As a higher education consultant, Dr. Moody specializes in the recruitment, mentorship, and retention of faculty, post-docs, and graduate and undergraduate students -- particularly under-represented minorities in all fields and women in male-dominated science and math fields.

Date: Thursday, March 17, 2011

Time: 12:00 pm - 2:30 pm

Location: Louis Stokes Center for Aging
Central State University
(Main Campus)

Lunch will be provided. Since seating is limited, please RSVP to Jennifer Bradshaw at jbradshaw@centralstate.edu or (937) 376-6262.
