Wright State University
9 Sycamore, Forest Lane
Dayton, Ohio 45435-0001

Alumni Mentor Program

This part of the program will help to reinforce the things that we are attempting to teach to our new members. By involving the alumni, we can show these guys not only how much the fraternity means to us, but also to the men who have come before us and graduated.

The process for this is easy and inexpensive. First the Alumni Relations Chair will contact alumni to take part in the program.

Secondly, new members will be assigned an alumni to contact and discuss:

1. Personal history
2. Reasons for pledging Beta Theta Pi
3. Short and Long- Term Goals, both personal and Beta
