Research Experience for Undergraduate supplement to my current National Science Foundation grant (\$6,250) was funded to support Katie Bullinger's trip summer of 2003 to collect her senior honors thesis data in Germany.

**Kurdek, Larry**

Kurdek, Award for distinguished scientific contribution, Division 44 (Society for the Psychological Study of Lesbian, Gay, and Bisexual Issues), American Psychological Association

**Outreach programs**

**Clafin, Dragana I.**

Participated in Tech Fest, COSM's Summer Science Institute – Forensic Science, and COSM Exploring Science

**Gooden, Martin**

Title of Outreach Program: Dayton Dialogue on Race Relations; Role: Chair, group facilitator, program evaluator; Description of Program: A diversity initiative sponsored by the University Diversity Advisory Council (UDAC) involving small group dialogues centering around race related issues on campus; Eligible Participants Faculty, staff, and students

**Nagy, Allen**

Faculty Mentor for Summer Apprentice Program. Mentored one high school student during the summer.

**Schneider, Tamera R.**

Winter 2003 through Fall 2003 Practica supervisor. Involves supervising students who conduct an off-site practicum in exchange for course credit. Serving as a practicum source for the London Correctional Institute where they need some assistance in training prisoners for reentry into society. Students meeting criteria to engage in this practicum will receive an excellent supervised experience in working with the prisoner reentry program (where prisoners receive counseling for reentry into society). Other opportunities arising in 2003 include work with autistic children.

Spring 2003 West District Science Day Judge. Science fair judge for science projects of 5-12 grade students.

**Student clubs****Clafin, Dragana I.**

Psychology Club and Psi Chi – the WSU chapter of the National Honor Society in Psychology: Officers of both organizations work together to (1) organize faculty to present material on the graduate school application process, (2) invite speakers from WSU graduate programs to talk about their programs, (3) provide a forum for student interaction and networking to help learn about future planning and careers opportunities, (4) develop fundraising events to sponsor student travel to a professional psychological meeting held in May in Chicago, (5) hold social events to promote students getting to know each other better and foster a sense of community within the Department of Psychology, (6) hold an annual awards ceremony to recognize deserving undergraduates and induct new members to Psi Chi.

**Gooden, Martin**

Psychology Club and Psi-Chi – As a faculty representative, I participated in a presentation for undergraduates on how to apply to graduate school
