

**Sinclair Community College to Wright State University
General Education Course Equivalencies**

This guide is designed for Wright State students who would like to take a general education course equivalency at Sinclair. Only Wright State GE courses or GE substitutions for which there is a direct equivalency are listed. Sinclair students who have not matriculated to WSU are encouraged to complete the Ohio Transfer Module at Sinclair to meet their general education requirements.

PSY 110	*PSY 121 & 122
---------	----------------

*There is no direct course-for-course equivalent for PSY 105 or 110 at Sinclair. Students wishing to satisfy only Area III requirements may do so with PSY 121 from Sinclair. However, students wishing to satisfy both Area III and Area VI requirements must take both PSY 121 and 122 (3 hours each) at Sinclair in order to receive credit for PSY 105 and 110 at Wright State. Consult your advisor to determine if you will need to take additional hours to complete GE requirements.

For updated information about General Education equivalencies and additional information about how other courses apply toward specific majors at Wright State University, consult the u.select (formerly CAS) online at www.transfer.org or with your academic advisor.
