## 2007 Student Program Evaluation

					1= Very Little 2 3 4 5 = Very Much		
1a. What did you like best about this summer's program?	1b. The least?	1c. If you could change one thing, what would that be? Why would you change it?	2. What did you learn/do in the program that you think will help you most in the upcoming school year?	3. Would you recommend this program to your friends? Why or why not?	4a. How much did you learn from your English academic class?	4b. How much did you learn from your Social Studies academic class?	4c. How much did you learn from your Math academic class?
The experience	Math class	I would change Career Day. I don't like to dress up.	Algebra, of course.	Yes, because it's a lot of fun.	1	4	3
Swimming	Classes	Nothing	I learned back starts	Yes because this is a great program.	5	5	4
Being around other people	Math	The math teacher	Getting up early	Yes, because its fun	3	3	1
Best about this program I liked my teachers and my electives.	Nothing	If I could change one thing I would change the food. I would change it because we basically have the same thing each week.	Math, science, social studies, language arts	Yes because this is a very good program	5	5	5
My electives and my cool teachers, meeting new friends.	Having homework	Less work and homework. More activities. Because it is less work to do.	Yes, because I will be ahead of the other students in all subjects. I learned a lot but some of it I know.	Yes because my friends might come here next year.	5	5	4
Meeting new people	Getting in trouble	Make time longer so that I could make more friends	Write an essay	Yes because its fun and helpful	5	4	4
					5	5	5
Art class	I liked everything so it wasn't anything I didn't like	I wouldn't change anything	It's too much to write down	Yes because if they came I know they would have a good time	3	5	4
The games and activities	The learning	That we could have juice at lunch because it would be nice.	I learned some stuff I might need in math (F.O.I.L.)	No they wouldn't be able to come, they'd be too old.	2	5	3
Watching movies, electives, classes	Waking up early	The time. We wake up too early. I would change it to 9:00	Math, science, social studies, language arts	Yes it was very interesting.	5	5	5
What I liked was going to the field trips and watching movies.	The strict teachers	That we could go on more field trips	Um, I learned more leadership skills	I would recommend this program because it is a great learning program.	2	5	3
The teachers	The long hours	The walking; I would get a scooter	Equations, 5-paragraphs, and the Civil War	Yes because it gives you more than you know	5	5	2
It educated me and I had fun at the same time.	Any homework	No homework, I didn't like it.	Social studies because that was the subject in school I had trouble in	Yes it is great. You learn and have fun.	5	5	5
Learning	Homework	Nothing	Learning math helped a lot. And interacting with other students.	Yes. The would learn a lot and make cool new friends	4	5	5

How much did you learn from your English academic class?	4b. How much did you learn from your Social Studies academic class?	4c. How much did you learn from your Math academic class?
Sports	Homework	Homework because I didn't want homework	All the subjects	Yes because its fun	5	5	5
Learning new things	Getting up early	I wouldn't change anything	Learning things that I don't already know.	Because it helps you with things you need to know.	4	5	3
The field trips and the food	I felt that some of the staff think respect was demanded rather than earned	That we get respect as well as teachers and that we did less work	Nothing except in social studies and types of sentences	I'm not sure. It was okay being here.	4	5	1
That we went on field trips and hung out with our friends.	That we did more work than anything	More fun teachers. Because I don't like boring teachers and it's summer, so let's make it fun.	I learned about the Civil War and I think that would help be because I haven't been taught that much about it.	I'm not sure. Because all my friends are different and some may want to be in a program, others may not.	3	5	2
Everything	The forms we had to fill out	The paper work at the end of the year. Why because it's too long.	I learned to do math better.	Yes because it is a great experience.	5	5	5
The things that we did.	The attitude of some of the adults and kids.	I wouldn't change anything	I learned how to write a correct essay and natural selection, and wars	Yes I would cause it's a great experience	5	5	1
The people	The work	I would change how we only have water and milk because I don't like water and milk that much	How to present information and prove points	Yes because you learn a lot.	4	5	5
I liked that we got to meet new people	Some teachers got attitudes with us	I wouldn't change anything	I learned stuff in language arts and science	Yes because its good for you to learn something during the summer	5	5	1
I met new people	Homework	Homework because its summer	How to be a leader	Maybe because you get work	1	3	1
I liked most of my teachers	Ms. Erin was not very nice	I would change my attitude	I think that almost everything will help me in the upcoming school year	Yes I would recommend this program to my friend because it is fun.	5	5	2
Everything	Waking up at 6 in the morning	The time Summerbridge starts	Everything: science, math, social studies, language arts	Yes because it's really fun and a great learning program (except for the time)	5	5	4
The food and learning a lot about our classes.	The way we didn't have a lot of time in the class.	I would change the way we switch classes. We should let the teacher come to us. I would change it because we don't get enough time in the class.	Learning about goals and values and being a success	Yes, because it's a program to get you prepared.	4	5	4
The people and lunch	The teachers	The name of the program and name it after me	I learned about math	Yes because it's fun	2	5	5

						1= Very Little 2 3 4 5 = Very Much	
1a. What did you like best about this summer's program?	1b. The least?	1c. If you could change one thing, what would that be? Why would you change it?	2. What did you learn/do in the program that you think will help you most in the upcoming school year?	3. Would you recommend this program to your friends? Why or why not?	4a. How much did you learn from your English academic class?	4b. How much did you learn from your Social Studies academic class?	4c. How much did you learn from your Math academic class?
Basketball	Language arts class	Classes	Math	Yes its fun	1	5	3
I liked everything about Summerbridge	The dress code and that fact that everybody got in trouble for one person's mistake.	I wouldn't change nothing, but the paper writing thing because it wasn't fair.	I learned everything that I would need to use.	Yes it is a good program.	4	5	5
Everything we did	The old food	The food. Most of the food was old.	How to write better papers.	Yes. Its fun and a good learning experience.	5	4	5
We get to watch movies and the field trips.	Being in school all day.	The school hours	I learned the same things I already knew.		3	3	5
I liked how we all talk and play with each other.	I didn't like how we only get two electives.	I would change how electives are being held. I would change it because we could all just take turns.	Fraction problems	Yes because its fun.	4	5	5
The field trips	The academics	The level of math my teacher had me doing. It was too easy	Learning about the Civil War	Yes because it gives you something to do during the summer.	3	5	2
Meeting new friends	Doing the work	I would change my behavior because it was disrespectful at times.	To always write down what teachers tell you to or just important facts that can help you on a test.	Yes because even though you have to do work, you learn a lot and meet new friends.	3	5	5
My fun classes; and the food (sometimes). Making new friends	Um, at one point in time, disrespect from certain teachers. And getting projects when my computer doesn't work.	Less homework, less stress	Pay attention in class	Probably . . . There were more ups than does, but the downs were quite obvious.	3	5	4
Electives	Classes	Classes because most kids in the summer don't want to learn while they're on vacation	A resume	Yes because it helps you become more intelligent.	3	4	3
Lunch		Nothing	Equations	Yes so they can learn.	5	5	5
When we watched movies and my friends	Strict teachers	Shorter classes so we can have longer electives. More field trips.	I learned black history: Malcolm X, Black Panthers, Hotel Rwanda	I would recommend this program because I feel it would be an excellent program.	2	5	3
The fun stuff we did and how we got along.	The heat	I would change vegetables to candy just for fun	How to do my work the correct way	Yes I would because they need it

All of them were the highlight of the program	A going away party because they won't see us till next year	Yes because it is helping us with our work	5	
Was not here	I don't know	I would want the program to exist because you get to learn new things.	5	
Culture	Aquarium		3	Cheerleading - not Ms. Amber's fault. Every time we had cheering we never got to do it because something always occurred during those two days.
Spirit Day and Olympics Day were okay. Culture Show was great.	Don't matter.	Yes cause some people like it.	3	
They were really great.	Basketball, because it is fun	Yes	5	
They were fun and exciting	I would like to go to an aquarium because they are exciting	Yes it should because it helps people learn and start to like learning	4	Cheering: every time it was our turn, we had something to do
They were alright and they were fun	Dances, because that is one of the things people my age like to do	Yes because it keeps kids out of trouble.	4	
Spirit Day I had fun		I would say yes because it helps you and if something that helps you should stay.	5	It helped to meet friends and to learn.
They were fun		Yes because it gives you more understanding of the schoolwork you get at school.	5	
I liked all of the special events.	Shopping day because we could learn to handle money	Yes it should exist. Why would you ask such a question?	5	
	Costume day so you can dress up as anything you want	Yes because it is a great opportunity for children to come and learn more without having to go to school next year and feel stupid.	5	I love Summerbridge Dayton
All the events were very fun and I like to experience new things	I really don't have a clue. Most of the events are already named.	Yes because it helps our young people stay motivated.	5
