Health and Human Dev	400	HED 1230	3

Communication and Writing			
Princ of Public Speaking		No Equivalency	
Technical Writing		No Equivalency	

*A minimum score and course equivalency assigned by the department

Note: Students may petition with individual departments to receive specific course substitutions for their majors if appropriate. Special consideration may be made case-by-case in that situation.

Wright State University Academic Policy on DAN TES Subject Standardized Test (DSST)

The guidelines that govern the application of transfer credit will be used to apply credit to degree requirements for students who score at or above designated minimums on DAN TES Subject Standardized Test (DSST).

Individual academic departments have determined how DSST credit is to be awarded. If the department has determined that the DSST exam is the equivalent of a specific course, credit will be awarded for that class as shown above. In some instances, a department has determined that the DSST exam does not cover the equivalent content of a single course, but will award "general elective" credit according to the recommendations of the American Council on Education (ACE). In other cases, the department has determined that there is no equivalency, and no credit will be awarded.

The above course equivalencies and credit hours will be awarded only to students whose DSST scores have not already been evaluated at Wright State. Course equivalencies and credit hours are subject to change without notice and will be granted in accordance with those current when DSST scores are evaluated.
