This Agreement contains the full and complete agreement between the parties for the full term of the Agreement, and concludes collective bargaining (except as provided for in the grievance procedure) for its term. Its terms and conditions supersede state law and all related specifications of state law regarding the same subject matter. Where this Agreement has not modified state law and its specifications, the University, its employees and the Union shall be subject to applicable state and federal laws and rules and regulations thereunder which pertain to wages, hours, and terms and conditions of employment for public employees and University rules and regulations promulgated or amended at any time in accordance with those laws.

This agreement supersedes all prior agreements between the parties, whether such agreements were written, or based on past practice, and constitutes the entire agreement between the parties.

*Section 1. Union Pledge.* The parties of this Agreement mutually recognize that the services performed by bargaining unit members are services essential to public order and safety. The Union, therefore, agrees that during the term of this Agreement there shall be neither interruption of these services, for any cause whatsoever, by bargaining unit members, nor shall there be any concerted failure by them to report for or to properly perform their duty, nor shall they absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful and proper performance of the duties of their employment, picket the University's premises, or engage in sanction, hand billing, or sympathy strikes. The Union further agrees that there shall be no strikes, sit-downs, slow downs, speed-ups, stoppages of work or any acts or other alterations of existing work performance patterns that interfere in any manner or to any degree with the services of the University.

*Section 2. Member Responsibility.* If any bargaining unit member(s) are found in violation of Section 1, such action shall render this entire Agreement and the University's responsibilities under it, null and void with respect to those bargaining unit members found in violation. Discipline taken as a result of this Section is subject to the grievance procedure in this Agreement.

*Section 3. Union Responsibility.* In the event there is a job action as prohibited by this Article, the University agrees that there shall be no liability on the part of the Union, its officers, or representatives provided that the University has immediately notified the Union of said job action and the Union meets the following conditions:

- A. Within not more than twelve (12) hours after notification by the University of any such unauthorized action, the Union shall publicly disavow the same by posting a notice on a bulletin board, at the Police Department, stating that the job action is unauthorized.
- B. The Union, its officers and representatives shall promptly order its members to return to work notwithstanding the existence of any job action.
- C. The Union, its officers and representatives shall in good faith, use every reasonable effort to terminate such job action.

*Section 4. Penalty.* If the Union is found in violation of Section 3, the entire Agreement shall be considered null and void.

*Section 5. No Lockout.* The University shall comply with Section 4117.11 (A) (7) of the Ohio Revised Code.

## **ARTICLE 6 - Dues Deduction & Fair Share Fee**

*Section 1. Dues.* The University agrees to deduct from the wages of all bargaining unit employees, all Labor Council membership dues uniformly required. Employees authorizing dues deduction shall submit an individual written authorization card bearing their signature. The Labor Council will notify the University from time to time of the dues it charges.

*Section 2. Fair Share Fees.* Bargaining unit employees shall either become dues paying members of the F.O.P., Ohio Labor Council, Inc., or remit to the Labor Council monthly, through payroll deduction, a fair share fee in an amount not to exceed the monthly dues of a dues paying member and in accordance with the provisions of the O.R.C. 4117.09 (c). This amount shall be deducted from the wages of all such non-members of the Labor Council and shall commence sixty (60) days after initial employment in the bargaining unit.

*Section 3. Reimbursement/Rebate.* The Fraternal Order of Police, Ohio Labor Council, Inc., agrees to reimburse the University for all expenses incurred arising from any action commenced by an employee as a result of the deductions made under this Article. This includes but is not limited to any violation of the legal requirements for fair share rebates. The Council also agrees to distribute annually a copy of their fair share rebate procedure to each member of the bargaining unit paying fair share fees and make every reasonable effort to comply with changes that may be mandated by statute or applicable case law.

*Section 4. Remittance.* All dues and fair share fees collected shall be forwarded by the University to the F.O.P., Ohio Labor Council, Inc. once a month.

## **ARTICLE 7 - Substance Abuse**

*Section 1. Expectations.* The University expects employees to report to work in a condition to perform their duties in a safe, effective and efficient manner. Reporting to or being at work impaired, workplace manufacture, use, sale, distribution or possession by an employee of intoxicating liquors, controlled substances, or drugs not medically authorized, or any other substances which impair performance or pose a hazard to the safety or welfare of the employee, other employees, the public or University property is strictly prohibited. Violation of this prohibition will result in disciplinary action up to and including termination.

*Section 2. Prescribed Medications.* Bargaining unit employees who are prescribed medication that will alter their ability to perform their job duties must provide their supervisors advance notification. The responsibility for knowing that the medication will alter their ability to perform their job duties, and timely notifying the University of that fact is solely that of the employee. Failure to notify the University prior to working in an impaired state is grounds for disciplinary action.

*Section 3. Sources of Employee Assistance.* Wright State University offers a Faculty & Staff Assistance Program (FSAP) to assist employees with a full range of personal issues including substance abuse problems. When these problems exceed the ability of the FSAP to rehabilitate, employees can utilize health care benefits to which they are entitled. Each of these sources can evaluate an employee's case and determine the appropriate level and type of treatment that is necessary. Employees are strongly encouraged to utilize these rehabilitative programs.

*Section 4. Reasonable Suspicion Substance Abuse Testing.* All substance abuse testing will be conducted in a confidential manner, balancing the University's obligation to maintain a drug-free workplace with the employee's right to be free from arbitrary treatment. All costs associated with substance abuse testing will be paid by the University.

It is recognized that employees who are impaired may have a chemical dependency for which there may be effective treatment and rehabilitation. Assistance for such purposes will be made available through the Faculty & Staff Assistance Program (FSAP) and/or the employee's applicable health care provider.

*Section 5. Definitions.*

- A. A "supervisor" is any individual who directly supervises or indirectly manages employees in the work group where the employee performs bargaining unit work. Supervisors must have completed a minimum of sixty minutes of appropriate training in determining reasonable suspicion. The training shall follow the guidelines of the U.S. Department of Transportation.
- B. "Abused Substances" are intoxicating liquors, controlled substances or drugs not medically authorized, or any other substances which impair performance or pose a

hazard to the safety or welfare of the employee, other employees, the public or University property. Supervisors may ask employees if they are taking prescription medication if there are job-related reasons (i.e., safety) to do so.

- C. "Reasonable Suspicion" is the suspicion that an employee may be impaired by an abused substance based upon observed facts, behaviors, physical signs, circumstances and/or symptoms.
- D. An "incident report" is the documentation of a referral to substance abuse testing and/or disciplinary action as may be required under this Agreement.
- E. The "Medical Review Officer" (MRO) is a licensed physician designated by the University who is responsible for receipt of laboratory test results. Laboratory testing will be performed by a laboratory certified to conduct tests for substance abuse. The MRO shall have knowledge of medical training appropriate to interpret and evaluate an employee's positive test result, considering the employee's individual medical history and other relevant biomedical information.

*Section 6. Supervisory Referrals for Substance Abuse Testing.* When a supervisor has a reasonable suspicion that an employee is impaired while at work, the supervisor may require that the employee be tested for substance abuse. The observation of a trained second person will be utilized to confirm the reasonable suspicion determination. Where a second observation is used, both must agree that there is a reasonable suspicion of substance abuse before the employee is referred for testing.

Supervisors will notify employees immediately when they have reasonable suspicion that an employee is impaired. The employee will be required to submit to substance abuse testing, which may include a blood and/or urine specimen and/or alcohol breath testing. The employee shall sign a release form authorizing the withdrawal of said specimen(s), and authorizing the release of the results of the testing to the MRO and the University. In all cases, it is the obligation and responsibility of the University to prove reasonable suspicion for testing consistent with the provisions of this Article.

*Section 7. Substance Abuse Testing Process.* When a supervisor has determined that there is reasonable suspicion to conclude that an employee is impaired while at work, the supervisor will immediately send the employee to the testing site for substance abuse testing. The employee will be considered "On Duty" for the duration of the test including travel time to and from the test site.

Substance testing will only be performed by vendors using scientifically and medically accepted tests and chain of custody procedures. In all cases, testing shall include split samples and alternative testing methods, without regard to positive or negative test results.

Once substance abuse testing is completed, an employee shall be placed on paid leave using their sick leave first, then other paid leave, pending the University's analysis of the testing results. If insufficient paid leave exists, the employee shall be placed on authorized unpaid leave. Should an employee's test results turn out to be negative; any paid leave removed from the employee's leave balances during the time pending the results will be returned. Any time spent on unpaid leave will also be paid to the employee.

The University will analyze the results of the substance abuse testing and release a copy of the test results to the affected employee. Should a positive test result be reported to the University, the employee will be subject to disciplinary action up to and including termination.

As an alternative to termination of employment, on an employee's first occasion of a positive test result to substance abuse testing, the employee shall be offered an opportunity to seek rehabilitation for his or her substance abuse problem through University resources available to all employees (see "Sources of Employee Assistance" above). If the employee refuses or prematurely withdraws from rehabilitation, the University in its sole discretion may invoke disciplinary action or, impose a last chance agreement as a condition of continued employment.

If the incident or circumstances which gave rise to the reasonable suspicion for testing would have otherwise constituted cause for disciplinary action, the University may take disciplinary action regardless of the outcome of any testing.

Except as required by federal law, a post-rehabilitation return to work agreement, or a last chance agreement, no member of the bargaining unit shall be required to submit to any random or lottery method of selection for testing.

*Section 8. Employee Self-Disclosure.* The University encourages employees who are abusing substances to disclose that information and obtain rehabilitative help through University resources available to all employees (see "Sources of Employee Assistance" above). No employee who discloses substance abuse and adheres to a prescribed plan toward rehabilitation will be subject to disciplinary action as a result of the disclosure. However, self-disclosure of substance abuse during any disciplinary process will not preclude disciplinary action.

Employees shall be allowed one occasion to self-disclose substance abuse. An employee who self-discloses substance abuse shall agree to adhere to any and all rehabilitation plans established during the rehabilitation process. In addition, employees shall sign all releases necessary to facilitate their rehabilitation and communication of prognosis and progress reports to the University. An employee who refuses to sign the necessary releases to facilitate rehabilitation and communication of their prognosis and progress, nullifies his or her protection regarding self-disclosure and, as a condition of continued employment, shall enter into a last chance agreement to maintain employment with the University. Employees who refuse to enter into a last chance agreement shall be subject to accelerated discipline as outlined in this agreement.

*Section 9. Mandatory Reasonable Suspicion Determination.* The occurrence of certain workplace incidents caused by bargaining unit employee(s) shall constitute a mandatory determination of reasonable suspicion. Those incidents include, but are not limited to initiating workplace violence, injury of the employee while in the workplace, causing the injury of others in the workplace, involvement in a vehicle accident while on the job, and intentionally causing damage to property while on the job. The University, in its sole discretion, may submit an employee for substance abuse testing under these circumstances.

*Section 10. Employee Refusal to Submit to Substance Abuse Testing.* When a reasonable suspicion that substance abuse has occurred is established, an employee shall immediately submit to substance abuse testing, and must sign all releases necessary to facilitate the testing and communication of the testing results to the University. If an employee refuses to submit to substance abuse testing, or to sign the necessary releases to facilitate the substance abuse testing process and communication, he or she shall be subject to accelerated discipline as outlined in this agreement. The employee's signature only is an acknowledgement of taking the required test and the release of those results to the University

*Section 11. Tampering.* If an employee tampers with, alters, substitutes or in any way compromises any testing sample or material, the employee's actions shall be subject to disciplinary action up to and including termination, without regard to the test results. The University must have conclusive evidence to support such a determination that tampering, alteration, substitution or compromise has occurred.

It is understood that although these may be instituted immediately, the Union has the right to discuss the policy, work rules and special orders by way of a labor management meeting. It is further understood that this discussion in no way guarantees that there will be any change to the organizational policy, written work rules, general and special orders.

A grievance may be brought by any member of the bargaining unit. Where a group of bargaining unit employees desire to file a grievance involving a situation affecting more than one (1) member of the bargaining unit in the same manner, one (1) member selected by such group will process the grievance, and shall so indicate that the grievance is a group grievance.

*Section 2. Procedure.* In order to be considered, a grievance must be filed at the first step in writing, on the form provided by the Union, within fourteen (14) business days of the occurrence of the event which gave rise to the grievance, except that when an employee first becomes aware, or in the exercise of reasonable diligence should have become aware, of its occurrence at a later date, the grievance may be filed within fourteen (14) business days of that time, but in no event more than twenty-one (21) business days after the occurrence of the event which gave rise to the grievance. Prior to filing a grievance, an employee shall first attempt to resolve the matter informally with the Assistant Chief of Police or designee. This informal discussion may be waived only by agreement of the University and the Union.

Step 1. The grievance shall be presented to the Chief of Police or designee. Upon the request of the grievant, the employee's representative may be present. The Chief of Police or designee shall respond in writing within fourteen (14) business days from the date the grievance is received.

Step 2. If the grievance is not resolved at Step 1, it may be appealed in writing to the AVP of Human Resources, or designee, within fourteen (14) business days of the answer at Step 1. The AVP of Human Resources or designee will hold a meeting within fourteen (14) business days of receipt of the appeal with the representative and the grievant. Within fourteen (14) business days after this meeting, the AVP of Human Resources or designee will give the University's final written decision.

If the Union is not satisfied with the decision, it may submit the grievance to impartial arbitration by written notice to the AVP of Human Resources within fourteen (14) business days after receipt of the decision. The union must submit the request for selection of an arbitrator within fourteen (14) business days of this notice, or it agrees to waive the matter.

The Union and the University may mutually agree in writing to waive Steps 1 and/or Step 2 of the procedure if the grievance is of a nature that cannot be resolved at those levels.

All time limits referred to herein may be extended and/or waived by mutual written agreement between the parties. If the University fails to timely respond at any step, the grievance will be considered denied at that step, and shall move on to the next step. If the grievant fails to appear at any grievance meeting, except for extenuating circumstances, the grievance is withdrawn.

*Section 3. Submission to Arbitration.* Prior to submission to arbitration pursuant to this Article, the University and the Union shall meet and reduce to writing the issue or issues to be placed before the arbitrator. The parties will utilize either the Federal Mediation and Conciliation Service procedure or the American Arbitration Association. The FMCS/AAA arbitration panel shall only contain arbitrators who are members of the National Academy of Arbitrators.

*Section 4. Fees/Expenses.* The University agrees to allow the grievant any necessary employee witnesses requested by the grievant time off with pay only for time which the employee witnesses are required to attend the arbitration hearing during their regularly scheduled work hours. In view of the necessity to maintain University operations, the University retains the discretion for reasonable scheduling of employee witnesses. Each party shall compensate its own non-employee representatives and witnesses. Fees and expenses of the arbitration shall be borne equally by the University and the Union. The fees and expenses of the arbitration are defined as follows:

- A. The fees and expenses of the arbitrator used in the case.
- B. Hearing room and other expenses related to the arbitration proceedings.

If one party desires a stenographer or transcript of the proceedings, the total cost for such transcription shall be paid by the party desiring the service. If the other party desires a copy, then the total cost of such stenographer and transcription shall be shared equally by both parties.

The arbitrator shall be required to submit to both parties a total accounting for the fees and expenses of arbitration as outlined above.

*Section 5. Arbitration Decision.* The arbitrator shall be requested to render a decision as quickly as possible, but in any event, no later than thirty (30) calendar days after the concluding of the hearing unless the parties agree otherwise.

Only disputes involving the interpretation or application of a provision of this Agreement shall be subject to arbitration. The arbitrator shall have no power to add or subtract from or modify any of the terms of this Agreement, nor shall the arbitrator substitute the arbitrator's discretion for that of the University or impose on either party a limitation or obligation not specifically required by the express

language of this Agreement. The arbitrator's decision shall address itself solely to the issues presented and shall not impose upon either party any restriction or obligation pertaining to any matter raised in the dispute which is not specifically related to the submitted issue or issues. Nothing shall preclude the parties from resolving the matter prior to the arbitrator issuing his/her decision. Otherwise, the arbitrator's decision shall be final and binding.

*Section 6. Notification.* The Union will be responsible for notification to a grievant and the Union witnesses of the time and place of the arbitration or grievance hearing.

### **ARTICLE 13 - Responsibilities and Disciplinary Action**

*Section 1. Representation.* The University shall not discipline a non-probationary employee without just cause. Employees shall be entitled to union representation at any level of the discipline process. This does not mean the University must consult with the Union before deciding or imposing discipline or that an off duty union representative must be called in and paid for representing an employee. The University shall not question an employee if such questioning may lead to discipline of the employee after the employee has made a request for representation, until representation is obtained.

*Section 2. Offenses.* Administering discipline is a management right. The University's decision to administer a certain level of discipline for a given offense shall be based on the facts and circumstances of each situation.

Examples (list not inclusive) of minor offenses best addressed by progressive discipline include poor performance, chronic absenteeism, disregard for instructions and/or work procedures, absence from an assigned work area without significant reason, extended break or meal periods that constitute an absence from the employee's assigned work area, late arrivals and/or early quits, minor insubordination, minor negligent damage to University equipment and/or property, and other similar types of offenses.

Examples (list not inclusive) of major offenses best addressed by accelerated discipline include cases of the use, sale, or possession of controlled substances on the job, arriving for work intoxicated or otherwise impaired by substance abuse or ingestion, theft, fraud, verbal and/or physical threat to another person, serious and/or chronic disregard for safety policies, instructions and/or work procedures, ethnic intimidation, major intentional damage to University equipment and/or property, sleeping on the job, gross insubordination, or similar serious offenses.

*Section 3. Progressive Discipline.* Discipline is cumulative. Any written form of discipline for any matter is considered in determining a greater level of discipline for any subsequent offenses. Discipline shall take into account the nature of the violation, the employee's work record, the employee's disciplinary record and his length of service with the department. In all cases disciplinary action must be instituted within thirty (30) days of a complaint of the alleged misconduct, or the University's discovery thereof, but in no event longer than forty (40) days after the event giving rise to the discipline. The university may request in writing an extension of the time set forth above and such request shall not be unreasonably withheld.

*Section 4. Counseling.* No counseling exists in progressive discipline. Employees shall not rely on counseling as a first step in the discipline process.

*Section 5. Potential Levels of Discipline.* The University will administer a system of discipline based on its assessment of the circumstances. Discipline may include: (1) verbal warning; (2) written warning; (3) suspension; (4) demotion; and (5) termination; depending on the nature and seriousness of any infraction.

*Section 6. Arbitration.* With respect to discipline under this Article, only suspensions, demotions and terminations are arbitrable.

*Section 7. Due Process Meeting.* Prior to issuing a suspension or termination, the employee will be given an opportunity to informally present a statement about the facts and circumstances of the incident or issue that led to the proposed discipline. The University will provide written notice to the employee and the Union representative of the time, date and place where the meeting shall occur, and of the nature and grounds for the proposed discipline. The University shall provide seven (7) calendar days' notice of the time and date of the meeting. The employee shall waive the opportunity to make a statement about the proposed discipline should the employee fail to attend the meeting.

If the employee chooses not to make a statement or fails to attend the due process meeting, the University will base its decision regarding discipline on the facts and the inferences drawn from the facts known at the time of the decision.

*Section 8. Grievance.* Employees shall not be coerced, intimidated or suffer any reprisals, either directly or indirectly, that may adversely affect his hours, wages or working conditions, as a result of filing a grievance over any discipline imposed against them.

*Section 9. Polygraph.* Polygraphs or other truth detecting devices or mechanisms shall only be administered for cause. The scope of the polygraph questioning shall be limited to the facts relating to the nature of the matter being investigated. Discipline shall not be based solely on the basis of a polygraph exam. The employee will have the discretion to place on the polygraph authorization form that the examination is being taken as the result of a direct order.

*Section 10. Retention.* Disciplinary actions shall become part of the employee's official university personnel file consistent with Article 16 of this Agreement. The records of disciplinary actions shall be retained consistent with the periods outlined below:

<u>Discipline</u>	<u>Time Period</u>
Verbal and/or Written warning (s)	One Year
Suspension and/or Demotion (s)	Three (3) Years

After the expiration of any of the time periods outlined above, at the written request of the employee to the Assistant Vice President of Human Resources or designee, disciplinary actions shall be placed in a file separate from the employee's official personnel file in cooperation with the Ohio Public Records Act providing that there has been no intervening discipline. Additionally, these records shall not be

considered as the basis for progressive disciplinary action, but may be used to determine if there are mitigating circumstances associated with potential discipline.

## **ARTICLE 14 - Seniority**

*Section 1. Seniority.* An employee's uninterrupted service with the University shall constitute his or her seniority. An employee shall have no seniority during the original probationary period. Upon successful completion of this probationary period, an employee's seniority in the bargaining unit shall be retroactive to the date of hire with the University. If two or more employees are hired on the same date, seniority will be determined by application date with seniority going to the member who applies first. An employee's seniority date will be provided upon request.

An employee's seniority and employment shall terminate when he or she:

1. retires or resigns;
2. is discharged for cause;
3. is absent for three (3) consecutive working days without notifying the university;
4. is laid off for a period of more than twelve (12) consecutive months;
5. fails to return from leave or lay off on the required date;
6. accepts another position not in an F.O.P. bargaining unit; or
7. cannot return to work or to an available position for which the employee is qualified after exhausting available leaves;
8. engages in gainful employment not approved by the University during a leave of absence (except a leave expressly granted for such a purpose).

An employee's state service shall be unaffected by these provisions.

*Section 2. Seniority List.* The employer will maintain an up to date seniority list. A copy of the seniority list will be provided upon written request but not more frequently than on a quarterly basis. The University shall furnish a copy of the seniority list to the F.O.P./Ohio Labor Council when it is requested in writing.

## **ARTICLE 15 - Layoff - Recall**

*Section 1. Length of Service.* In all cases of layoff and recall of employees, employees' length of service shall govern. Employees last hired shall be the first laid off. Before any new employees are hired by the department for the same classification, laid-off employees shall be recalled, if qualified for the classification being filled, in the reverse order to that in which they were laid off.

*Section 2. Refusal.* When bargaining unit members are laid off, the University may not use any non-bargaining unit employees to perform any bargaining unit work unless the laid off employee refuses to perform the offered work.

*Section 3. Notice.* The University shall provide advanced notice of layoff to the extent possible.

*Section 4. Recall.* Employees will be recalled from layoff in reverse order they were laid off. Recall notices will be mailed by certified mail to the employee's home address as last submitted to the University Department of Human Resources. The employee must certify in writing within ten (10) days of the receipt date of the recall notice, but not longer than thirty (30) days from the postmark date of the notice, the employee's intent to return to work. If the employee fails to respond or fails to return on the scheduled date, the employee will be struck from the recall list.

### **ARTICLE 16 - Personnel Files**

The official University personnel file for each employee shall be maintained by the Department of Human Resources, consistent with the Ohio Public Records Act and applicable federal law. An employee may add rebuttal information to disciplinary actions and performance appraisals in his or her file.

### **ARTICLE 17 - Parking**

Bargaining unit employees shall pay for parking at the same rates as other University classified employees.

### **ARTICLE 18 - Permanent Promotions and Vacancies - Job Bidding**

All promotions and reclassifications of employees shall conform to University rules to ensure fair, equitable and consistent consideration for all. Employees may provide constructive written recommendations through the FOP/Ohio Labor Council to the Chief of Police.

When there is a vacant position within the bargaining unit, all bargaining unit members shall be entitled to compete for the position. For any vacancies outside the bargaining unit, the University will continue to follow its current employment practices.

### **ARTICLE 19 - Job Classification**

Employees shall be assigned to perform duties appropriate to the classifications to which they have been appointed, or to bargaining unit work for which they are qualified, except as may be required because of emergency or temporary characteristics of the work situation.

A job classification review for any bargaining unit position will be conducted upon request of the incumbent but not more than once a year. If either party wishes to appeal the review's conclusion, the appeal will be conducted through the grievance procedure.

The University agrees to provide bargaining unit members an updated job specification upon signing of this agreement.

## **ARTICLE 20 - Probationary Period**

All employees will serve a probationary period of one (1) year following initial hiring or promotion. No appointment is final until the bargaining unit employee has satisfactorily completed the entire probationary period.

## **ARTICLE 21 - Hours of Work**

*Section 1. Workweek.* Eight (8) hours a day and forty (40) hours a week shall be the normal workweek for all full-time employees. Time worked in excess of forty (40) hours in a workweek shall be compensated at one and one-half (1½) times the base rate of pay as defined in this Agreement. Each workweek shall consist of seven (7) days consistent with the University's definition of workweek. Consistent with the current practice of the University, each employee will have off days scheduled together unless an emergency situation exists that would require otherwise.

*Section 2. Hours Worked.* Although the University's current practice is inconsistent with the Fair Labor Standards Act and the Ohio Revised Code, the University will continue its current practice of including holidays, authorized sick leave, authorized vacation leave and authorized compensatory time as hours worked. However, the University reserves the right to change its policies and procedures to mirror the language of those laws. To the extent consistent with the Fair Labor Standards Act, Ohio Revised Code and Wright Way Policy, employees may choose to receive compensatory time as an alternative to overtime pay. Compensatory time will be taken at a time mutually convenient to the employee and the University.

*Section 3. Shift Differential.* When an employee is required to work between the hours of 3:00 p.m. and 7:00 a.m. Monday through Friday and any hours on Saturday and/or Sunday, those employees will be paid at the applicable shift differential rate set forth in the Article of this agreement entitled "Shift Differential." The shift differential will be treated as part of the base rate for computation of overtime.

*Section 4. Part-time Communications Operators.* The University, in its sole discretion, may employ both full and part-time Communications Operators. Regular part-time (benefit-eligible) Communications Operators will regularly be scheduled for a minimum of twenty-four (24) hours per week. This position shall, at the discretion of the University, be used to fill in for employees on leave such as vacation, compensatory leave, worker's compensation and short or long-term illnesses.

## **ARTICLE 22 - Overtime**

*Section 1. Definitions.*

- A. Overtime - time over forty (40) hours in the standard university work week that is either paid at one and one half (1½) times the employee's regular hourly rate or that the employee elects to take as compensatory time off in lieu of overtime pay

- B. "Unscheduled overtime" - occurs when the university has no prior knowledge of the need for such assignment or when the need for the assignment of work is unexpected, unplanned and requires immediate action to ensure appropriate staffing.
- C. "Scheduled overtime" - occurs when the university has sufficient prior knowledge of the need for such assignment to allow for timely scheduling

*Section 2. Unscheduled "Overtime."* Unless otherwise provided for in this agreement, the University in its sole discretion shall determine when overtime is necessary. When it becomes necessary to require otherwise unscheduled work, the bargaining unit employee(s) working on the job at the time shall, by seniority, have the opportunity to work the necessary assignment up to a shift total of twelve (12) hours. For the remainder of the shift requiring coverage, the bargaining unit employee(s) scheduled to work the following shift shall, by seniority, have the opportunity to work the necessary assignment, up to a total of twelve (12) hours. Exceptions to the twelve (12) hour shift maximum must be approved by management. If the opportunity to work still exists, the communications operator(s) currently on break days will be offered the assignment. If the opportunity still exists, the University will offer the work to the part-time communications operator. If the opportunity still exists, the University will assign the work to the communications operator with the fewest hours worked above what is normally scheduled on the "unscheduled" roster. Said roster will be "zeroed out" on January 1 and July 1. If there is more than one bargaining unit employee with the fewest hours worked, the person with the least seniority will be assigned.

Bargaining unit employees who accept an additional assignment following their regular shift shall be granted a fifteen (15) minute rest period between the shift and the additional assignment or as soon as operationally possible.

*Section 3. Scheduled "Overtime."* When it becomes necessary to require work that is not part of the regular schedule, opportunities will be posted as soon as possible among those bargaining unit employees qualified to perform the scheduled work. At the time of posting, the date and time of the posting will be documented on the notice. If, 120 hours prior to the assignment, the assignment is not filled, it will be assigned to the communications operator with the least amount of assigned/scheduled overtime hours worked on the "scheduled" roster. Said roster will be "zeroed out" on January 1 and July 1. If there is more than one bargaining unit employee with the fewest hours worked, the person with the least seniority will be assigned. If the university has less than 120 hours notice of an opportunity, the opportunity will be posted for the maximum time practical in those circumstances.

## **ARTICLE 23 - Contracting Services**

Wright State University and the Union agree that employees' jobs will not be eliminated by reason of a practice of contracting out and that existing employment opportunities of employees will not be unnecessarily reduced by reason of management contracting out work. The University agrees that it is its policy to fully utilize its employees in the performance of work which the employees have historically performed.

## **ARTICLE 24 - Rest Periods**

It is recognized that the regular scheduling of rest and meal breaks may occasionally be impossible. Communications Operators may utilize two (2) fifteen (15) minute break periods per eight hour shift, either taken separately or collectively as approved by their supervisor or the police shift supervisor. Rest or meal breaks may be eliminated without notice due to emergency situations or critical incidents.

## **ARTICLE 25 - Trading Time**

An employee shall be permitted to voluntarily trade off-duty time for personal reasons with the approval of the Chief of Police or his or her designee. Traded time shall be in writing and shall state the specific time and dates of trades, which shall be within the same pay period and the posted work schedule currently in effect during the request.

Time voluntarily traded shall in no circumstances create or result in overtime status.

## **ARTICLE 26 - Call-In/Call-Back**

When the University calls an employee in to work on a day the employee is not otherwise scheduled or requires an employee to report back to work after conclusion of the employee's normal work schedule and the call-in/call-back period is not contiguous with the employee's normally scheduled shift, the employee shall receive a minimum of four (4) hours of pay at the employee's regular hourly rate.

Employees who are contacted at home by a supervisor or designee and are required to leave their residence to perform University business shall receive call-in/call-back pay.

## **ARTICLE 27 - Emergency Closing**

*Section 1. Closings.* When an emergency closing is declared by the President of the University or designee, bargaining unit employees who are scheduled to work will receive their regular compensation for any straight-time hours they are not permitted to work due to such closing. Regular schedules of essential personnel will not be affected by emergency University closings.

*Section 2. Pay.* Bargaining unit personnel who are required to work during an emergency closing shall be paid at twice the rate of their regular compensation while the University is closed due to the emergency.

## **ARTICLE 28 - Holiday Observance**

*Section 1. Holidays.* The following days shall be observed as paid holidays:

New Year's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day
Labor Day	

A holiday falling on Saturday shall be observed on the preceding Friday; a holiday falling on Sunday shall be observed on the following Monday.

The following paid holidays will be granted, but the University shall schedule observance of these holidays on the dates which it determines serve the best interests of the University:

Columbus Day	Martin Luther King Day
Presidents Day	

*Section 2. Holiday Pay.* All full-time bargaining unit members, regardless of their work shift or schedule, are automatically entitled to eight (8) hours of holiday pay whether they work on the observed holiday or not. Part-time employees shall receive holiday pay equal to the number of hours they would normally have been scheduled to work. To be eligible for holiday pay under this Section, the employee must work his or her regularly scheduled shifts immediately before and immediately after the holiday, or be on approved paid leave. Payment shall not be made for a holiday which occurs during a leave of absence. A leave of absence should neither start nor end on a holiday.

*Section 3. Holiday Premium Pay.* Employees working on the declared holiday, or called in on a declared holiday, will receive holiday premium pay for all hours worked in addition to both the employee's normal holiday pay and their base hourly rate of pay for each hour worked.

When New Year's Day, Independence Day or Christmas Day falls on a Saturday or Sunday, holiday premium pay will be paid for the actual holiday (January 1, July 4 or December 25) instead of the observed holiday as listed in Section 1 above. Under no circumstances can any employee receive holiday premium pay for both the observed and actual holiday.

*Section 4. Holiday Overtime Calculation.* When calculating overtime for a calendar week which includes a holiday, the automatic eight (8) hours of holiday pay will be counted as work time and will be used in the calculation of overtime. Additionally, any hours actually worked on the holiday will be included in the calculation of work for overtime. However, holiday premium pay will not be included in the calculation of work for overtime purposes.

## **ARTICLE 29 - Vacation**

*Section 1. Accruals.* The vacation entitlement of each full-time bargaining unit employee shall be as follows:

<u>Length of Service</u>	<u>Vacation Accrual</u>	<u>Maximum Hours Accrued</u>
Under 1 year	None	None
After 1 year through 7 yrs	80 hours	240 hours
8 yrs. through 14 yrs	120 hours	360 hours
15 yrs. through 24 yrs	160 hours	480 hours
25 yrs. and more	200 hours	600 hours

Employees appointed to work at least 1,045 hours in a twelve (12) month period (more than 50% FTE) earn vacation on a prorated basis of the above schedule.

*Section 2. Pay Upon Termination.* Upon termination of employment, employees will be paid for all earned but unused vacation providing the employee has completed a minimum of one (1) year of seniority. This payment cannot exceed the maximum accrual allowed.

*Section 3. Illness on Vacation/Bereavement.* If an employee, while on vacation, contracts an illness or accident or injury or experiences a death in the family, which would have warranted a paid leave had the employee been at work, he or she shall be allowed, upon showing of proper documented evidence, to change such absence to the appropriate paid leave rather than remain on vacation time off.

*Section 4. Preference Posting.* A vacation preference list will be posted on the first workday of November and shall remain posted until November 15 for vacation selections from January 1 through December 31 of the following calendar year. When two or more bargaining unit employees of the same classification choose the same vacation time and operational needs require the limitation of the number of bargaining unit employees who can be off, the most senior bargaining unit employee who signs the preference posting by November 15 will be given first choice.

Employees who fail to sign the preference posting by November 15 may be granted available vacation slots on a first come, first served basis providing vacation requests of three (3) days or less shall be submitted in advance in writing. Vacations of more than three (3) days shall be requested in writing at least fourteen (14) days in advance in writing. Granting of vacation is discretionary and shall not be subject to the arbitration procedure.

### **ARTICLE 30 - Leaves of Absence**

*Section 1. Sick Leave.* Sick leave shall not be used in place of other paid leaves. Sick leave's sole purpose is to provide income insurance to employee's for lost time due to illness or injury.

Employees will earn sick leave at the rate of 4.6 hours for each eighty (80) hours in active pay status. Sick leave may be granted only with the written approval of the employee's supervisor for the following reasons. Employees must sign a sick leave request form stating a satisfactory reason for the request. The employer's approval is discretionary but will not be unreasonably denied.

- A. Illness or injury of the employee or a member of the employee's immediate family.
- B. Death of a member of the employee's immediate family, not to exceed five (5) workdays.
- C. Medical, dental or optical examinations of the employee or the employee's immediate family if such examinations cannot be conducted during the employee's off-duty hours. The employee will furnish the employee's supervisor with proof of the need for the examination during working hours.
- D. If an employee is afflicted with or exposed to a contagious disease, and the presence of that employee could jeopardize other employees as stated in writing by a physician, that employee shall take sick leave.

"Immediate family" for the purposes of this section means spouse, son, son-in-law, daughter, daughter-in-law, father, father-in-law, mother, mother-in-law, sister, sister-in-law, brother, brother-in-law, child, grandchild, grandparents, registered domestic partner, legal guardian or person who can prove that they legally stand in place of a parent.

When an employee seeks sick leave for the illness or injury of either the employee or a member of the employee's immediate family, the attending physician's attestation that the employee was unable to work or that the attendance of the employee was necessary to care for the family member shall be required for absences from work of the employee in excess of three (3) consecutive work days.

An employee who is hospitalized or who has provided a medical statement indicating the expected date of return to work shall not be required to call in daily.

Bargaining unit employees are prohibited from engaging in activities that are inconsistent with the claimed inability to work or the claimed need to care for a seriously ill member of the immediate family during use of their sick benefit or disability leave, including leave for the serious health condition of the bargaining unit employee or a member of the bargaining unit employee's immediate family under the Family and Medical Leave Act (FMLA), without advance approval of the University. Such approval shall not be unreasonably denied.

If the University questions the reason(s) offered by the employee for his/her sick leave, the University may require the employee to be examined by a physician or other licensed health care provider identified by the University at the University's expense. If the University's chosen health care provider and the employee's health care provider have conflicting opinions, a third health care provider chosen by the first two will make the final decision. The costs associated with the third health care provider will be the University's responsibility. Failure to submit to the examination(s) shall constitute grounds for disciplinary action.

Falsification of a physician's or other licensed health care provider's statement, or misrepresentation of the reason(s) for an employee's absence may be grounds for progressive disciplinary action as outlined in this agreement.

Upon retirement or death of an employee after ten (10) years of service, when the employee is defined as being eligible for a retirement benefit in one of the state retirement systems, the employee or employee's beneficiary shall be entitled to receive payment of twenty-five percent (25%) of accumulated but unused sick leave not to exceed three hundred fifty (350) hours paid at the employee's then existing hourly rate providing that the employee has accrued one hundred (100) hours of sick leave.

## *Section 2. Patterned Sick Leave Usage*

- A. If an employee has sufficient sick leave accruals (defined as forty (40) hours of sick leave accrual), and there is no documented disciplinary record of patterned sick leave usage (as defined below), the University shall grant sick leave upon the written request of the

employee. In cases of extended illness, that is illness which lasts more than three (3) consecutive work days, or suspected sick leave abuse, as determined by the University, the University may require evidence as to the adequacy of the reason(s) for an employee's absence during the time for which sick leave is requested.

- B. Patterned Sick Leave Usage is defined by any or all of the following:
  - 1. Consistent use of sick leave as soon as it has accrued;
  - 2. Consistent use of sick leave on the same day of the week unless the use has been approved for known, ongoing treatments;
  - 3. Consistent use of sick leave on the day(s) before and/or after regularly scheduled days off or holidays;
  - 4. Consistent use of sick leave following overtime assignment;
  - 5. Consistent use of sick leave adjacent to other paid leave.

Bargaining unit employees who exhibit patterned sick leave usage are subject to progressive disciplinary action.

### *Section 3. Excessive Use of Sick Leave*

- A. The University shall maintain records of sick leave used for each calendar year for all bargaining unit employees. With each utilization of sick leave, a determination shall be made whether the absence is certified or uncertified. For purpose of determining certified leaves, FMLA, Workers' Compensation, physician verified hospitalization and recovery and physician verified sick leave use for family or personal use of sick leave shall be considered certified.
- B. Any employee that uses in excess of sixty-four (64) hours of uncertified sick leave in a calendar year will receive:
  - 1. A letter indicating that they have used in excess of sixty-four (64) hours of uncertified sick leave for the calendar year, and
  - 2. Counseling from their supervisor or designee, with a Union Representative present, on improving attendance and on the ramifications of using excessive sick leave.
- C. Identified excessive users of sick leave shall be required to certify all further uses of sick leave for the calendar year. Failure to certify further sick leave usage may result in progressive disciplinary action.

*Section 4. Military Leave.* Bargaining unit employees shall receive military leave benefits consistent with what is applicable by Wright Way Policy.

*Section 5. Personal Leave.* Upon written application, an employee may be granted a personal leave of absence at the sole discretion of the University for a maximum duration of six (6) months, which may not be extended. Such leave must be for justifiable reasons and must not adversely affect University operations. If, without the consent of the University, the employee accepts employment elsewhere

during the leave of absence, the employee shall be terminated. Salary and benefits are not continued during a personal leave.

*Section 6. Jury Duty.* If an employee is required to perform jury duty, the employee shall receive the employee's full wages for that period of required jury service. In order to receive this full University pay, the employee must promptly submit proof of jury service and time served and must promptly return to work during any periods not required to serve on the jury or after service is finished.

*Section 7. Disability Leave.* Disability leave may be granted for periods of up to six (6) months and may be extended by no more than six (6) month increments up to a maximum period of one (1) year. Disability leave is granted by the University contingent only upon the written statement of the employee's physician and/or the University's physician that the employee is disabled and prevented from performing the normal duties of the position. An employee's accumulated sick leave normally shall be exhausted before disability leave is approved. The University will continue to pay the University share of the medical, vision, disability and life insurance premiums for not more than one (1) year from the beginning of the leave, provided the employee on disability leave continues to pay the employee portion.

*Section 8. Maternity Leave.* Maternity leave of absence is a disability leave.

*Section 9. Education Leave.* Upon written application, an employee may be granted a personal leave of absence at the sole discretion of the University for a duration of up to six (6) months for purposes of education and may be extended by six (6) month increments up to a maximum period of two (2) years. Such leave must be for justifiable reasons and must not adversely affect University operations. If, without the consent of the University, the employee accepts employment elsewhere during the leave of absence, the employee shall be terminated.

*Section 10. FMLA Set-Off.* If any of the leaves taken under this article are for purposes which can be taken under the FMLA, the employee's time off shall run concurrently with available FMLA leave for the applicable period of time.

Bargaining unit employees, who are placed on FMLA, as determined by the University, shall be notified within the time limits specified by Federal law.

*Section 11. Unpaid Leave.* Employees whose paid leave balances have been depleted may be granted unpaid leave for emergency situations. When an employee has advance knowledge of the need for unpaid leave, the request for leave must be in writing.

All requests for unpaid leave must be made in advance through the employee's supervisor to the appointing authority or designee. Such approval shall not be unreasonably denied. Unauthorized, unpaid leave will be subject to progressive disciplinary action.

*Section 12. Transitional Duty.* The University will continue its current practice of evaluating a bargaining unit member's ability to work in a transitional assignment where there is an injury. Such evaluations will be made on a case-by-case basis and will be guided by medical information provided to the University.

### **ARTICLE 31 - Insurance**

The University will provide bargaining unit employees the same program of health, medical, dental, group disability and life insurance under the same terms, conditions, limitations and restrictions as that available to all other eligible University employees.

The University agrees to notify the Union thirty (30) days in advance of any changes that may be deemed necessary to that plan during the life of this Agreement. The Union has the right to negotiate over the effects of the proposed plan changes during this thirty (30) day period. The Union also has the right to propose an alternate plan.

### **ARTICLE 32 - Tuition Remission**

Bargaining unit employees shall receive the same tuition remission benefits as those received by other University employees. Employees may be allowed, with pre-approval, to use accumulated vacation or compensatory time to attend classes during work hours. Although such requests shall not be unreasonably denied, the University and the Union agree that such denials shall not be subject to the arbitration process.

### **ARTICLE 33 - Training**

The Chief of Police or his or her designee will establish a planned program of in-service and on-the-job training to all personnel which shall be current, consistent, and job related.

The Chief of Police or his or her designee may post schools or seminars available that relate to the employee's profession, as practical. The University encourages employees to attend such trainings. The employees may submit a memo to provide a show of interest in a specific school or seminar posted. Each employee is required to attend two (2) training sessions a year which are essential or beneficial to their position. There is no limit as to the maximum number of trainings that the employee may attend.

The University agrees that it will make a good faith effort to provide a minimum of an eight (8) hour break between the last scheduled hours work and the scheduled start time of mandatory training.

### **ARTICLE 34 - Uniforms**

*Section 1. Eligibility.* The University shall furnish the initial issue uniform to new employees who are required to wear uniforms. Thereafter, at its discretion, the University will replace uniforms on an as needed basis. With input from the affected employee's immediate supervisor, management in its sole discretion will determine when "as-needed" replacement is necessary. Employees on extended leave shall not be entitled to the provisions of this Article until they return to continuous service during which they are actively working.

*Section 2. Uniform and Equipment Vendors.* The University in its sole discretion shall determine the:

- standards for all uniforms worn by bargaining unit members;

- vendors used to purchase uniforms;
- number of vendors that will be used;
- brands of uniforms; and
- specific uniform to be purchased.

The University reserves the right to make a change in uniform style and color. If the uniform is changed, the University will meet to receive input from employees and the Union. When the University implements the change, it will issue the new uniform or parts of the uniform for those parts that have been changed.

*Section 3. Standard Uniform and Equipment List.* All new employees shall receive the following uniform items and equipment upon hire:

- 5 Shirts: Both Summer and Winter
  - Mix of “polo” and/or “button-down dress” styles
- 5 Pants
  - Mix of “cargo” and/or “khaki slack” styles
- 1 Pair of Shoes
  - Black or Brown “work boot”, “gym shoe” or “flat-dress” style
- 1 Jacket
  - With “zip” lining
- 1 Lightweight Jacket
  - “Wind-breaker” style
- 1 Belt
  - Black or Brown leather

\*All items other than shoes are the property of the University and shall be returned immediately upon separation of employment.

*Section 4. Standards of Usage.* Bargaining unit employees who are provided uniforms are required to wear the uniform provided by the University. In addition, employees will be subject to inspection of uniforms at any time while on duty.

All uniforms provided by the University shall only be used in the performance of duties in the context of employment at the University. Employees not meeting published department uniform standards, or employees wearing uniforms outside of the context of University employment shall be subject to disciplinary action, up to and including termination.

### **ARTICLE 35 - University Wellness Initiatives**

Bargaining unit employees can join the Wright State University Student Union Fitness Center and shall pay for access to the facilities and classes at the same rates as all other University employees.

### **ARTICLE 36 - FOP Meetings and Events**

Employees may hold meetings and social events within the facilities of Wright State University, provided they conform to those University policies and procedures required of other campus organizations.

Requisitions will be handled by the University's Department of Conferences and Special Events and must have the signature of the responsible FOP Representative and the Chief of Police or his or her designee.

### **ARTICLE 37 - Legal Defense**

The University will provide legal defense through special counsel to employees in accordance with its policy on the defense of civil suits. The responsibility of the Ohio Attorney General, and/or his or her designee, and/or special counsel appointed by him or her to provide to the University and its employees those legal services required by statute is affirmed. The University shall, at an employee's request, affirmatively assist the employee with his or her request for legal services, as required by statute, of the Ohio Attorney General where the employee is so entitled to such assistance (i.e., occurrences arising in the scope of the employee's employment).

Bargaining unit members are provided with indemnification in civil actions arising out of the proper performance of their duties as provided by Ohio statute.

### **ARTICLE 38 - Court Appearances**

The University shall grant a minimum of two (2) hours of court leave with pay to an employee when subpoenaed or directed by the department to appear before any court, commission, board, or other legally constituted body authorized by law to compel the attendance of witnesses, where an employee is not the moving party to the action.

### **ARTICLE 39 - Shift Differential**

Shift differential shall be paid at the rate of thirty-five cents (\$0.35) per hour as set forth in the Article of this agreement titled "Hours of Work."

### **ARTICLE 40 - Wages**

*Section 1. Job Rates.* Effective July 1, 2011, all bargaining unit employees hired prior to July 1, 2011 will receive the job rate for their classification as shown below. All employees hired on or after July 1, 2011 will be paid in accordance with Section 2 below.

Classification	Job Rate

Furthermore, on July 1, 2012, the job rate for Communications Operator 1 shall additionally increase by half of the difference between the Communications Operator 1 job rate and Communications Operator 2 job rate. On July 1, 2013, the job rate for Communications Operator 1 shall be the equivalent of the Communications Operator 2 job rate. Effective July 1, 2013, the Communications Operator 1 and Communications Operator 2 classifications shall merge into one classification titled Communications Operator.

Upon every job rate change, a new chart shall be created by the University and distributed to the Union and all employees will be moved to the appropriate job rate (in consideration of Section 1 and Section 2). Any bargaining unit employee whose current rate of pay exceeds the applicable rate in Section 1 or Section 2 will continue to receive their current rate of pay without reduction.

*Section 2. Wage Structure for First Two Years in a Classification.* Employees shall receive, for the first year of employment in a classification, 90% of the job rate for that job. In the second year of employment in a classification, employees shall receive 95% of the job rate for that job. Upon commencement of the third year of employment in a classification, employees shall receive 100% of the job rate for that job. Example (for illustrative purposes only):

*Section 3. Promotions/Demotions.* Employees who are promoted or demoted will receive the job rate of the new job to which they are promoted or demoted taking into account Section 2 above. Subsequent pay increases will be subject to the provisions of Section 1 and Section 2 above, as applicable.

*Section 4. Requirements for Classifications.* The Department of Human Resources will maintain the minimum requirements for the classifications listed.

*Section 5. Special Assignment Pay.* Management at its discretion may assign a bargaining unit employee to serve as a training officer for new employees for all or part of his or her particular shift. The bargaining unit employee will perform the duties of that special assignment for that period and will be compensated an additional \$0.75 per hour for all time assigned and acting in that role. Additional assignments may be eligible for this additional compensation as determined by the Chief of Police. In situations where a bargaining unit employee is performing more than one special assignment, only one premium will apply for those hours.

## **ARTICLE 41 - Scheduling**

*Section 1. Guiding Principles.* The University in its sole discretion shall establish the work schedule for its employees consistent with the Article titled "Hours of Work." In all cases, the University's need for effective staffing shall have first priority in scheduling. Shift assignments shall be made based on the operational needs of the department, as determined by the Chief of Police or designee. Once these needs are met, employee preference will be given consideration.

The University strives in all cases to schedule in a fair and equitable manner. When practical, the University will implement minimum scheduling to maximize employee time off. The University reserves the right to limit the amount of scheduled time off per shift.

Except for schedule changes due to:

- Emergencies,
- Special events (i.e., Nutter Center events, student events, etc.),
- Unplanned employee absence, and
- Training;

employee schedules shall not be changed without five (5) calendar days notice for a temporary change and thirty (30) days for a non-temporary change. A temporary change is defined as one that lasts less than fourteen (14) days.

*Section 2. Shift Preference.* The following shift preference procedure shall be available for those employees wishing to make their shift preferences known:

1. Eligible employees shall submit a written request including their top three shift preferences to the Chief of Police or designee. Requests for shift preference shall be submitted every six months by November 1, and May 1, annually.

2. Shift preference requests shall be determined by seniority once the operational needs of the department, as determined by the Chief of Police or designee, are met. Seniority for this section will be computed by the initial hire date with the Wright State Police Department as long as the employee has remained a Wright State University employee.
3. The work schedule shall be posted by December 1 and June 1. Schedules become effective January 1 and July 1.
4. An employee's failure to request a shift preference in accordance with the time limits outlined in number 1 above shall have his/her schedule determined by the Chief of Police or designee.

### **ARTICLE 42 - Duration**

*Section 1. Effective Dates.* This Agreement shall be effective from July 1, 2011, until and including June 30, 2014.
