

From The President

Matthew A. Goldsmith, Wright State '00

Welcome Alumni Brothers! Many things are under way in the Delta Phi Chapter. The Brothers have been planning for many months now to bring you this Alumni newsletter, and what you hold in your hands is the final results. It is our desire to keep our Alumni current and up to date with what is going on in the Delta Phi Chapter. It is our plan to send you his newsletter once every quarter; four times a year, in order to fulfill that goal. In every issue you will find important dates, news, and information we hope you will use and enjoy. We are very new at this, so we ask you to send us any suggestions, comments, or insights you may have so that we can develop this into the best newsletter possible.

Composite

Jared L. Height, Wright State '03

Currently, our President, Brother Goldsmith is initiating plans for the first Chapter composite in four years. It is our desire to have as many Delta Phi Alumni take part in this. An exact date for the pictures to be taken has not been arranged yet, but will be sometime in October or November. We are asking anyone interested to please RSVP. The projected cost per person should be between \$20 to \$25. For this, each person will receive one normal size composite and the chapter will receive a large size composite that will be hung in the Beta House.

Beta Signs For Greek Housing

Dennis Lange, Wright State '02

Good news came from Wright State University's Office of Residence Services last spring; there will be Greek housing on campus starting this Fall Quarter. Four Brothers from the Delta Phi Chapter; Matthew Goldsmith, John Montieth, Chris Heller, and Jared Height, have signed up to participate in Greek housing. The new Beta House will be at 9 Sycamore in Forest Lane Apartments. (937 775-6951).

Many things are still needed to make this house a true home for Beta Theta Pi. We are asking all Alumni for any pictures, composites, and photos they may have from their active days that they would be willing to donate to the house. Also, many more items are needed to help us furnish the house. Any items donated will stay in the chapter and with the house. If you would like to donate something, please let us know.

As always, Alumni are always welcome to drop in at any time and pay us a visit.
