

Edd Program Alternative Criteria

The Doctorate of Organizational Studies (DOS) program faculty requires the following criteria to be used instead of the criteria (a), (b), or (c) in the first paragraph of Policy 2160.3 for evaluating nominees for (1) Associate Graduate Faculty membership for TEACHING and (2) Associate Graduate Faculty membership for SERVICE on thesis/dissertation committees.

_____ (1) Associate Graduate Faculty membership for TEACHING.

- a. Completion of a terminal degree in Leadership, Management, Education, or related fields.
- b. Experience teaching in graduate programs or experience in providing professional development in organizations.
- c. Completion of professional activities that include scholarly conference presentations and/or speaking engagements in organization within the past 5 years.

For an Associate Graduate faculty membership in teaching requires a nominee's CV and transcript as evidence in evaluating the criteria above.

_____ (2) Associate Graduate Faculty membership for SERVICE on thesis/dissertation committees.

- a. Completion of a terminal degree in Leadership, Management, Education, or related fields.
- b. Experience teaching in graduate programs or experience in providing professional development in organizations.
- c. Completion of professional activities related to the dissertation topic or research methods to be used in the dissertation within the past 5 years. Professional activities include scholarly publications, or scholarly conference presentations, or speaking engagements in organizations.

For an Associate Graduate faculty membership to serve on thesis/dissertation committees requires a nominee to submit a CV only (no transcript required) for service on a thesis/dissertation committee.
