

The Living Laboratory Center

DIRECTIONS FROM WSU: Take 675 S, exit right off of the Rt 48/Far Hills Centerville exit. Turn right.

Go 2 lights and turn left into the Bethany Lutheran Village Campus.

Once on campus, go to the first street (Inner Mission Way) and turn left.

You will drive by a one-story brick building on the left, a high-rise apartment on the right.

Go around a bend past the nursing home. Right away you will see to the left a 2-story blue house behind a cluster of trees.

The blue house is the meeting destination - The Living Laboratory Center.
