

2020-2021 Housing Registration Policy

Rooms are assigned to students enrolled at the university for the fall, spring, and summer semesters. All residents must be registered for classes prior to the semester before they will be permitted to check-in to their campus housing assignment.

If a student is currently living on campus for summer semester and has a 2020-2021 housing contract, they will not be permitted to move to their Fall housing assignment if they are not registered for Fall semester classes. They will have to check-out July 30, 2020. If a student is currently living on campus for summer semester and planning to live in the same unit for 2020-2021, they will need to check-out July 30, 2020 if not registered for Fall semester classes.

If a student is not registered for classes, the student will not be permitted to move into their Fall 2020 or Spring 2021 campus housing assignment. The housing assignment will be canceled, they will forfeit their \$150 prepayment and a registration hold will be placed on their account. Should the student choose to enroll at Wright State University anytime during the 2020-2021 academic year, they will be obligated to live on campus.

In the event that the student has moved in early for Fall 2020, they must move out of their housing assignment no later than August 19, 2020 and return keys to Residence Life & Housing. Once their keys are returned or the locks are changed, their housing assignment will be canceled, their \$150 prepayment will be forfeited and a registration hold will be placed on their account. Should the student choose to enroll at Wright State University anytime during the 2020-2021 academic year, they will be obligated to live on campus.

Fall 2020 residents whose Spring 2021 registration is canceled/not registered for classes must move out and return keys to Residence Life & Housing no later than January 5, 2021. Once keys are returned and/or locks are changed, their housing assignment will be canceled and a registration hold will be placed on their account. Should the student choose to enroll at Wright State University anytime during the 2020-2021 academic year, they will be obligated to live on campus.
