## Wright State University Retirees Association (WSURA)

**WRIGHT STATE  
UNIVERSITY**

## WSURA: Something for Everyone

Membership in the Wright State University Retirees Association (WSURA) is open to all who have retired from the university. Members work together to support each other and the university through a wide range of service and social activities.

Not only do members stay connected through these opportunities, they also support a number of students through our endowed Nick Davis scholarship, contribute generously to annual fund drives, conduct oral history preservation projects, and participate in campus activities.

In our monthly *News for Retirees* e-newsletter, we offer news from and about the university and your fellow retirees. If you would like to be added to the list, contact our office.

We post updates from our liaisons to the Ohio Council of Higher Education (OCHER) for both OPERS and STRS pension plans as well as our university liaisons to Alumni Affairs, Friends of the Library, International Studies, and Athletic Council on our website.

Check out the events calendar and videos on our website ([wright.edu/wsura](http://wright.edu/wsura)) and join us on Facebook. ([facebook.com/groups/WSURA](https://facebook.com/groups/WSURA))

Annual (\$25) or life (\$100) memberships are available by making a secure credit card payment on the website (See: *Become a Member*) or by contacting the office. Join us! There is something for everyone!
