- 🌿 Feedback shared about the recent Quest event(s). Several great comments, and soon will compile the Student Voice survey results.
- 🌿 Next year the Quest topic will be "Transformation". Please send any suggestions for speakers to Jeff Vernooy. Perhaps next year we will invite session speakers to be actual WSU students, presenting some of their work.
- 🌿 Ten-fifteen will be attending NCORE this year. We are assisting with funding for five, and others found various means to attend. We are asking those who attend to share with us an overview of what they learned while there.
- 🌿 The "Policies" subcommittee is looking at uniform hiring strategies for potential faculty and administrators. We may use facilitators to help in searches. Also looking at how job descriptions are written, how interview questions are worded, etc. Possible use of Equity Advisors.
- 🌿 It was suggested that we all try to attend open sessions for various potential future faculty and administrators, so that we can ask the right questions, such as their views on diversity initiatives.
- 🌿 Google Analytics report shared (and attached), which shows us how many people are looking at our UDAC website.
- 🌿 UDAC plans to go to Lake Campus for our May 20 UDAC meeting. (Please try to car pool).
- 🌿 Our June UDAC meeting will include a presentation by NAS, brought in by Al Boggs. R Sweeney and M Filipic are invited to attend. More info can be found at:
