READY TO START SAVING FOR A HEALTHY FUTURE?

HEALTH SAVINGS ACCOUNT

Your physical health is valuable – and so is your financial health. With your Fifth Third Bank Health Savings Account, you can keep both in good shape by saving money for short- and long-term medical expenses while enjoying certain tax advantages. Plus, you can manage virtually all aspects of your account – from enrolling, to transferring funds, to paying medical expenses – with a state-of-the-art online system that’s simple to learn and use.

To open your Wright State University Health Savings Account

1. **Log onto www.53hsa.com** to enroll in your Fifth Third HSA. Click on Register and enter FTB-8649 (case sensitive) in the Code box and click Get Started.

2. Complete the online enrollment application, including profile information, dependents, and beneficiaries. Be sure you also indicate the personal checking or savings account that will be used to fund your HSA. (Once you’re enrolled and your account is activated, it’s recommended you verify all your account details when you log back in for the first time).

3. Be sure to order your Fifth Third HSA Debit MasterCard®, which can be used to pay for all medical expenses. You can track all transactions online to document your HSA purchases.

4. After your enrollment is complete, you will receive:
   - A Welcome E-mail: Provides you with the next steps for logging into the online account, and a copy of the HSA Consumer Resource Guide. (Be sure to provide your e-mail address during enrollment.)
   - Your HSA Debit MasterCard: Upon receipt, activate your card by calling the number listed on the front. Be sure to call from your primary telephone number.

5. Once your account is activated, you can **manage everything online** – access is available 24-7. Use the online portal to:
   - Make contributions to your HSA
   - Check your balance
   - View transaction history
   - View account statements
   - Choose investment options for balances over $2,000

6. Click the **Tools & Support tab** to review several forms and documents that make using your HSA easier, including:
   - HSA Consumer Resource Guide
   - HSA Investment Options
   - HSA Interest Rate Information
   - HSA Transfer Kit

Be sure to review the **HSA Consumer Resource Guide** – it acts as a how-to guide for navigating your online account. The information in the HSA Consumer Resource Guide is updated often. The latest version can be found under the Forms tab when you are logged into your HSA.
