Documentation of Psychological Disability

The Office of Disability Services at Wright State University offers programs and related services that provide equal access to the university's educational opportunities for students with disabilities. As a post-secondary institution, Wright State follows the Association on Higher Education and Disability (AHEAD) standards for documenting disabilities.

Students requesting accommodations on the basis of psychological disability must provide current documentation from a licensed clinical professional who has relevant experience in differential diagnosis and the full range of mental disorders (i.e., licensed clinical psychologist, psychiatrist, licensed clinical social worker, or any other relevantly trained specialist). Please note that **the Office of Disability Services will NOT accept documentation completed by a member of the student's family.**

Licensed professionals may submit a letter in place of this form if it fulfills all requested information listed on this form. Letters must be submitted on the professional's letterhead, signed, dated, and include the professional's license number.
