

Materials Science & Engineering  
or  
Mechanical Engineering  
Baccalaureate Completion Program

Students may complete the courses in this articulation and transfer into Materials Science and Engineering or the Mechanical Engineering baccalaureate program at Wright State University.

**Additional Information**

- Students who would like to complete the A.S. before transferring would be required to take 6 credit hours at Edison that would not apply to the bachelor degree, including COM 121S and three excess hours in Humanities. However, completing the associate degree prior to transfer could qualify students for additional transfer scholarships. Visit [wright.edu/transferscholarships](http://wright.edu/transferscholarships) for more information, or contact the Transfer Student Resource Center at [transfer@wright.edu](mailto:transfer@wright.edu) or 937-775-4830.

This agreement will expire two years from date of signature.

**\*These courses are required for the Associate of Science at Edison but do not fulfil requirements for an engineering degree at Wright State.**

**Consult an advisor in Wright State University's College of Engineering and Computer Science Student Success Center (937-775-5272) about remaining requirements for the majors.**

NOTE: By completing the Ohio Transfer Module at Edison, students have met the distribution requirements for the Wright State Core.
