POLICY INFORMATION

- WSU's Standards for Academic Conduct & Academic Integrity apply to all students engaged in testing. Consequences for misconduct may be serious: <https://www.wright.edu/student-affairs/student-life/community-standards-and-student-conduct/code-of-student-conduct/section-xii-academic-integrity> & <https://liberal-arts.wright.edu/english-language-and-literatures/university-writing-program/academic-integrity-and-plagiarism>.
- Once students start WSU's online test, they have 12 hours to upload work: <http://www.wright.edu/studentsuccess/testing/writing-placement-testing>.
- A non-refundable \$25 Writing Placement Test fee is added to tuition statement the term after score posts to Wings Express Test Scores.
- Scores are valid for two years. Readmitted students with expired WSU placement scores must retest unless prior placement was at ENG 1100 level. **Placement is determined by the highest valid non-expired score.**
- Students may fulfill the Wright State Core writing requirement with previous college composition credit of a grade C or higher or posted AP credit for ENG 1100. Students with such credit should not take the WPT. Transfer students who do not have transfer credit (within two years) for equivalent coursework may use a non-expired standardized test score or take the WSU WPT.

RETESTING

- All Writing Placement Test scores are final. There is no retest.
- Non-native speakers with Writing Placement scores of 30 or 40 will take a diagnostic test on the first day of class to verify placement.
- College Credit Plus applicants who tested at least 12 months prior (1 full year) should contact testing_services@wright.edu to see if updated transcripts or additional documentation meets eligibility requirements for renewed test access.

REMEDIATION—FREE STANDARDS

Due to State of Ohio remediation-free standards, students with ACT English ≥ 18 or SAT Reading/Writing ≥ 490 cannot place in DEV 0920.
