills; 2) explore teaching and research interests in African and African American experiences in Africa, the United States, and throughout the African Diaspora; and 3) participate in related applied and practical experiences beyond the classroom through a service learning internship.

Students who wish to engage in more concentrated study within the major are able to design an appropriate course of study through directed readings and independent study with the permission of the Program Director and a professor in the program.

Credit Hours/Grade Point Average Required for Graduation:

- _____ Complete 192 hours with minimum 2.0 grade point average.
- _____ Complete 56 hours in General Education requirements.
- _____ Complete 64 hours in AFS major courses toward total credit hours.
 - _____ a. complete 24 hours in foundation courses
 - _____ b. complete 40 hours in program requirements
- _____ Complete 24-32 hours of Foreign Language and Research Methods requirements.
