Dependent Verification Guide for 2022-2023

Tips for Completing the Verification Worksheet

Verification is a process required by the U.S. Department of Education to confirm that information reported on the FAFSA is accurate. The U.S. Department of Education randomly selects students for this process. The Office of Financial Aid begins verifying FAFSA information after receiving all requested forms and documentation.

See the *Verification Worksheet* for the corresponding sections B, D, and E below.

B. Legal parent(s) for the FAFSA as defined by the U.S. Department of Education

Legal parent for the FAFSA includes biological parent(s), stepparent, and adoptive parents

For the FAFSA, grandparents, foster parents, legal guardians, legal custodians, brothers, sisters, aunts, uncles and widowed stepparents are not legal parents unless they have legally adopted the student.

Marital Status of student's parent(s)	Information required by the U.S. Department of Education
Married	Both parents (includes biological, step-parent or legal adoptive parents)
Unmarried, but biological parents live together	Both biological parents
Remarried <i>previously divorced/widowed</i>	Legal parent and stepparent
Divorced or Separated	<p>Legal parent – <i>the parent whom the student lived with the most during the 12 months prior to completing the FAFSA.</i></p> <p>Students who lived equally with both parents need to provide information about the legal parent who provided the most financial support for the 12 months prior to completing the FAFSA.</p> <p>Students who do not live with a parent need to provide parent information for the parent who provided the most support the last time they lived with a parent.</p>
Widowed	Legal parent only (unless remarried)
Never married <i>to any person</i>	<p>Legal parent – <i>single parent never married to other biological parent or to any other person.</i></p> <p>Note: If parent has ever married, the “never married” status does not apply. The marital status in this case should be: married, remarried, widowed, divorced, or separated.</p>

B. Household Members INCLUDE:

Parent(s) other children, even if they do not live with them – who will receive more than half their support from the student's parent(s) from July 1, 2022 - June 30, 2023. (*But do not include if paying child support for them.*)

NOTE: The FAFSA does not have the same dependency rules as the IRS. Contact RaiderConnect for assistance.

Parent(s) adult children who are not yet 24, not married, not a veteran, not active duty military, who do not live with the parent(s), but the adult child would be required to put parent(s) on the FAFSA if they were also completing it to attend college.

Other people - **only if** - they currently live with student's parent(s) - **and** - receive more than half their support from student's parent(s) - **and** - student's parent(s) will continue to provide more than half support from July 1, 2022 – June 30, 2023.

Does not include foster children for whom student's parent(s) receive a subsidy.

Does not include children whom student's parent(s) included in the child support paid figure on the FAFSA.

Support includes: housing, utilities, cell service, transportation, food, clothing, medical, childcare, personal

D. FAFSA requirements for Student and/or Parent(s) who filed a 2020 tax return

Provide official tax information → THREE OPTIONS:

- 1.) Use the ****IRS Data Retrieval Tool (DRT)** on the FAFSA to transfer tax information
- 2.) Obtain the ***IRS Tax Return Transcript** for 2020 and submit a copy to Raider Connect
- 3.) Submit copy of 2020 tax return, Form 1040, that was filed with the IRS
 - a.) Requires taxpayer signature or signature/credentials of tax professional who prepared the return
 - b.) Must also submit copies of Schedules 1, 2, and 3, if any of them were used for the tax return

Additional documentation required if student's/parent(s) 2020 tax return has been amended.

An Amended Tax Return is when a taxpayer corrects their tax return by filing IRS Form 1040X, or when the IRS makes a correction to the taxpayer's tax return.

- Submit **signed and dated** copy of IRS Form 1040X if student/parent(s) corrected their 2020 tax return.
- Submit **2020 IRS Tax Account Transcript** if the IRS corrected the student's/parent(s)' 2020 tax return.

D. FAFSA requirements for Student and/or Parent(s) who did not file a 2020 Tax Return

Dependent students do not need to obtain a Non-Filing Letter from the IRS if no tax return filed for 2020

Parent(s) **must obtain/submit** a *Non-Filing Letter from the IRS if no tax return filed for 2020

Student and/or Parent(s) who **earned money from work in 2020 but did not file a tax return**

Sometimes wage earners do not earn enough to require them to file a tax return, or their income is not taxable.

For earnings from work → TWO STEPS:

- 1.) Must provide copies of all W-2s for 2020 (or the IRS Wage & Income Transcript)
- 2.) On the Verification Worksheet, list names of all employers and amounts earned for 2020

E. Untaxed Distributions from IRAs, Pensions, Annuities

Untaxed IRA Distributions,

2020 IRS Tax Form 1040 (line 4a minus line 4b)

Untaxed Pensions and Annuities

2020 IRS Tax Form 1040 (line 5a minus line 5b)

If student's and/or parent(s)' tax return(s) show a ROLLOVER for all or part of the untaxed amount (calculated above), check the box for IRA/Pension Rollover on the Verification Worksheet and add the rolled over amount to the worksheet.
