- If you have not received your Certificate of Eligibility, you are required to pay all tuition and fees in full or pay for courses using the Student Installment Payment Plan by posted fee payment deadlines. Without the C.O.E. on file, you will be subject to cancellation of courses due to non-payment if you registered during early registration. Late payment fees will be assessed per university policy if you registered during open registration. _____ Please note: *It is recommended that you complete and file a Free Application for Federal Student Aid (FAFSA).*
- If you are eligible for less than 100% of the benefit, you are required to pay the remaining portion of tuition and fees not covered by the VA by posted fee payment deadlines. Without the C.O.E. on file, you will be subject to cancellation of courses due to non-payment if you registered during early registration. Late payment fees will be assessed per university policy if you registered during open registration. _____
- You are required to submit a Veterans Enrollment Report every term after you register. Failure to do so will result in late payments or no payments of your monthly stipend, book allowance, and tuition and fees. _____
- After submission of the Veterans Enrollment Report, the VA will pay your tuition directly to the Office of the Bursar and the VA will release payment of the books and supplies stipend to you. If your time status increases (student must notify our office if hours increase), the VA will update your tuition payment. If your time status decreases, you will be required to pay any outstanding charges to the VA. You may also owe money to Wright State University if you drop classes after the refund deadline has passed. _____
- In the event that you withdraw from courses after the tuition and fee payments have been paid to the school on your behalf, the VA will consider this an overpayment. Overpayments will be charged to you and it will be your responsibility to repay the VA. If you do not attend any classes, but fail to officially withdraw (X grade), you will be responsible for reimbursing the tuition to WSU. The school refund policy and deadlines for withdrawing with a refund are published on the Registrar's website at www.wright.edu/registrar/. The refund policy will be enforced. _____
- You will be eligible for the monthly housing allowance only if you are enrolled more than half time (51%) and in at least one course that meets on campus. You will receive your monthly housing allowance in arrears. The housing allowance is prorated based on your benefit level (40% to 100%). Housing allowance is pro-rated by the student's rate of pursuit (rounded to the nearest tenth). For example, a student training at a rate of pursuit of 75% would receive 80% of the BAH rate. Distance learning students will receive housing allowance payable equal to half the national average BAH for E5 with dependents. Active Duty are not eligible. _____
- You will receive up to \$1,000 for books and supplies per academic year. The books and supplies stipend is \$41.67 per credit hour for up to 24 credit hours. The stipend is prorated based on the percentage of your benefit level. Payments are issued directly to the student in a lump sum for each term. _____
