Our Physical Plant Department works hard to clear our sidewalks and parking lots. They do a great job in difficult conditions. Please use the following tips to prevent slips, trips & falls:

- Comply with University closures and delays – This allows time for parking lots & sidewalks to be cleared
- Allow extra time for your commute, parking, and walking to your destination
- Only use cleared routes whether driving, parking or walking
- Report unsafe conditions on campus to Physical Plant at 937-775-4444
- If injured, complete an EHS Incident Report Form found at www.wright.edu/ehs
