Equipment & Facilities Policies

Equipment and Service Charges

Please refer to the "Service Fee Policy" for more information on equipment rental and service charges. *The waiving of charges can only be authorized by CaTS.*

Video Production Service Scheduling

CaTS will make every effort to comply with all requests however; scheduling is based on equipment and personnel availability. When scheduling services and facilities, all orders must be requested during Regular Operating Hours. Video Production Services require a minimum of 10 days lead time. An additional $50.00 fee will be assessed for requests submitted past the stated deadlines. When scheduling on behalf of a client, one must confirm availability of equipment and personnel with CaTS before confirming the event with the client. *Please refer to the CaTS General Rate Card for Regular Operating Hours.*

Video Production Service Cancellations

Service cancellations must be made during Regular Operating Hours and, 72 hours prior to your event. The cancellation fee for campus sponsored events will be equal to one hour of labor (overtime and holiday rates apply), plus any extra costs accrued from freelance labor, rented equipment or pre-production labor. The cancellation fee for external clients will be the cost of equipment rental and labor for that event. *Please refer to the CaTS General Rate Card for Regular Operating Hours.*

Television Center Facilities

The television center studios are available on a per hour rental for video production events both live and taped. The per hour rental does not include video equipment, video production crew, engineering support or the use of the studio lighting system.

The television center Studio B is available as a meeting space for large departmental meetings, seminars, webinars, etc. Included in this space is the use of audio-visual equipment for your meeting. A podium with an installed computer, video projector and screen are available. *Please refer to the CaTS General Rate Card for pricing.*

For more information regarding the Television Center Facilities please contact Andy Montesano at 775-2802.

Freelance Labor

CaTS will make every attempt to use in-house labor; however, there may be occasions when it is necessary to hire freelance labor. Additional labor charges will apply if this happens.

Special Configurations

The listed base prices are for the standard configuration of the Nutter Center video board system with in-house A/V equipment. Additional labor hours and/or equipment rental charges may apply if in-house cameras are unavailable or if special configurations are needed.

Please contact David Stoneburner at 775-3688 for an estimate.

**Notes**

1 **WARNING!** Federal law provides severe civil and criminal penalties for the unauthorized reproduction, distribution, or exhibition of copyrighted photographs, music, motion pictures, and videotapes. CaTS is committed to compliance with the United States Copyright Revision Act of 1976 and 1980 Amendments relating to the reproduction and display of copyrighted materials. *Copyrighted materials will be displayed only when CaTS has been provided with appropriate documentation from the copyright holder(s) granting permission to use the materials.* See standards sheet for videotape formats and requirements.

2 CaTS must be provided with all artwork at least five working days prior to the event in which it will be used. Failure to comply with this requirement may result in a rush fee. (Additional charges may also be assessed for graphics work if artwork does not comply with the formatting indicated on the standards sheet.)

3 **BASE PRICING:** The listed base prices are calculated for events lasting 3-hours or less (including set up & strike). For events longer than 3-hours, additional hourly charges (as indicated) will be assessed in 1/2-hour increments. The base price does not include any costs related to the creation of graphics and/or videos that will be displayed on the video boards during the event. In addition, the base price does not include any charges that may be assessed by the Nutter Center for use of the video board system.
