

UGEC MEETING MINUTES
November 1, 2007

Present: Jean Edwards, Doris Johnson, Joe Law, Carole Endres, Carol Loranger, Rich Bullock, Mindy Diesslin, and Kim Stewart.

The October 2, 2007 minutes were amended to include the list of participants. Minutes approved.

Area II GE Assessment Report for Cultural and Social Foundations was discussed. It was agreed to accept the report with a recommendation that plans for assessment need to be addressed next year.

The Area III Assessment Report was discussed. Additional information has been received. The coordinator will re-write the report.

There has been no response from Area IV. Jean will send another request with a copy to the Dean.

The Area VI Assessment Report for the College of Education and Human Services was discussed. The committee asked for additional information. This request will be forward to the Area VI Coordinator.

Area VI Assessment Report for the College of Science and Math was approved.

There has been no response from Area VI Raj Soin College of Business. Jean will send another request with a copy to the Dean.

The wording for the GE substitution for human anatomy and physiology catalog change was discussed and approved.

The course request from the College of Science and Math to add SM 101 was discussed. The committee requested more information.

The course approval request from Engineering to add EGR 101 to Area VI College Component was discussed. The course was accepted and will be sent to UCAP.

The GE focus group summary was distributed and will be discussed at the January meeting.

The GE transition period was discussed. It was agreed to e-mail all advisors and students enrolled prior to the transition period to notify them of the impending end date.

The committee discussed GE recognition suggestions.

Meeting adjourned at 2:20 pm.
