CLAIM INFORMATION
LONG TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible, so that a claim decision can be made in a timely manner. Written notice of a claim should be sent within 30 days after the date your disability begins. However, you must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity.

The claim form is available from your Employer, or you can request a claim form from us. If you do not receive the form from Unum within 15 days of your request, send Unum written proof of claim without waiting for the form.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE A CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Your proof of claim, provided at your expense, must show:

- that you are under the regular care of a physician;
- the appropriate documentation of your monthly earnings;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any hospital or institution where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.
WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim; and
- your receipt of deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

  period; or
- any of the participating members of Inter-University Council, Purchasing Group of

the participating members if Inter-University Council, Purchasing Group of Ohio
policies, a written notice will be delivered to the Policyholder at least 31 days prior to
the cancellation date or modification date. The Policyholder may cancel this policy
or a plan if the modifications are unacceptable.

Policyholder must pay Unum all premium due for the full period each plan is in force.

The policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments. When making a benefit determination under the policy, Unum has discretionary authority to determine your eligibility for benefits and to interpret the terms and provisions of the policy.

GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your waiting period.

WHEN DOES YOUR COVERAGE BEGIN?

When your Employer pays 100% of the cost of your coverage under a plan, you will be covered at 12:01 a.m. on the date you are eligible for coverage.

When you and your Employer share the cost of your coverage under a plan or when you pay 100% of the cost yourself, you will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or
- the date Unum approves your application, if evidence of insurability is required.

Evidence of insurability is required if you:

- are a late applicant, which means you apply for coverage more than 31 days after the date you are eligible for coverage; or
- voluntarily cancelled your coverage and are reapplying.

An evidence of insurability form can be obtained from your Employer.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury, sickness or temporary leave of absence, your coverage will begin on the date you return to active employment.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a leave of absence, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your leave of absence begins.
WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage will take effect immediately if you are in active employment or if you are on a covered leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered leave of absence provision.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.
**HOW WILL UNUM HANDLE INSURANCE FRAUD?**

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

**DOES THE POLICY REPLACE OR AFFECT ANY WORKERS’ COMPENSATION OR STATE DISABILITY INSURANCE?**

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

**DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM’S AGENT?**

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.
LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of your regular occupation due to your sickness or injury; and
- you have a 20% or more loss in your indexed monthly earnings due to the same sickness or injury.

After 24 months of payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your elimination period. Unum will treat your disability as continuous if your disability stops for 30 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is the later of:

- 180 days; or
- the date your accumulated sick leave, salary continuation or insured Short Term Disability payments end, if applicable.

You are not required to have a 20% or more loss in your indexed monthly earnings due to the same injury or sickness to be considered disabled during the elimination period.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes. If you are working while you are disabled, the days you are disabled will count toward your elimination period.
WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Multiply your monthly earnings by 60%.
2. The maximum monthly benefit is $10,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your gross disability payment.
4. Subtract from your gross disability payment any deductible sources of income.

The amount figured in Item 4 is your monthly payment.

WILL UNUM EVER PAY MORE THAN 100% OF MONTHLY EARNINGS?

The total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 100% of your monthly earnings, unless the excess amount is payable as a Cost of Living Adjustment. However, if you are participating in Unum’s Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings, unless the excess amount is payable as a Cost of Living Adjustment.

WHAT ARE YOUR MONTHLY EARNINGS?

"Monthly Earnings" means your gross monthly income from your Employer, including shift differential, in effect just prior to your date of disability. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay or any other extra compensation, including stipends or income received from sources other than your Employer.

WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LEAVE OF ABSENCE?

If you become disabled while you are on a covered leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the monthly payment if you are disabled and your monthly disability earnings, if any, are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are from 20% through 80% of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:
During the first 24 months of payments, while working, your monthly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of indexed monthly earnings.

1. Add your monthly disability earnings to your gross disability payment.
2. Compare the answer in Item 1 to your indexed monthly earnings.

If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.

If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

After 24 months of payments, while working, we will subtract 50% of your disability earnings from your monthly payment.

This is the amount Unum will pay you each month.

Unum may require you to send proof of your monthly disability earnings at least quarterly. We will adjust your payment based on your quarterly disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.

WILL YOUR PAYMENT BE ADJUSTED BY A COST OF LIVING INCREASE?

Unum will make a cost of living adjustment (COLA) after you have received 1 full year of payments for your disability.

Your payment will increase by 3% beginning on the first anniversary of payments and each following anniversary while you continue to receive payments for your disability.

Each month Unum will add the cost of living adjustment to your monthly payment. When Unum adds the adjustment to your payment, the increase may cause your payment to exceed the maximum monthly benefit.

WHAT DISABILITIES ARE NOT COVERED FOR A COST OF LIVING INCREASE?

If you are insured on January 1, 2011, your plan will not provide a cost of living adjustment for any disability caused by, contributed to by, or resulting from the following pre-existing condition.

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to January 1, 2011; and
- the disability begins in the first 12 months after January 1, 2011.
HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings routinely fluctuate widely from month to month, Unum may average your disability earnings over the most recent 3 months to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless the average of your disability earnings from the last 3 months exceeds 80% of indexed monthly earnings.

We will not pay you for any month during which disability earnings exceed 80% of indexed monthly earnings.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
   - a workers' compensation law.
   - an occupational disease law.
   - any other act or law with similar intent.

2. The amount that you receive or are entitled to receive as disability income or disability retirement payments under any:
   - state compulsory benefit act or law.
   - other group insurance plan.
   - governmental retirement system, including but not limited to Ohio Public Employees Retirement System and State Teachers Retirement System.

3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
   - the United States Social Security Act.
   - the Canada Pension Plan.
   - the Quebec Pension Plan.
   - any similar plan or act.

4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving retirement payments under:
   - the United States Social Security Act.
   - the Canada Pension Plan.
   - the Quebec Pension Plan.
   - any similar plan or act.

5. The amount that you receive as retirement payments under any governmental retirement system. Retirement payments do not include payments made at the later of age 62 or normal retirement age under your Employer’s retirement plan.
which are attributable to contributions you made on a post tax basis to the
system.

Regardless of how retirement payments are distributed, Unum will consider
payments attributable to your post tax contributions to be distributed throughout
your lifetime.

Amounts received do not include amounts rolled over or transferred to any
eligible retirement plan. Unum will use the definition of eligible retirement plan as
declared in Section 402 of the Internal Revenue Code including any future
amendments which affect the definition.

6. The amount that you:

- receive as disability payments under your Employer's retirement plan.
- voluntarily elect to receive as retirement payments under your Employer's
  retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal
  retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid
due to disability and do not reduce the retirement benefit which would have been
paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's
contribution to the retirement plan. Disability benefits which reduce the
retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed,
Unum will consider your and your Employer's contributions to be distributed
simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any
eligible retirement plan. Unum will use the definition of eligible retirement plan as
declared in Section 402 of the Internal Revenue Code including any future
amendments which affect the definition.

7. The amount that you receive under Title 46, United States Code Section 688
(The Jones Act) or the Railroad Retirement Act.

8. The amount that you receive under the mandatory portion of any "no fault" motor
vehicle plan.

9. The amount that you receive from a third party (after subtracting attorney's fees)
by judgment, settlement or otherwise.

10. The amount that you receive as unemployment benefits from your Employer's
state unemployment plan.

With the exception of retirement payments, Unum will only subtract deductible
sources of income which are payable as a result of the same disability.
We will not reduce your payment by your Social Security retirement income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

**WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?**

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- **salary continuation** or **accumulated sick leave** plans

**WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)**

The minimum monthly payment is the greater of:

- $100; or
- 10% of your gross disability payment.

Unum may apply this amount toward an outstanding overpayment.

**WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?**

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

**WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?**

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will **NOT** be reduced by the estimated amount if you:
- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible
  sources of income section and appeal your denial to all administrative levels Unum
  feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us
  any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be
adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have
  been completed. In this case, a lump sum refund of the estimated amount will be
  made to you.

If you receive a lump sum payment from any deductible sources of income, the lump
sum will be pro-rated on a monthly basis over the time period for which the sum was
given. If no time period is stated, we will use a reasonable one.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each month up to the maximum period of payment.
Your maximum period of payment is based on your age at disability as follows:

<table>

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the
following:

- during the first 24 months of payments, when you are able to work in your regular
  occupation on a part-time basis but you do not;
- after 24 months of payments, when you are able to work in any gainful occupation
  on a part-time basis but you do not;
- if you are working and your monthly disability earnings exceed 80% of your
  indexed monthly earnings, the date your earnings exceed 80%;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are
  eligible to receive benefits under Unum’s Rehabilitation and Return to Work
  Assistance program;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date you die.

**WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?**

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted.
- pre-existing condition.
- cosmetic or elective surgery, except when necessary due to sickness or injury.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

**WHAT IS A PRE-EXISTING CONDITION?**

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

**WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME WITH THE POLICYHOLDER AND YOUR DISABILITY OCCURS AGAIN?**

If you have a **recurrent disability**, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under the plan for the period between the end of your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months from the end of your prior claim.

Your recurrent disability will be subject to the same terms of the plan as your prior claim and will be treated as a continuation of that disability.

Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions, including the elimination period.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

OTHER BENEFIT FEATURES

WHAT BENEFITS WILL BE PROVIDED TO YOU OR YOUR FAMILY IF YOU DIE OR ARE TERMINALLY ILL? (Survivor Benefit)

When Unum receives proof that you have died, we will pay your eligible survivor a lump sum benefit equal to 3 months of your gross disability payment if, on the date of your death:

- your disability had continued for 180 or more consecutive days; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

You may receive your 3 month survivor benefit prior to your death if you have been diagnosed as terminally ill.

We will pay you a lump sum amount equal to 3 months of your gross disability payment if:

- you have been diagnosed with a terminal illness or condition;
- your life expectancy has been reduced to less than 12 months; and
- you are receiving monthly payments.

Your right to exercise this option and receive payment is subject to the following:

- you must make this election in writing to Unum; and
- your physician must certify in writing that you have a terminal illness or condition and your life expectancy has been reduced to less than 12 months.

This benefit is available to you on a voluntary basis and will only be payable once.

If you elect to receive this benefit prior to your death, no 3 month survivor benefit will be payable upon your death.

WHAT IF YOU ARE NOT IN ACTIVE EMPLOYMENT WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

When the plan becomes effective, Unum will provide coverage for you if:

- you are not in active employment because of a sickness or injury; and
- you were covered by the prior policy.

Your coverage is subject to payment of premium.

Your payment will be limited to the amount that would have been paid by the prior carrier. Unum will reduce your payment by any amount for which your prior carrier is liable.
WHAT IF YOU HAVE A DISABILITY DUE TO A PRE-EXISTING CONDITION WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

Unum may send a payment if your disability results from a pre-existing condition if, you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior policy at the time of change.

In order to receive a payment you must satisfy the pre-existing condition provision under:

1. the Unum plan; or
2. the prior carrier's plan, if benefits would have been paid had that policy remained in force.

If you do not satisfy Item 1 or 2 above, Unum will not make any payments.

If you satisfy Item 1, we will determine your payments according to the Unum plan provisions.

If you only satisfy Item 2, we will administer your claim according to the Unum plan provisions. However, your payment will be the lesser of:

a. the monthly benefit that would have been payable under the terms of the prior plan if it had remained in force; or
b. the monthly payment under the Unum plan.

Your benefits will end on the earlier of the following dates:

1. the end of the maximum benefit period under the plan; or
2. the date benefits would have ended under the prior plan if it had remained in force.

WILL UNUM CONTINUE YOUR CONTRIBUTION TO YOUR PENSION PLAN IF YOU ARE DISABLED? (Retirement Income Protection)

If you are receiving disability payments and have been a participant in the pension plan for at least 3 months prior to your disability, we will pay your Employer an extra benefit to be deposited into the plan on your behalf.

We will pay your Employer 10% of your monthly earnings, not to exceed the maximum allowable by law.

If you are disabled and working and your monthly disability earnings are from 20% through 80% of your indexed monthly earnings, the benefit will be based on the percentage of income you are losing due to your disability according to the following steps.

1. Subtract your disability earnings from your indexed monthly earnings;
2. Divide the answer in Step 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your extra monthly benefit by the percentage of lost earnings calculated in Step 2.

This is the amount payable to your Employer for contribution into your Pension plan or, if the plan can not accept contributions for you, into a flexible premium deferred annuity that is established and maintained by you.

**HOW CAN UNUM’S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?**

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program, at our sole discretion. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum’s rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.

The rehabilitation program may include at our sole discretion, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;
- adaptive equipment or job accommodations to allow you to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- education and retraining expenses for a new occupation.

**WHAT ADDITIONAL BENEFITS WILL UNUM PAY WHILE YOU PARTICIPATE IN A REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?**

We will pay an additional disability benefit of 10% of your gross disability payment to a maximum benefit of $1,000 per month.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income. However, the Total Benefit Cap will apply.

In addition, we will make monthly payments to you for 3 months following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

This benefit payment may be paid in a lump sum.

**WHEN WILL REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFITS END?**

Benefits for the Rehabilitation and Return to Work Assistance program will end on the earliest of the following dates:

- the date Unum determines that you are no longer eligible to participate in Unum's Rehabilitation and Return to Work Assistance program; or
- any other date on which monthly payments would stop in accordance with this plan.

**WHAT ADDITIONAL BENEFIT IS AVAILABLE FOR DEPENDENT CARE EXPENSES TO ENABLE YOU TO PARTICIPATE IN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?**

While you are participating in Unum's Rehabilitation and Return to Work Assistance program, we will pay a Dependent Care Expense Benefit when you are disabled and you:

1. are incurring expenses to provide care for a child under the age of 15; and/or
2. start incurring expenses to provide care for a child age 15 or older or a family member who needs personal care assistance.

The payment of the Dependent Care Expense Benefit will begin immediately after you start Unum's Rehabilitation and Return to Work Assistance program.

Our payment of the Dependent Care Expense Benefit will:

1. be $350 per month, per dependent; and
2. not exceed $1,000 per month for all dependent care expenses combined.

To receive this benefit, you must provide satisfactory proof that you are incurring expenses that entitle you to the Dependent Care Expense Benefit.

Dependent Care Expense Benefits will end on the earlier of the following:

1. the date you are no longer incurring expenses for your dependent;
2. the date you no longer participate in Unum's Rehabilitation and Return to Work Assistance program; or
3. any other date payments would stop in accordance with this plan.

Additional Claim and Appeal Information

APPLICABILITY OF ERISA

If this policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

**APPEAL PROCEDURES**

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. If the advice of a medical expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;

- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and

- the statement that "You or your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Ohio Life and Health Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.
EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of $300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall $300,000 limit, the association will not pay more than $100,000 in cash surrender values, $100,000 in health insurance benefits, $250,000 in present value of annuities, or $300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under Sec. 401, 403(b) or 457 of the Internal Revenue Code, the limit is $250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than $300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of $1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
