

Spring, 2006

The Lake Campus Reading Center will have summer tutoring available again this year.

1. This is separate from Camp READ.
2. Any child from any school is welcome to attend.
3. The number of students we will accept will depend on the number of teachers we get.
4. The cost for one session of tutoring (10 sessions) is \$200.00. We do have financial aid available on a limited basis.
5. More than one session per child is possible, depending on the wishes of the parents and the availability of the instructor.
6. All tutoring will take place at the Reading Center.
7. Parents and instructors will co-plan arrangements for days of the weeks and times.
8. When we receive your enrollment form, you will be sent a confirmation and additional information.
9. Please register early to ensure a place!

Fax or mail the enrollment form below to:
