- Deductible(s) apply to covered services listed with a percentage (%) coinsurance including prescription drugs.
- Deductible applies to all prescription drug expenses. Once the deductible is met the appropriate copayment/coinsurance applies.

- 0% means no coinsurance up to the maximum allowable amount. However, when choosing a Non-network provider, the member is responsible for any balance due after the plan payment.
- Benefit period = calendar year
- Behavioral Health Services: Mental Health and Substance Abuse benefits provided in accordance with Federal Mental Health Parity.
- Preventive Care Services that meet the requirements of federal and state law, including certain screenings, immunizations and physician visits are covered.

*1 We encourage you to review the Schedule of Benefits for limitations.*

*2 Rx non-network diabetic/asthmatic supplies not covered except diabetic test strips.*

### Precertification:

Many services require precertification; please refer to your plan documents for specifics. Members are encouraged to always obtain prior approval when using non-network providers. Precertification will help avoid any unnecessary reduction in benefits for non-covered or non-medically necessary services.

### Pre-existing Exclusion Period: None

This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits.
