Parents of dependent students who did not file a tax return for 2021 can submit the following statement if they are not required to file a 2021 tax return and if they are unable to obtain proof from the IRS that they did not file. (Dependent students not required to provide proof of nonfiling.)

Being unable to obtain proof means that it has been 10 days since you have requested the transcript and the IRS has yet to respond to your request.

By signing below, I certify the following:

- ✓ I did not file a tax return for 2021.
- and
- ✓ According to IRS rules, I was not required to file a tax return for 2021

I also certify that it has been 10 days since I have attempted both of the following methods to obtain the Verification of Nonfiling transcript from the IRS and I have not been able to get it:

- ✓ I attempted to obtain the Nonfiling transcript by using the “Get Transcript Online” option on the IRS website.
- and
- ✓ I requested the Nonfiling transcript by using the IRS 4506-T form online or by mail, it has been 10 days since my request, and the IRS has not sent the requested transcript.

Note: It takes 7-10 business days to receive transcript requests from the IRS by mail.

- ✓ I listed all employers on the Verification Worksheet and provided copies of my 2021 W-2s.
