Student Alcohol Policy

Wright State University prohibits the use of alcohol that is inconsistent with state, local, or university regulations. The university will enforce all state and local laws relative to the consumption of alcohol. Students are advised that Section 4301.632 of the Ohio Revised Code states that "...no person under the age of 21 years of age shall order, pay for, share the cost of, or attempt to purchase any beer or intoxicating liquor, or consume any beer or intoxicating liquor, either from a sealed or unsealed container or by the glass or by the drink, or possess any beer or intoxicating liquor, in any public or private place." The complete text of state liquor law and related regulations can be found in the Ohio Revised Code. The university permits the use of alcoholic beverages in licensed university facilities and at policy-specified social events. The misuse or abuse of alcohol will not be tolerated on campus. Violation of state laws, local laws, or university policy may result in disciplinary action. Additionally, the appropriate law enforcement authorities may be contacted. Violators will be subject to university sanctions, which may include suspension from the university and/or referral for treatment. This policy also applies to any location where university-related activities occur or when using university vehicles, or when using private vehicles on university business.

Balconies are considered an extension of the apartment, and as such the same policies are in place. For example, since smoking is not permitted inside the apartment, it is not permitted on the balcony.

Beds/Lofts
Residents are not permitted to loft or alter the bed/frame provided by Housing. However, if a resident lives in any of the Woods Residence Halls, Honors Hall, Hamilton Hall, they have the option to request the maintenance staff to bunk your beds. Maintenance staff will bunk the beds at no charge during the first two weeks of the academic year. Any requests initiated after the deadline will result in a service charge. All bunk bed reconfigurations must be handled by authorized maintenance personnel to ensure configurations that meet the design and safety standards of the furniture. The bunk configuration is not available in College Park, University Park, or the Village apartments. For safety reasons, any bed configurations handled improperly will be corrected by the maintenance staff and a service charge assessed to the resident(s) of the unit. Waterbeds and water-filled furniture are not allowed in student rooms/apartments due to concerns about water damage, weight, and potential liability. Students requiring waterbeds due to a medical condition may request permission for policy waiver by writing the Associate Director for Facilities.
**Bicycles**
Bicycles are welcome in the residential areas. You may store them in your individual units with permission from your roommates, or feel free to put them on the bike racks that are located in your respective community. Bikes that have been chained to our buildings may be subject to removal by our grounds staff.

*See also *Open Flame Devices/Combustibles.

**Care of University Property**
Residents who wish to enhance the appearance of rooms/apartments with personal decorative items must do so while exercising reasonable care for the facilities and its furnishings. Only fire-resistant materials should be used. A condition inventory for each unit will be completed by a resident assistant before resident move in. Residents are responsible for taking care of their living units and the common areas in our buildings. Any damage to the facility or its furnishings will be charged to the resident(s) responsible and disciplinary action may result.

- In Forest Lane, the Woods, College Park, the Village, the Honors Living Learning Community, and University Park wall decorations should be hung in place with pins, small tacks, or staples. Residence Life and Housing do not recommend using double-face tape because it often damages the drywall upon removal.
- In Hamilton Hall, residents are not allowed to use nails because they are damaging to the cinder block walls. Foam-backed double stick tape is also not allowed because it is difficult to remove. Masking tape and hanging putty are allowed on Hamilton Hall walls. Residents may not attach mirrors, towel racks, or memo boards with screws or nails to the doors inside each unit. Items hung on doors should use a hook system that is placed over the top of the door without damaging it.

Residents of campus housing are responsible for any damages to university property incurred by themselves or their guests. Residents of campus housing are not allowed to install unauthorized weather stripping or door sealing material on living unit doors. Damage to residence halls, university signs, or bulletin boards may result in disciplinary action and fines. *See also *Destruction of Property.
Cleanliness.
All residents are expected to maintain a minimally acceptable standard of cleanliness and hygiene in their living units. Residence Life and Housing understands that a "minimally acceptable standard of cleanliness" may vary from person to person. Some causes for concern would include, but are not limited to: anything creating a foul odor; debris (clothing, garbage, other personal items) on the floor that would make entering and exiting the room difficult; rotting or spoiling food left in the room; and/or soiled clothing and unsanitary personal items not disposed of properly. Fire/Health/Safety checks are conducted twice a semester by the staff in all of our residential communities or at special request. If your unit is found to be in violation you may be documented.

Courtesy Hours
Courtesy hours are in effect at all times. Courtesy hours mean that residents are expected to maintain a reasonable noise level. During both courtesy and quiet hours, requests for less noise from roommates, suitemates, and neighbors above, below, or next to you, will be respected in our community. Floor/Unit Standards should be consulted at this time for what will be your appropriate response to someone who is, in your opinion, being too loud. When a student needs to approach another student to request a lower level of noise, this should be done in a respectful manner. Additionally, during the finals week of both the fall and spring semesters, 24 hours quiet hours shall be in effect in all residential areas.

Vandalism includes, but is not limited to punching holes in the walls, breaking windows, destroying furniture, setting fires, etc. Students will be held responsible for the actions of and/or damages incurred by their guests as well. See also *Weapons, Firearms, Ammunition, or Fireworks.

Fire Safety
Residence Life and Housing takes fire safety very seriously. Tampering with fire equipment, ringing a false alarm, or failure to evacuate a building during an alarm is prohibited and constitutes a breach of discipline and a violation of federal law. Violators will be prosecuted. Additionally, considerable fines, through the Fairborn Fire Department, are associated with each of these violations. Again, Fire/Health/Safety checks are conducted monthly by the Resident Assistants to ensure that proper fire and safety policies are being followed in individual units. Possible violations found during these checks may result in documentation. Specific instructions about safety and evacuation procedures are attached to the back of each resident’s door.

Fireworks
All Fireworks are strictly prohibited on University Property.
See also* Weapons, Firearms, Ammunition.

University Furniture
Public area and lounge furniture is intended for use by all members of the community. As such, it should remain in respective locations throughout the year and should not be placed in student rooms/apartments or used for sleeping purposes. University furniture may be moved to accommodate hospital beds, etc. Arrangements should be made in advance of arrival with the Residence Life and Housing. Additionally, residents are not permitted to take their furniture outdoors on patios, balconies, etc for use. If the furniture is damaged, even if it is due to weather, the students will be charged for repairs and replacements.

Gambling
Gambling of any type is prohibited on campus. Gambling includes, but is not limited to, any game of chance or skill played for money. Prohibited activities include, but are not limited to: blackjack, poker, euchre, any other card game, craps, roulette, and other comparable games when these games are played for money.
Grease Disposal
When disposing of used cooking grease, residents should pour it in an old jar or container, and wait for it to cool. Once it has cooled, secure the lid and place it in the dumpster. Do not pour it over the balcony- this will kill plants and bushes, damage the rails, and stain the concrete. Do not pour it down the toilet or sink as this will lead to blocked pipes and possible water contamination. If resident(s) are found to be disposing of grease improperly, they will be documented and billed for all costs associated with the clean-up of and the repairs to all affected property.

Guest Policy
Residents are permitted to have guests at any time so long as they are considerate of the rights and privacy of their roommates, suitemates, and neighbors. A guest refers to any person who does not hold a residence contract or lease for the particular unit. The occupancy limit includes the residents of the room and their guest. The following are the maximum occupancy numbers per unit designation in the Resident Halls: Single Unit- 4 total, Double & Triple Unit-8 total and Quad Unit- 12 total. In the apartments the maximum occupancy of the space is always 12 people total. All roommates must approve of the guest before that individual is allowed to visit the unit. Any resident who hosts a guest is responsible for the guest’s conduct at all times and any damages incurred by that guest. All guests must comply with all university and community policies. Students must remain with their guest at all times- they may not give a guest their keys, or leave them alone in the unit for any amount of time, or for any reason. If a guest violates a policy and is asked to leave the community by a staff member, the guest must comply. Failure to do so will result in a request for police assistance. Violation of this policy may include, but is not limited to, loss of visitation privileges, documentation, being trespassed from campus, and citation by University Police.
We as Residence Life Staff expect students to respectfully and politely confront their roommates if they are having issues with their roommate’s guests. If the student is unable to resolve the issue through conversation, she or he should contact a Resident Assistant, or their Community Director for assistance.

Overnight Guest Policy
The Overnight Guest Policy is an extension of the Visitation, therefore, unless otherwise noted, all general visitation expectations apply. An “overnight guest” is defined as any person who does not hold a residence contract or lease for the particular room or apartment and intends to occupy the space overnight. Residents are not permitted to host overnight guests on consecutive weekdays or consecutive weekends. This policy is applicable to all of our residents, including those who live alone either by design or circumstance. The presence of overnight guests requires consideration and approval of all roommates. The right of a resident to occupy her or his room or apartment without the presence of an overnight guest takes precedence over the privilege of a resident to host overnight guests.
Harassment
Harassment, in any form, will not be tolerated. Harassment can be verbal, written, electronic, and can be sexual, racial, ethnic, religious, or based on one’s sexual identity. All reports of harassment will be investigated to the fullest potential.
