

IMPACT Faculty & Staff Assistance Program

confidential, professional support for work/life matters

It can be frustrating when personal and/or work related problems surface and it's unclear where to turn for help. When complications arise from stress, marital and family issues, parenting challenges, depression, anxiety, substance use, medical issues and other emotional concerns, it's comforting to have someone to talk to.

Wright State University is proud to make available to you the **IMPACT Faculty & Staff Assistance Program (FSAP)**, offering *confidential* support for you, your spouse/partner, household members, dependents living in and away from home and parents & parents-in-law.

Professional phone support is available 24 hours a day, 365 days a year, offering you and your family members peace of mind when you need it most. Face-to-face counseling is also available, with up to 6 sessions included per problem occurrence.

Additional features include:

- » A web-based portal with articles, resources, and interactive features
- » Legal, financial, and identity theft assistance
- » Child and elder-care assistance
- » Referrals to community resources
