

## WeEXCEL Application 2008-2009

Name: \_\_\_\_\_ Date of Birth: \_\_\_/\_\_\_/\_\_\_  
First MI Last Maiden (if applicable)

Home Address: \_\_\_\_\_ Apt. \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Home Phone: (\_\_\_\_) \_\_\_\_\_

Email: \_\_\_\_\_  
(Most of our communication will be electronic. Please list an address that you will check, even during summer months.)

School: \_\_\_\_\_ District: \_\_\_\_\_

School Address: \_\_\_\_\_

City: \_\_\_\_\_ Zip: \_\_\_\_\_

School Phone: (\_\_\_\_) \_\_\_\_\_ School Fax: (\_\_\_\_) \_\_\_\_\_

Subjects and grade levels taught: \_\_\_\_\_

Math and Science Courses (check all you wish to register for)	Credit from**	Σ
Data Analysis using Technology I Grades 7-11	UD	
Weather, Water and Land Grades 3-5	UD	
Data Analysis using Technology II Grades 8-12*	UD	
Processes of Science and Math Grades K-3	UD	
Catastrophic Events Grades 6-8	UD	
Connected Mathematics Grade 6	WSU	
Connected Mathematics Grade 7	WSU	
Connected Mathematics Grade 8	WSU	
Ecosystems Grades 3-5	WSU	
Middle Math in Context with Technology Grades 4-7	UD	
Electric Circuits, Electrical Energy Grades 5-9	WSU	
Motion, Forces, Energy and Design Grades 5-9	WSU	
Connected Math 40hr academic yr. follow-up <b>ONLY</b>	WSU	

\*The Data Analysis using Technology courses must be taken in sequence. Course I must be taken prior to course II.  
 \*\*Courses may be held at WSU, but credit is given by UD. Please double check the site where your course is being offered.  
 Please note that if you are new to the WeEXCEL courses, in order for your registration to be accepted you must register for at least **two** courses in the summer.

Please choose one.

- I wish to take these courses for **free** graduate credit and contact hours.\*
- I wish to take these courses without receiving graduate credit, just contact hours.  
*(If you do not wish to receive graduate credit, we must have your social security number in order to award a stipend.)*

\*Please note that if you wish to receive graduate credit and you are not a current graduate student, you may be asked to send in official transcripts at a later time.

Have you previously attended any WeEXCEL academies at WSU or UD? Please check all that apply.

- WOMAT 2006  
 WOSAT 2006  
 ITQ 2006 or 2007  
 WeEXCEL Academies 2007  
 None of the above

Have you taken any graduate level courses in the past year? If so, please check from where and include your university or student ID (if known).  WSU - U \_\_\_\_\_  UD - \_\_\_\_\_

In signing this form, you are indicating that you wish to register for the above chosen WeEXCEL Science and Math Teacher Academies. You understand that you will be registered for **both** the summer institute as well as an academic year follow-up course. You also understand that the program is intensive and substantive and will require a true commitment of both time and effort.

Your Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Principal Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### **Completed applications must be received no later than May 30, 2008.**

Mail or fax completed applications to the attention of Abbey Brown at (937) 775-3248.  
 Once your application has been accepted, you will be contacted with further information and instructions.  
Please note that it may take up to two weeks to process your application.
