

# Wright State University Assessment Plan

## Program information

College/School of

Test

Program

Complete a separate report for each program. For example, the Social Work department will complete one report for Social Work, BA and a separate report for the Social Work, MA. Interdisciplinary programs will be completed by the College and Department that takes primary oversight of the degree. For example, the African and African American Studies, BA will be completed within the Sociology and Anthropology Department.

## Program Learning Outcomes - Due April 1, 2019

Program level outcomes measure student learning specific to the program. Each program learning outcome should begin with "Graduates will be able to . . ."

Only list one outcome at a time. Then press Enter and you will be prompted to list the measures for that specific outcome.

Graduates will be able to...

### Outcome Assessment Measures:

There must be at least one direct measure for each learning outcome. A direct measure is a review of student work. An indirect measure is perception of student learning.

Select an assessment measure:

Select which of the following best describes the means of measurement for this outcome:

Select all academic years that data for this measure are collected:

Every outcome needs to be assessed at least once every 5 years.

- 2016-2017
- 2017-2018
- 2018-2019

- 2019-2020
- 2020-2021
- 2021-2022
- 2022-2023

**Specify the methods for implementing this measure for this outcome, including the course or courses where students demonstrate achievement of this outcome. Describe the specific part of the measure that demonstrates achievement of this outcome. For example, a comprehensive exam can be used to measure multiple outcomes. Specify which question on the comprehensive exam measures this outcome. Indicate who will do the data collection and analysis.**

**Describe the details of the collection and analysis of this measure:**

**Optional – attach supporting documents, such as instructions to students or rubric used to score student work.**
