“ The Netherlands: stepping stone in the European market ”

Please join us on February 10th as MVITA hosts an Executive Luncheon featuring a presentation by Pierre van Kleef, Director of the Chicago Office of the Netherlands Foreign Investment Agency

This is the right time to expand your international business with a European sales and marketing operation in the Netherlands. Today, Europe's population stands at more than 660 million. The Netherlands places you at the doorstep of its purchasing power -- among the world's largest and richest consumer and industrial markets.

In recent years, the Netherlands has solidly established itself as a magnet for foreign-owned marketing and sales operations, with a perfect climate to successfully compete in Europe. A supportive corporate tax structure leads the way, complemented by an abundance of multilingual, multi-skilled employees and an excellent physical and telecommunications infrastructure. Not to mention strategic location - the Netherlands puts you at Europe's front door.

Special Guests attending:

Willem Schiff – Consul General of the Kingdom of The Netherlands

C.A. “Arnie” de la Porte – Honorary Consul of the Kingdom of The Netherlands for the State of Ohio
