

Application Requirements for International Graduate Students

Major (Degree)	Biological Science (Master of Science)		
College	College of Science and Mathematics		
Program Description			
<p>The Department of Biological Sciences is home to 22 active research faculty and approximately 50 graduate students. Our faculty are currently funded by EPA, NIH, NSF, USDA, a variety of state and local agencies, and private foundations. Many faculty members have leadership roles in local, state, national and international organizations, including the American Physiological Society, American Society for Testing of Materials, International Standards Organization, the Nature Conservancy, the Ohio Plant Biotechnology Consortium and the Society for Environmental Toxicology and Chemistry. They also served on EPA, NIH, and NSF study sections and review panels and are otherwise recognized as experts in their field.</p>			
Admission & Assistantship Deadlines			
Admission Semester	Application Deadline	Deadline to Apply for Departmental Funding	
Spring	Not Available	Not Available	
Summer	Not Available	Not Available	
Fall	May 15	Contact Department
