

Locker Room Rules

- For the privacy of our patrons, the use of cell phones and recording devices is strictly prohibited in all locker rooms.
- All children 5 years of age and under must change in the accessible / family changing room with an adult.
- All lockers are the property of Campus Recreation. Fees may be assessed for locker damage caused by abuse or neglect.
- Campus Recreation reserves the right to open and check lockers for unreturned towels, equipment, and to resolve safety / security concerns. Patrons will be notified if this instance occurs.
- Please contact the Recreation Desk for rental information.

Daily use locker procedures:

Patrons should lock their items in the locker with their own lock. All daily locks should be removed at the close of the recreation facilities. No personal locks should be left over night. If lockers are not emptied at the close of the recreation facilities, the remaining items will be removed by Campus Recreation staff. These items will be logged and stored for up to 2 weeks. Patrons may retrieve these items during business hours for a \$5.00 fee. Items remaining after the 2 week period will be discarded. Campus Recreation is not responsible for locks that are cut.

Campus Recreation is not responsible for lost, stolen or discarded items.
