

The C.J. McLin, Jr. Student Leadership Development Scholarship

Wright State University established the C.J. McLin, Jr., Student Leadership Development Program in the spring of 1989 to assist academically talented students who are college bound. Named in honor of the late State Representative C.J. McLin, Jr., who believed that the hope of the future depended on the development of young men and women as leaders, this scholarship program provides students who are members of an underrepresented ethnic group (African American, Asian, Native Hawaiian or other Pacific Islander, Hispanic or Latino, or American Indian/Alaskan native) access to higher education and the opportunity to participate in activities that will develop and enrich leadership abilities. The McLin scholarship is a four year renewable scholarship in the amount of \$1,750 per year.

Please note: Scholarships for underrepresented student populations are intended to enhance the diversity of the Wright State community in proportion to the diversity of the Miami Valley Region. Scholarships are awarded on an “as funds are available” basis.
