

NURSING/ PREMED OPTION

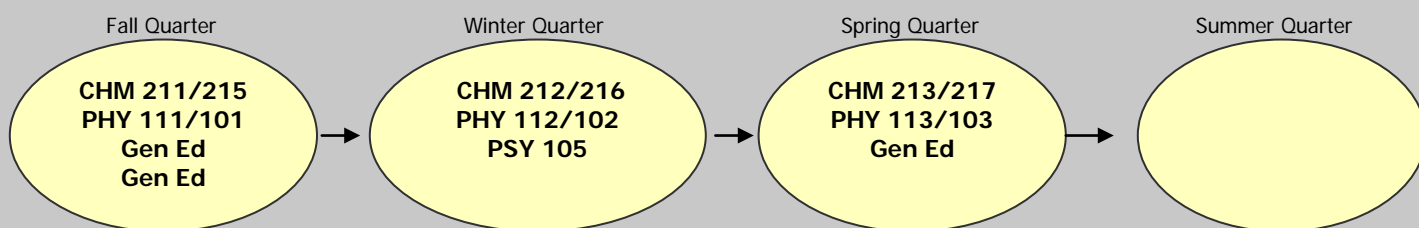

FRESHMAN YEAR

*The mathematics placement examination is used to determine the initial mathematics course. This sample curriculum assumes that the student is proficient in College Algebra I and received a level of 4 or higher on their math placement test.

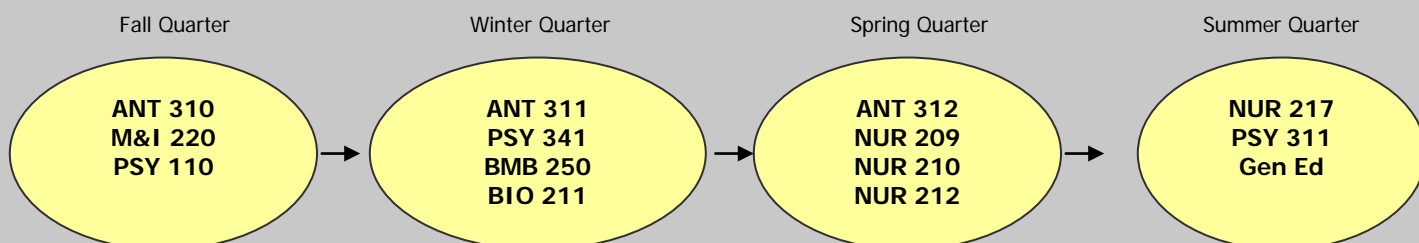

Year 1:

SOPHOMORE YEAR

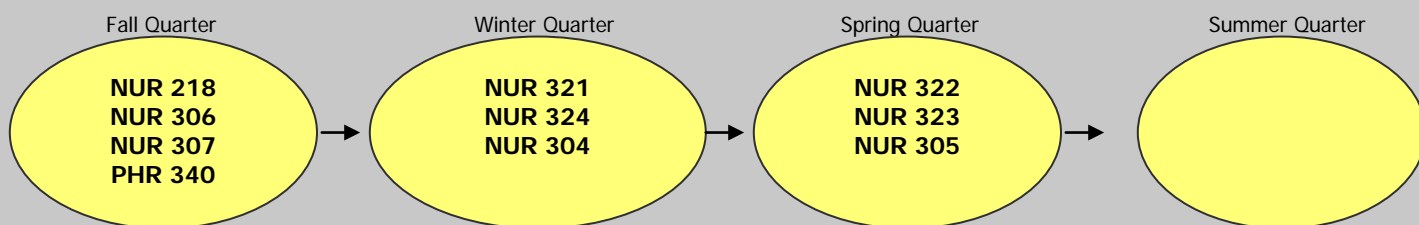

Year 2: Make an appointment with the Pre-Health Advisor upon completion of fall quarter.

JUNIOR YEAR

Year 3: Attend the *Application for the Health Professions* workshop. Prepare for the MCAT and take it in August.

SENIOR YEAR

Year 4: MCAT in April if not taken in August.

The fifth year of this program is on the following page.

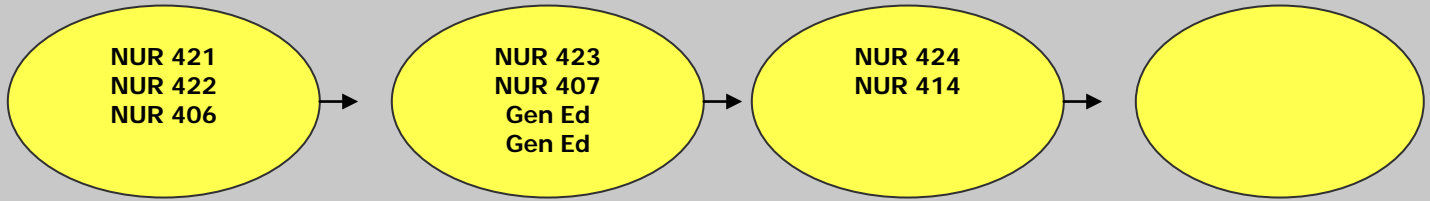

FIFTH YEAR SENIOR

Fall Quarter

Winter Quarter

Spring Quarter

Summer Quarter

Year 4: Submit final application (recommended no later than by Oct. 1st; the earlier the better).

NOTE: See an academic advisor early in your program to make sure you are completing necessary pre-requisites for post-secondary education options you are pursuing (i.e. Medicine, Physical Therapy, etc.).

LEGEND

Year 1

1. Attend the health professions information forum on President's Day (February).
2. Complete ENG 101, ENG 102, and MTH 128 (or 129) by the time you have earned 60 credit hours.
3. Get involved with student organizations; research the health professions; gain health care experience

Year 2

1. Apply to the College of Nursing after you have achieved the following:
 - 1) 48 college credit hours
 - 2) 2.5 cumulative GPA
 - 3) Earn at least a grade of C in all nursing pre-requisites (see CONH advisor for assistance)
 - 4) submit a CONH admissions application by the established deadline
2. If you did not attend the President's Day event during "Year 1," then attend it during "Year 2."
3. Set-up an appointment to meet with the Pre-Health Advisor and your Nursing advisor to make sure you're still on the right track.

Year 3

1. Prepare for the MCAT and take it by the end of summer quarter.
2. Meet with the Pre-Health advisor if you have MCAT and/or application questions.

Year 4

1. If needed, prepare to retake the MCAT no later than spring quarter (Jan-May).
2. Attend the *Application for the Health Professions* workshop in May.
3. Determine if you are applying for early decision.

Year 5

1. Submit final application for professional school (recommended: by Oct. 1st).
2. Meet with academic advisor to make sure you are set to graduate.
3. Graduation: Fall Quarter: May 26-Aug 21
 Winter Quarter: Aug. 22- December 7
 Spring Quarter: December 8- March 1
 Summer Quarter: March 2- May 25

The above information is a **sample course path** for your undergraduate career. You may move courses as you see fit. Check your DARS report online and see an advisor regularly to make sure you are on track for graduation.
