

**HLC Tested Experience Requirements**

The Athletic Training Program faculty have developed the following expectations for full time and part time faculty, who do not hold a terminal degree and/or may not have publications. Meeting the expectations provides evidence of the faculty member's qualifications to teach master's level courses.

1. Currently hold approved athletic training certification (BOC) in the U.S and licensure in the state of Ohio.
2. Minimum of 3 years-experience in baccalaureate-level athletic training education after earning a master's degree.
3. Earn a minimum of 15 points from activities in the table below (circle each applicable point value).

**\*Note:** Additional experiences/education not listed below will be considered and may be amended.
