

## Pledge Education Scholarship Policy

### Grades

1. A 2.5 Grade Point Average is REQUIRED. Without this a new member will not be considered for initiation. This is mandated by the Administrative Office of Beta Theta Pi.
2. A new member who pulls between a 2.5 and 2.74 will be placed on a probationary status with the chapter, if initiated. This status is to insure that our new brothers are properly achieving their potential without the added distractions of new fraternity life.
3. A new member who achieves a Grade Point Average between a 2.0 and 2.49, may be considered for a second quarter as a new member. If during that second quarter, the new member fails to receive a 2.5 grade point average, they cannot be considered for a third quarter.
4. A new member achieving anything less than a 2.00 grade point average will not be considered for another quarter until significant academic improvement has been shown by the individual. This period involves at least a three quarter period with no involvement of the chapter as a whole.

### Study Tables

1. Study Tables are mandatory for all new members. These are an excellent way for us to insure that you are studying as well as for you to show us that you are serious about your academics
2. Study Table hours are offered every day except for Friday and Saturday. Study Table hours are in 24 hour effect beginning the Friday before exams until the Friday at the end of exams.
3. Each new member must participate in at least 12 hours of study tables per week. Five hours must be with your big brother and the remaining twelve with anyone else that you see fit. Times are monitored by a sign-in book on the second floor of the library.
4. Study tables should be conducted in the library or in the Greek Study lounge, but they may take place somewhere else if it is approved by the New Member Educator, Scholarship Chair or Big Brother

### Orientation

This workshop is intended to present the new members with all issues they will be facing in the quarter that they are pledging. This is also to allow you to become better acquainted with the policies within the Delta Phi chapter.
