## World Trade Day - 2011

### May 19, 2011

### ***"Israel: Innovation Hub and Trading Partner"***

Israel is a center of innovation and entrepreneurship, leading to more start-ups and NASDAQ-listed companies than any country in the world except the US. Join us for a morning of pertinent and interesting panel presentations on trade and partnering opportunities for Ohio companies with Israel.

### ***Morning Panel Presentations***

1. ***"What makes Israel a hub for Innovation / Entrepreneurship / R&D"***
2. ***"Partnering with Israeli Companies"***
3. ***"Law & Culture / Doing Business in Israel"***
4. ***"Ohio Local and State Initiatives on Trade with Israel"***

### ***Luncheon Speaker***

### ***"Israel's Economic Achievements, Challenges Ahead"***

by Yuri Lysoivanov

Director for the Government of Israel's Economic Mission in Chicago

Yuri will discuss Israel's past economic accomplishments, including how the country reinvents itself in response to a rapidly changing world. He will discuss current challenges in that regard, including the possible economic impact of the current turmoil in the Middle East, as well as what Israel might look like in 2020.
