Resolution on Acknowledging the Sacrifice and Contribution of Certain Wright State University Staff Units

Whereas specific staff units at Wright State University including Facilities, Environmental Health and Safety, Classroom Technology Support, Libraries, and the University Police Department were considered essential employees and continued to perform their duties during the time when the State of Ohio and the Wright State University campuses were shut down;

Whereas these staff units worked to modify classrooms, laboratories, library access, and offices, and create special signs to allow for social distancing of the campus community upon return to the workplace;

Whereas these staff members worked to continuously clean and sanitize the campus to keep students, faculty, and staff safe when they returned to campus;

Whereas library staff continued to provide access to scholarly materials;

Whereby the grounds crew continued to maintain our beautiful campus grounds providing the campus community a space to gather safely; now, therefore, be it

Resolved, that the Wright State Building and Grounds Committee acknowledges the sacrifices made by the abovementioned staff units for continuing to perform their duties during a time early in the COVID-19 pandemic when Wright State University was closed and thanks them for enabling students, staff, and faculty to continue their work safely as we returned to campus.
