

UGEC Meeting
Wednesday, September 7, 2011

In attendance: Rich Bullock, Susan Carrafiello, Mark Cubberley (via g-mail), Mindy Diesslin, Jean Edwards, Doris Johnson, Joe Law, Dave Reynolds, Kimberly Ringo

The minutes from June 1, 2011 were distributed and approved.

ENG 1130, 1140, 2110, 2120, 2130

Rich Bullock distributed a flow chart explaining the courses.

We need to make sure the Registrar understands the repeating process for ENG 1110. If the student passes ENG 1110 it would replace the "F" they earned in ENG 1100.

The more targeted courses will give the students more focus in those majors.

There is a restriction on ENG 2110 and 2130. They should all state 24 credit hours completed.

We need to add 24 hours completed to ENG 2100 if it is not listed. (Chair can do this.)

On the course proposal the restriction was added on the pre-req line instead of on the restriction line. The Chair can change this.

ENG 2100 ENG 1140 is listed on

ED 2100

This course was rejected on June 1 and has been resubmitted. It was rejected because the proposal said it was going to be in one area and the course inventory request listed another area.

Meeting adjourned at 3:45.
