Dear Lake Campus Student,

When you chose the Lake Campus of Wright State University for your college career, you began one of the most exciting times of your life. Earning a college degree is the first step to realizing your dreams and achieving a successful career. The Western Ohio Educational Foundation is committed to helping you reach these goals by offering a variety of scholarship to Lake Campus students. The criteria to award these scholarships can include grade point average, class ranking, county residency, college major, and/or need. Since 1962, WOEf has awarded over \$2.7 million in direct scholarship assistance to area students who attended the Lake Campus.

On behalf of the Western Ohio Educational Foundation (WOEF), you are cordially invited to submit your application for a 2012-2013 WOEf Scholarship. This one application is all that you will need to be considered for over \$100,000 in various scholarships for continuing students. For the current year, the foundation awarded over \$247,000 in scholarships to Lake Campus students only.

All scholarships were made possible through the generosity of area individuals, corporations and businesses. We look forward to having you on campus next year, and hope that you will submit your application for one the many scholarships that we have reserved for students such as yourself.
