## From the Housing Team

We are excited to welcome you to campus this fall and are working hard to prepare for your arrival.

Once you receive your housing assignment, your next step is to reserve your move-in time. Instructions on how to schedule your appointment are in your housing assignment email.

On Move-In Day, enter campus through the main entrance on Colonel Glenn Highway and proceed to Lot 4 for further instructions. Once you move in your belongings, take time to unpack, meet your neighbors, and settle in. Then, check out the First Weekend event schedule at [wright.edu/engage](http://wright.edu/engage), explore the upgraded fitness center (located on the first floor of the Honors Community), take a lap around the fitness trail, or try your hand at disc golf.

If you have questions about campus housing or the move-in process, email us at [housing@wright.edu](mailto:housing@wright.edu), visit [wright.edu/housing](http://wright.edu/housing), or call us at 937-775-4172.

We look forward to seeing you soon!

## Campus Safety

To provide a safe and welcoming community, the Wright State Department of Public Safety, Police Division, strives to build positive relationships and provide excellent service to the community it serves. Campus Police have a robust community policing program, including educational training for faculty, staff, and students. While the department focuses these programs on specific topics such as alcohol use awareness, sexual assault awareness, general safety tips, and recognizing distressed individuals and violent intruders, officers are always willing to address other current or prudent educational topics. If you are interested in our community resources or programs, please email [wsupolice@wright.edu](mailto:wsupolice@wright.edu).

If you need immediate assistance, please call **9-1-1** or contact the Emergency Communications Center. Program the Emergency Communications Center number, **937-775-2111**, into your cell phone so you always have it handy.

## Resident Assistant (RA)

Each building (or area) has an assigned resident assistant. The RA is there to help build community among residents, point residents to the right resources, and enforce campus housing policies. They are looking forward to meeting you and will be in touch soon.

## Parking Permits

You will need to purchase a parking permit to park a vehicle on campus and in the residential areas. Visit [wright.edu/student-parking](http://wright.edu/student-parking) and use the My Parking Account link to order your permit. Please note: the university no longer processes permits in person.

- **Single Semester Permits** are valid for the semester in which they are purchased. This permit provides access to all general parking areas.
- **Full Academic Year Permits** are valid for the entire academic year. This permit provides access to all general parking areas.
- **Full Academic Year Rowdy Permits** allow for parking in select premium spaces, in addition to general parking areas, throughout campus. Rowdy parking spaces are closest to all campus buildings.

Permits can be purchased using most major credit cards or by adding the permit fee to your tuition bill.

Physical parking permits are not issued. Our parking management system uses your vehicle's license plate to verify your permit status. You may link up to three vehicles to your permit; however, you may only park one of those vehicles at any given time.

We strongly urge new and returning students to visit [wright.edu/parking](http://wright.edu/parking) to familiarize themselves with parking privileges and other parking policies before coming to campus.

Visit [wright.edu/parking](http://wright.edu/parking) for more information.

FEES AND PAYMENTS

Student accounts must be paid in full, enrolled in a payment plan, or have sufficient financial aid to pay the balance by the payment due date. View payment due dates at [wright.edu/BillingDeadlines](http://wright.edu/BillingDeadlines) and payment options at [wright.edu/payment](http://wright.edu/payment).

Students receiving third-party assistance must submit the authorization form from your sponsor by the fee payment due date and pay any unpaid charges in full or enroll in a payment plan.

ENROLLMENT REQUIREMENTS

You MUST be registered for classes to live in campus housing.

If you are NOT registered for classes, you will not be permitted to move into your Fall 2023 campus housing assignment.

If you have not yet picked up keys for Fall: Your housing assignment will be canceled prior to move-in day, your prepayment will be forfeited, and a registration hold will be placed on your account. Should you choose to enroll at Wright State during the 2023–24 academic year, you will be financially obligated to your housing contract.

If you are currently living on campus: You will not be permitted to reside in campus housing beyond the end of the summer semester. You must move out and return keys by 8 p.m. on Saturday, July 29.

NO-SHOW POLICY

If you do not check in to your unit within the first two (2) weeks, then

- If you are not registered for any classes, you will forfeit your prepayment and your room fees will be prorated through the end of that two-week period, or
- If you are registered for any classes at the end of that two-week period, then your failure to check-in will not affect your obligations under these Terms: the unit will continue to be available to you, and you will be billed the regular room fees.

If your plans to live in housing at Wright State have changed, we want to help. Please contact us at 937-775-4172 or email [housing@wright.edu](mailto:housing@wright.edu). Let us know that you wish to be released from your housing agreement and the reason(s) why. We will assist you in supplying the necessary paperwork to request to be released.
